Annual Report

TOWN OF PITTSFORD VERMONT

December 31, 1974

Dan D. Burditt

1888 - 1973

Dan D. Burditt

1888 - 1973

The Town Report this year is dedicated to the late Dan D. Burditt.

Dan Burditt was a lifelong resident of the Town of Pittsford. He lived on the family farm here and operated it until the time of his death. He was also a licensed cattle dealer in Vermont for many years.

In his earlier life he represented the Town in the House of Representatives in 1923 and 1925. He was a Senator from Rutland County in 1927.

For many years he was a member of the Board of The Rutland County Agricultural Society. In that capacity he participated in the management of the Rutland Fair.

He was also prominent in the banking community in Rutland County. He was a long time member of the Boards of The First Brandon National Bank and The Rutland Savings Bank. At the time of his death he was Chairman of the Board of The Rutland Savings Bank.

Dan Burditt was deeply interested in the Town of Pittsford and its citizens. As an expression of that interest he made the Town and Town School District the residuary legatee of his estate. A detailed report of this appears in the report of The Trustees of Public Funds page 101.

We should all be grateful to Dan Burditt for making this generous bequest, and make sure that it is wisely used to further the purposes for which it was made.

TOWN OF PITTSFORD**WARNING**

The legal voters in the Town Meeting of the Town of Pittsford are hereby notified and warned to meet at the Lothrop School Gymnasium (formerly Town Hall) in said Town on March 3, 1975 at 7:30 O'Clock in the afternoon to transact any business not involving voting by Australian Ballot or voting required by law to be by ballot and to be held on the first Tuesday in March. This meeting shall be adjourned to the following day, in order to vote on all matters required to be voted on by Australian Ballot, or to be voted on by ballot and to be held on the first Tuesday in March.

The following matters will come before the meeting to wit:

1. To hear the reports of the Town Officers and take appropriate action thereon.

2. To see if the Town will authorize the expenditure of the amounts set forth in the General Account Budget for the support of the General Departments and Services of the Town.

3. To see if the Town will authorize to be raised by taxation the sum of THIRTY NINE THOUSAND TWO HUNDRED SEVENTY FIVE DOLLARS (\$39,275.00) to provide funds for the support of the General Departments and Services of the Town for the period from January 1, 1975 to December 31, 1975.

4. To see if the Town will authorize the expenditure of the amounts set forth in the Highway Account Budget for the support of the highways.

5. To see if the Town will authorize to be raised by taxation the sum of EIGHTY THOUSAND FOUR HUNDRED FORTY SIX DOLLARS (\$80,446.00) to provide funds for the highway needs of the Town for the period from January 1, 1975 to December 31, 1975.

6. To see if the Town will vote to collect taxes on real estate and personal property in installments, 1/3 on July 10, 1/3 on September 10, and 1/3 on November 10. (Sect. 4871, Title 32 V.S.A.)

7. To see if the Town will vote for the collection of taxes by the Treasurer. (Sect. 4791 Title 32 V.S.A.)

8. To see if the Town will authorize the Selectmen to borrow money for the temporary use of the Town. (Sect. 1783, Title 24, V.S.A.)

9. To transact such other business as legally may come before said meeting at this time.

10. To see if the Town will adjourn this meeting until 12:00 Noon, March 4, 1975 to vote on the following matters only, to wit: To vote on articles 11 and 12 by Ballot. Polls open for all articles to be voted on by ballot at 12 O'Clock Noon and close at 6:00 P.M.

11. To elect all necessary Town Officers for the ensuing term of office.

12. To see if the Town will vote to approve the proposed revision of the Town of Pittsford Zoning Regulations. The draft Revision was proposed and adopted by the Pittsford Planning Commission at its meeting on December 11, 1974, and a public hearing concerning the proposed Revision was duly warned and held by the Planning Commission on December 30, 1974. Following the hearing, the proposed Revision was submitted to the Board of Selectmen for action pursuant to 24 VSA 4404. A final draft of the Revisions was discussed and approved by the Board of Selectmen on January 13, 1975 and a final public hearing was duly warned and held by the Board of Selectmen on January 30, 1975.

The purpose of the Revision is generally to revise the format of the existing Regulations, clarify and add certain definitions, revise the permitted and conditional uses, provide for clarification of compliance with Zoning permits, revise the Sign Control ordinance, and clarify and revise the Regulations to conform with the provisions of Chapter 91 of Title 24 of the Vermont Statutes Annotated.

Copies of the proposed revision are available to interested citizens for reference at the Town Clerk's Office and the Maclure Library.

Selectmen:

RONALD D. MORAN

GEORGE A. EUGAIR

JOHN BARNARD, JR.

Town Clerk

PITTSFORD TOWN SCHOOL DISTRICT**WARNING**

The legal voters of the Pittsford Town School District are hereby notified and warned to meet at the Lothrop School Gymnasium on March 3, 1975 at 7:30 o'clock in the afternoon to transact any business not involving voting by Australian Ballot. This meeting shall be adjourned to the following day in order to vote on all matters required to be voted on by Australian Ballot. The Polls will be open from 12 o'clock Noon until 6:00 P.M. to vote for the School District Officers.

Article 1. To hear and act upon the reports of the Town School District Officers.

Article 2. To see if the electors will vote to recess the Annual Meeting of the Pittsford Town School District to Tuesday, May 6, 1975, at 7:30 P.M. in the Lothrop School Gymnasium to act upon a budget and such other matters as may properly come before the recessed meeting.

Article 3. To see if the electors will authorize the participation of their municipal employees in the Vermont Municipal Employees Retirement System as established by the 1973 Adjourned Session of the Vermont State Legislature pursuant to Act No. 251.

Article 4. To elect the necessary Town School District Officers by Australian Ballot.

- a) A moderator for a term of one year
- b) A school director for a term of three years
- c) A school director for a term of one year
- d) A school director for a term of one year
- e) Two school directors for the Otter Valley Union High School District No. 8 for terms of three years each

Article 5. To have presented by the Board of School Directors of the Pittsford Town School District their estimate of expenses for the ensuing year and to appropriate such sum as it, the Pittsford Town School District, deems necessary for said expenses together with the amount required to pay any balance left unpaid from the preceding year, expressing said sum in dollars in its vote.

Article 6. To authorize the Board of School Directors to borrow money in anticipation of taxes to meet the necessary expenses of the Pittsford Town School District.

Article 7. To transact any other business proper to be done when met.

Received and Recorded January 31, 1975

AUDITORS REPORT

In accord with Sub-Chapter 5 of Chapter 45 of Title 24 of the Vermont Statutes Annotated, we have examined the records and accounts of the Town and Town School District as shown in Auditors Exhibits 1 through 12.

We have verified the existence of stated balances and have examined all securities in the hands of the Town Treasurer.

To the best of our knowledge and belief, Exhibits 1 through 12 accurately represent the financial transactions of the Town for the fiscal year ending December 31, 1974 and for the Town School District fiscal year ending June 30, 1974.

TOWN FUND:

Due to the fact that the Revenue Sharing Funds received from the federal government must be maintained in a separate bank account and used to reimburse the Town Fund for appropriate disbursements AFTER the Town has paid the bills, the Town Highway Account shows a substantial cash deficit. Revenue Sharing Funds are deposited in a "90 Day" Savings Account. To withdraw the money except during the first ten days of each calendar quarter results in a substantial loss of interest. Consequently reimbursement for amounts disbursed for highway purposes in 1974 were not made until after January 1st, 1975.

Due to various causes repairs to the River Street culvert and the Depot Covered Bridge cost considerably more than was originally estimated.

Towns are legally liable for damages in the event of injury to persons or property due to lack of sufficient maintenance of bridges and culverts.

SCHOOLS:

The citizens of the Pittsford Town School District are presented with audited accounts in this report covering the school operating year ending June 30th, 1974. We are now in the midst of the school operating year ending June 30, 1975. You voted the budget and taxes for this school year at March Meeting 1974. We have presented to us a budget and request for an appropriation covering the next school operating year commencing July 1st 1975 and ending June 30th 1976. The budget presented indicates that the Town School District expects to break even as of June 30th 1975. The School Directors Report indicates an anticipated deficit of \$8,676.00.

Your attention is specifically invited to the second paragraph of the Letter of Transmittal for the audit of P. F. Jurgs & Co. The duties of the Town Auditors as provided in the Vermont Statutes are considerably broader.

Your Town Auditors still hold the opinion that the book-keeping and accounting system now used by the Town School

District is not adequate to account properly for the receipt and disbursement of over one half million dollars.

The following discrepancies have been noted. Title I Account: The School District ordered the Treasurer to transfer \$11891.96 from the Title I Account to the School District Account. The School District disbursements justify only \$11891.44. In this connection the audit of the Title I Account, by the professional auditor as shown in the School District Report is not the Treasurers account. It is the account maintained by the Superintendent of Schools as a basis for making his report to the State. Your auditors also discovered \$2.25 more in the Hot Lunch Balance than was found by the professional auditor.

Town Auditors Notes:

We have examined the Revenue Sharing Statement above. We have compared the financial data for the year ending December 31, 1973 included in Form F-21, Bureau of the Census, U.S. Dept. of Commerce, with the Audited accounts shown in the Town Report of December 31, 1973 and found them correct.

We have reviewed compliance matters as prescribed in Section V, Paragraph D, of Audit Guide and Standards for Revenue Sharing Recipients, Oct. 1, 1973. We have discovered no evidence of non compliance.

BOWEN WALKER FUND

We have audited the Account of the Bowen Walker Fund as reported by the Chairman and Treasurer on Page 105. The principal of the Fund is in the custody of the Proctor Trust Company as follows:

	Book Value
\$5,000. Baltimore Gas & Electric 8.75% due 7/1/75	\$5,050.00
\$5,000. Crocker National Corp. 5.75% due 5/15/96	\$5,000.00
Proctor Trust Co. Savings Account	\$ 170.00

Exhibit 9

PUBLIC FUNDS

The Public Funds in the hands of the Trustees consist of Securities known as the Pinney Fund. The principal of the Fund is invested in one Certificate of Deposit in the Rutland Savings Bank in the amount of \$2,600.00 drawing interest at the rate of 7½% and an additional Certificate of Deposit in the amount of \$7,500.00 drawing interest at the rate of 7½%. The income from the Fund has been turned over to the Town School District in accord with the conditions establishing the Funds.

TOWN SCHOOL DISTRICT**Year Ending June 30, 1974**

TOTAL Receipts	\$569,949.60		\$560,281.61 \$277,981.95 \$286,198.85
TOTAL Receipts & Balance	\$598,681.14		\$589,013.15 \$594,931.73

AUDITORS NOTES — SCHOOL RECEIPTS:

You may notice that the unaudited Receipts as of December 31, 1974 have been omitted this year from the above chart. With half the school year still to be run, they are not meaningful, except to those closely involved in the financial operations of the School District.

The actual Unobligated Balance on hand each year, compared with the Budgeted Balance, is an indication of the effectiveness of the fiscal operations for the year.

The Receipts in the foregoing chart have been classified in accord with the system established in "FINANCIAL ACCOUNTING FOR STATE AND LOCAL SCHOOL SYSTEMS", U.S. Dept. of Health, Education and Welfare, 1966.

The figures shown in Column I, are the figures approved by the voters at March Meeting 1973, including \$1,000.00 voted for planning purposes.

The figures shown in Column II are those determined by the Town Auditors. In presenting their Budget the School Directors do NOT include the Taxation and State Aid attributable to the Otter Valley Union High School. When the Otter Valley Union High School District approves its Budget and appropriates the money to put it into effect, the Pittsford assessment becomes an obligation of the Pittsford Town School District and MUST BE PAID. Consequently the Otter Valley Taxation and State Aid appear in the Town Audit, Jurgs Audit and the Computer printout. Your Auditors feel that the Otter Valley Taxation and State Aid should be included in the Town School District.

The Figures shown in Column III are the figures determined by the professional Auditors employed by the Town School District. Attention is invited to the statements made in the second paragraph of the letter of transmittal of P. F. Jurgs & Co.

The figures shown in Column IV are the figures shown on the Computer printout of the Town School District as of June 30, 1974. The "Total Receipts and Balance" shown is a corrected figure made by hand.

DETAILED NOTES:

(A) These figures are called "Reserve" on the Computer printout. They represent the total of obligations incurred prior to June 30, 1973 but paid after that date. The figure in Column IV was the estimate as of June 30, 1973. The figure in Column II is the actual amount paid out during the year for Obligations incurred during the preceding year. The Amount shown as "Reserve" on the Computer printout was not changed during the year to reflect the actual changes in the estimate. The professional Auditor does not segregate these payments but includes them in his balance on hand.

(B) \$24.00 included here is an error on the Computer printout.

(C) \$24.00 (B above) belongs here.

(D) \$41.32 of this amount is a current year refund. Professional Auditor does not include current year refunds as a receipt but extracts them from the proper classification among the disbursements.

(E) There is included in this figure \$1,634.32 which was a reimbursement to the Hot Lunch Program from the State. This does not appear on the Computer printout. The Balance of \$7,992.35 represents a transfer of \$7,992.80 to the School District Treasurer to reimburse the School District for the labor account. \$69.55 represents a reimbursement from the Brandon Training School to the Hot Lunch Program for lunches served by the Pittsford Town School District to Brandon Training School pupils attending the Pittsford School for Special Education. The School Board has issued a blanket order to the Treasurer to endorse all checks received from the State for the Hot Lunch Account to the Hot Lunch Agent, without recording these transactions on his books. Your Auditors question whether their practice is strictly in accord with the Statutes governing the power of School Boards.

(F) The Professional Auditor does not include school lunch transactions in the Town School District Account. He audits the Hot Lunch Program labor separately and includes any balance as a receipt or disbursement as the case may be.

AUDITORS NOTES — DISBURSEMENTS:

Column A is the Disbursement Budget approved by the voters at March Meeting 1973. It includes under Capital Outlay \$1,000.00 voted for planning purposes in view of the possible return of the 7th and 8th grades to Pittsford. It does not include the Otter Valley Assessment. See remarks concerning this under the AUDITORS NOTES — RECEIPT.

Column B shows the Disbursements as found by the Town Auditors. For the information of the voters the Disbursements have been segregated into three major categories. The Items listed under "Obligations Carried Forward" cover the "Reserve" as shown on the Computer printout. They are Disbursements to pay for items properly chargeable to the preceding year but not billed or paid for prior to June 30. The Items under "Regular Account" are Items paid for under the indicated categories during the current school year. The Items under "Title I Account" cover Disbursements from School District Funds for the purposes set forth in the Federal Law. For a detailed explanation see Appendix A Exhibit 12, Page 50, Town Report dated Dec. 31, 1973.

Column C The Professional Auditor includes the "Obligations Carried Forward" in the Regular Account. but segregates the Title I Account.

Column D The Computer Printout segregates the Reserve as a single item but includes the Title I Account figures in the Regular Account.
Column E and F are self-explanatory.

DETAILED NOTES

(1) Columns B & D include a current refund of \$25.00 not in Column C, not in Receipts in Professional Audit, but included in the Computer Printout.

(2) Instruction: — Column B. If \$11,891.44 under Title I plus the \$2,974.16 under "Obligations" is added to \$151,102.18 the total is \$165,967.78.

Column C.: If the \$11,891.44 under Title I is added to \$154,060.32 and an additional \$16.02 for a current year refund the total will be \$165,967.78.

Column D.: If the \$2,974.16 under "Obligations" is added to the \$162,993.62 the total is \$165,967.78. Thus "Instruction" Items in all three Columns agree.

- (3) Professional Audit includes the sum of \$19.52 carried under "Obligations" by Town Auditors.
- (4) Professional Audit includes the sum of \$177.04 carried under "Obligations" by Town Auditors.
- (5) Professional Audit includes the sum of \$373.09 carried under "Obligations" by Town Auditors.
- (6) The Figures in Column B and D show payments of Salaries of the Hot Lunch Staff made by the Town School District. The Hot Lunch Program has reimbursed the School District for these salaries.
- (7) In Column C, the Professional Auditor includes the sum of \$1,143.65 carried in Column B under "Obligations". Column "A", the "Budget" Column includes the \$1,000 00 voted for planning purposes in addition to the original budget submitted.

SELLECTMEN'S REPORT**1974****SANITARY LAND FILL**

The 1975 budget request for the Sanitary Land Fill has been increased from \$6,000.00 to \$7,000.00. This is due to the current inflationary trend for labor, equipment rentals and materials.

It has again been brought to our attention that many individuals are scavenging at the Sanitary Land Fill. This is a very serious practice as injury may occur. We request that this practice be stopped at once or action will be taken by the Town Constables to prevent this problem.

SEWAGE DISPOSAL PLANT

The State of Vermont is in the process of conducting a survey of water leaks into our Sewage Disposal Plant lines. During heavy rain storms these leaks cause our plant to operate at above capacity flow.

It should be noted that the budget for the Sewer Dept. has been raised from \$11,750.00 to \$13,000.00. Receipts are approximately \$11,000.00 a year. The Board of Selectmen is going to make every effort to save the \$2,000.00 difference and therefore will not ask for an increase in the Sewer Tax this year. Larger than anticipated 1974 expenditure was due to several breakdowns of sewer pumps, etc., plus the inflationary trend in materials, labor and equipment rentals.

WATER DEPARTMENT

There is a \$300.00 increase in the 1975 Water Dept. budget. This is due to the rising inflationary cost of labor and materials. We are presently still operating under the old Aqueduct Co. ordinance but it is anticipated that later this year the new Water Ordinance for the Town will be completed.

DELINQUENT TAXES

Our delinquent tax collector, Mr. John Morse, has found it necessary to retire. We regret the loss of Mr. Morse's services and wish him well.

The Board of Selectmen is currently the collector of Delinquent taxes.

As of April 1, 1975 all delinquent poll taxes will be turned over to the Small Claims Court for collection and delinquent property taxes of more than one year will result in property tax sales. This means additional Attorney fees and costs for the delinquent taxpayer. These fees are considerable and we regret having to take this action but feel that this is the only process open to us.

CARE

We are pleased to report that all Old Rutland Hospital bills, which dated back to 1955, have been paid in full and we no longer have to budget for this item.

HIGHWAYS

As directed by the people at Town Meeting, 1973, the Board of Selectmen have repaired the Depot Covered Bridge. This was undertaken in early spring of 1974 at which time it was anticipated that the cost would be approximately \$10,000.00. Due to the condition of the Bridge and the inflationary cost of material and labor the Town has to date expended approximately \$22,000.00 for repair of the Bridge. \$2,000.00 of this was paid out of Revenue Sharing Funds. Bridge ramps will be completed in the early spring and will be paid out of this years highway budget. A \$6,000.00 payment will be made out of Revenue Sharing money in 1975. \$14,000 will be borrowed and paid back in \$6,000.00 installments in 1976 and 1977. The remaining balance will be paid in 1978. These payments will be made out of Revenue Sharing Funds. It is expected that the Revenue Sharing Act of 1972 will be extended or reenacted past 1976. It should be noted that no tax is being asked for payment of this Bridge. The Highway Budget Account will pay the interest each year.

The Highway budget has not been increased in the past few years and we are no longer able to keep up with the inflationary trend of labor, materials and employee benefits. Therefore, we have found it necessary to ask for an increase of approximately \$11,000.00.

It is expected that the Town will continue construction and resurfacing projects on Class II, Class III and Class IV Highways during 1975.

It should be noted that the resurfacing projects which were contracted thru the State of Vt. in 1974 have broken up in many areas. This situation has been brought to the attention of the District Highway Engineer and he has assured this Board that the distributor of asphalt has been made aware of this problem and an inspection of these projects will be made in the Spring by the District Highway Engineer and the distributor. It is hoped that this will result in an adjustment on these projects.

The Town had to purchase a new truck to replace the Int'l. truck that was totalled in late fall. This new truck is equipped with a new hydraulic sander and again we are pleased to report that all Town Highway equipment is paid for in full.

The Town Report of 1973 noted that the estimated cost of the River Road Bridge project would be \$8,500.00 with the Town share to be approximately \$1,700.00. As of this date the Town has spent \$17,702.75 on this project. \$2,000.00 of this was out of Revenue Sharing Funds. It is anticipated that it will be necessary to spend another \$2,500.00 for completion of this proj-

ect in the spring. 80% of approximately \$15,000.00 of this project will be funded by the State of Vermont in the form of Bridge State Aid. Due to this increase of over 100% in construction costs on this project the Town Share will be approximately \$5,000.00. Due to this increase we have a deficit of approximately \$5,000.00 in the highway account.

As required under Section 4 of Act 63 which amends 19 VSA, the Town must expend the sum of at least \$50.00 per mile of Class II, III and IV highways within the Town. It should be noted that this municipality far exceeds this amount.

REVENUE SHARING

Revenue Sharing monies will be expended for highways as voted. See report on Revenue Sharing.

FLOOD INSURANCE PROGRAM

The Board of Selectmen, The Joint Planning Commission and the Village Board of Trustees are in the process of applying for certification for these municipalities for Federal Flood Insurance. It is expected that by early spring the certification will be completed. See Federal Flood Insurance Program report following.

MR. JOSEPH HUMPHREY

1910-1974

Mr. Joseph Humphrey served the Town of Pittsford for many years as a Lister. His loss will be felt by the entire community. We extend deepest sympathy to his family.

Respectfully submitted:

GEORGE A. EUGAIR

JOHN H. BARNARD, JR.

RONALD D. MORAN

SELECTMEN'S REPORT APPENDIX 1
HIGHWAY REPORT

1974

Act 63 of the Vermont Legislature resulted in the reclassification of all highways within the Town. Our highways are now classed as follows:

Class II Highways—previously referred to as State Aid Road (16.940 miles)

Class III Highways—previously referred to as Town Highway roads (37.590 miles)

Class IV Highways—Roads to be upgraded to Class III Highway specifications (4.540 miles)

All State Aid for highways is now received in set quarterly payments and disbursed for projects selected by the Selectmen with the advice and co-operation of the District Highway Engineer.

The following is an account of monies spent in various categories during 1974:

Class II Highways — Spent \$12,788.02.

This included general maintenance on all Class II Highways and further construction and resurfacing of the Whipple Hollow Road.

Class III Highways — Spent \$44,372.77.

This included general maintenance on all Class III Highways, construction and/or resurfacing on the following roads: Elm St., Depot Road, Fire Hill, Oxbow, Sangamon Road, Town Farm Road, Plains Road, Hitchcock Road, Kelley Road, Carter's Road, River Road, etc.

Winter Maintenance — Spent \$25,543.48.

This included winter maintenance on all Class II, Class III and Class IV Highways.

SELECTMEN'S REPORT APPENDIX 2

THE FEDERAL FLOOD INSURANCE PROGRAM

The Federal Flood Insurance Program, originally authorized in 1968, was expanded in 1973 to increase the limits of flood insurance coverage and impose sanctions against communities identified as flood-prone that refuse to enter the Program.

Pittsford has been identified as a flood-prone community and has received preliminary maps from the Department of Housing and Urban Development (HUD) showing the flood-prone areas. The town can now enter the program upon submission to HUD of an application and the adoption of some form of zoning regulation that would control, but not prohibit, development in the flood-prone areas. The application must be submitted within one year from the date on the map sent by HUD or July 1, 1975, whichever is later. The regulation which can be a separate interim zoning ordinance or an amendment to a permanent ordinance, should:

- (1) Apply at a minimum to all areas identified as flood plain area.
- (2) Provide that within the flood plain area the control measures will take precedence over conflicting laws.
- (3) Require permits for all proposed construction or other substantial improvements (i.e. over \$2000) in the flood plain area.
- (4) Review permit applications for new construction or substantial improvements to assure that certain standards are met to reduce flood damage.

If the town does not enter the program, federal financial assistance for construction of structures within the flood-prone area will be lost. The municipality would not be eligible for loans from any federally-insured or regulated lending institution and owners of structures in flood-hazard areas would be unable to secure mortgages or loans for real estate or mobile homes from the VHA, FHA, Small Business Administration, or any bank that is insured under FDIC.

If the town is accepted into the program, homeowners and businessmen could obtain otherwise unavailable low-cost flood insurance. Also, financing of new construction in flood-prone areas could be obtained through lending institutions which are federally approved, supervised, regulated or insured, i.e. conventional financing. Flood insurance would be available at subsidized rates. These rates would apply until a detailed flood insurance study is completed and rate maps have been issued. The detailed study and the rate maps will be prepared by HUD at no charge to the Town of Pittsford. Because of the number of communities that require this service nationwide, it may be some time before the work is begun by HUD in Pittsford.

PITTSFORD FIRE DEPARTMENT

During 1974 we answered 73 calls for help. This was a record number of calls for the fire department with an increase of 25 calls over a year ago.

We did have an overdraft of \$910 which was caused by the great increase in calls. In our 1975 budget we are asking an increase over our 1974 budget of 16% due to inflation and an increase in the number of calls which, as of this date, are running ahead of the record year of 1974. Also, we had to add another item to the budget for maintenance and repair of fire equipment. In 1974 we had to repair a pump on the 1959 Chevrolet which cost \$163.56. This was an unbudgeted expense. We also must repair rust damage to two trucks during this year.

We were able to obtain the service of Ass't. Chief Richard Baron of the Rutland Fire Department who, with the help of some of our men, were able to repair the fire horn at no cost to the town. However, because of its age, etc., we will be testing it only once a day at 6:00 P.M. and will continue to use the new signals for alarms. This item alone saved the town several hundreds of dollars in repair bills.

Joining the department in 1974 were David Shorey, Donald Peach, Steven Bernier, Thomas Eugair, Jerry McGee and William Lathrop. Leaving the regular force were James Parker, 25 years; Herbert Spaulding, 20 years; and Robert L. Smith, 13 years. Each of these men have joined the Veteran Reserve and will continue to serve the town and fire department as a back up unit. At the present time we have 30 regular men and thirteen Veteran Reserve men.

Again, we would like to have everyone be careful if burning wood to have chimneys and heating systems cleaned and checked each year. This is for the safety of your family.

If at anytime you suspect a fire, do not wait, call us right away.

Phone numbers:

Fire, Oxygen or Emergency 483-2823
Fire House (Non-Emergency 483-2821

Please, at the time of an alarm, do not call the emergency phone for information. This can cause a delay in getting help to someone in need.

Fire Department Officers:

Chief Robert Hemple	Ass't. Chief Harry McKinlay
Captain Raymond Parker	Captain Thomas Hooker
Lieutenant Charles Shaw	Lieutenant Robert Coolidge

NICKWACKETT HOSE COMPANY

In 1974, through our fund raising projects, the men of the Hose Co. were able to purchase call alerts for the 30 regular firemen. This is added to the radio system and it gives the alarm to all men at the same time. It saves much time over the old system of calling the men by phone and gives the department a much quicker response to any emergency. This donation from the Hose Co. was about \$3,500. Also purchased by these funds were two portable radios which have become very useful in our fire fighting efforts.

During 1975 we will continue to work to obtain more equipment for the fire department through the Hose Co. fund raising projects, such as the Memorial Day Barbeque, Booster Club and donations.

At the end of 1974 we obtained a trailer from Civil Defense and a generator at no cost to taxpayers. At the present time we are building this into a mobile lighting plant to be used at the scene of emergencies.

Over the past 25 years, through the Hose Co., many items have been purchased without any tax dollars. These items are turned over to the fire department for their use. They include such items as the tank truck, radios, call alerts, part of the cost of the pickup truck, carbon saw, new station addition, the upstairs addition, the original building, and many other items.

We would like to thank the townspeople for their support over the years to our projects, which have helped build our fire department to where it is today.

NICKWACKETT HOSE COMPANY

President William Bowman

Vice-President Vernon Guyette

Secretary Thomas Bushey

Treasurer Robert Parker

Old Cemeteries	250.00	250.00	351.00
TOTAL GENERAL ACCOUNT BUDGET FOR 1975			\$ 92,923.00

NOTE: —

(1) The General Account has a beginning cash deficit balance of \$6,419.63 which is the different between the total of all the Account Balances and the balance in the Town Fund check books. This happened because the Revenue Sharing money is kept in a special 90 day account in the Proctor Trust Company. Consequently the amount of \$14,757.21 could not be turned over to the Town until after January 1, 1975.

HIGHWAY REPORT

1974

Act 63 of the Vermont Legislature resulted in the reclassification of all highways within the Town. Our highways are now classed as follows:

Class II Highways — Previously referred to as State Aid Road (16.940 miles)

Class III Highways — Previously referred to as Town Highway roads (37.590 miles)

Class IV Highways — Roads to be upgraded to Class III Highway specifications (4.540 miles)

All State Aid for highways is now received in set quarterly payments and disbursed for projects selected by the Selectmen with the advice and co-operation of the District Highway Engineer.

The following is an account of monies spent in various categories during 1974.

Class II Highways — Spent \$12,788.02

This included general maintenance on all Class II Highways and further construction and resurfacing of the Whipple Hollow Road.

Class III Highways — Spent \$44,372.77

This included general maintenance on all Class III Highways, construction and/or resurfacing on the following roads: Elm St., Depot Road, Fire Hill, Ox-Bow, Sangamon Road, Town Farm Road, Plains Road, Hitchcock Road, Kelley Road, Carter's Road, River Road, etc.

Winter Maintenance — Spent \$25,543.48

This included winter maintenance on all Class II, Class III and Class IV Highways.

TOWN CONSTABLES' REPORT**1974**

The year 1974 was as usual a busy one. The following report is a summary of the Police Services rendered.

A breakdown on types of complaints —

Accidents	10
Burglaries	8
Prowlers	13
Abandon Cars	4
Disturbing the Peace	11
Name and Record Check	19
Missing Persons	1
Bikes Taken	4
Complaints on Car and Motorcycles	15
Camping on Private Land	3
Man with Obscene Photos	2
Dogs	10
Dogs hit by cars	5
Assaults	3

All Village and Town Roads patrolled Cabbage Night and Halloween Night. Traffic Duty for Memorial Day Parade. Also Traffic and Police Protection for the 4th of July Parade and Celebration at Recreation Area.

Today we are living in one of the most exciting and controversial eras in the history of Law Enforcement. Local and State Law Enforcement clearly understands that police standards must be in accordance with local needs and priorities. Rapid changing social, technological and economic conditions reflects instability, therefore in a sense "social and economic conditions cause crime".

We have been flexible in our approach to handling the problems in our community. It will be our challenge to continue to respond to the needs of our village and town. In order to give prompt and faster service we have had, at our own personal expenses, Car Radios installed.

Thank you for your continuing cooperation so that we can best meet the needs of our community.

Respectfully submitted,

HAROLD A. HAVILAND, 1st Constable

JAMES E. PARKER, 2nd Constable

REPORT OF FOREST FIRE WARDEN

1974

There were three (3) minor forest fires this year.

There were 116 permits issued in 1974. "Permits to Burn" are required at all times, except when snow is on the ground, at all locations which are within 200 feet of inflammable plant material which touches or adjoins woodlands.

I wish to thank Mr. Emil Hammond, Assistant Fire Warden, for all his help this past year.

To obtain permits for burning, please telephone:

483-2866

483-6751

Respectfully submitted,

Raymond Parker, Fire Warden

HEALTH OFFICERS REPORT**1974**

As Health Officer for Pittsford during 1974 all the local and state requirements have been met.

From a health standpoint Pittsford is in an enviable position compared to larger towns and cities. Our advantages are many, problems few and easy to manage.

Of particular note are the following —

- 35 Inspections made on new and alterations of existing Septic Systems.
- 4 Complaints on Sewage surfacing from Septic Systems. Orders issued for repairs. All corrected but one, work is being done on this at present.
- 4 Complaints on Sub-standard Housing Violations.
- 24 Bacteriological water samples sent to Health Department Laboratory for Town Water Department. One sample per week for Recreation Area Pool was sent to State Health Department Laboratory. None exceeded the prescribed standards. Inspections made at Lothrop School and school Lunch Facilities.

Your continued cooperation will be greatly appreciated.

Respectfully submitted,

HAROLD A. HAVILAND,
Health Officer

ANNUAL REPORT

Fuel Coordinator — Town of Pittsford

For the past year I have served as Fuel Coordinator of the Town of Pittsford. This position, which exists under the authority of the State Department of Public Safety (Civil Defense Division), was created last winter in response to the "fuel crisis". In this capacity, my responsibility is to act as a kind of "ombudsman" on behalf of persons with emergency fuel needs. When a needy family runs out of heating oil, and has no money to purchase more, it is my task to assist them in obtaining the funds they need in order to pay for an emergency shipment.

Last winter, only two cases were brought to my attention; in both cases, I was able to obtain emergency funds for the purchase of fuel. So far this winter, I have had only two cases brought to my attention. I am concerned, in this regard, that people in real need, not knowing of the possible assistance that may be given them, may simply suffer in silence, without making their plight known. It is my objective to determine, as best I can, that no family in Pittsford, however poor, should be without heat during the winter. Despite the drastic cutback of Federal funds for this purpose, there are still at least minimal funds available for those in need.

Respectfully submitted,

REV. ROBERT W. GARDINER

RUTLAND AREA VISITING NURSE ASSOC., INC.

1974 ANNUAL REPORT

Town of Pittsford

It is my pleasure to submit this report regarding services rendered by the Rutland Area Visiting Nurse Assoc., Inc. to your town for 1974.

Our program includes Skilled Nursing, Physical Therapy, Speech Therapy, Occupational Therapy and Home Health Aide Services. This is a part-time service in your home for you and your family.

We also coordinate with the State Public Health Nurses to provide Well Child pre-school clinics and Handicapped clinics to your areas. We give health guidance and preventive teaching to families and new mothers. We also have Pre-Natal classes for expectant parents. We provide instruction in the care of the patient in the home as well as giving direct bedside care.

We are always available if you have other health problems that we could help with. We make many calls to evaluate situations and report back to physicians. This has proved to be very helpful to all the area physicians.

Our main office is in Rutland, but we have branch offices in Hydeville and Brandon.

The Brandon office covers your town. We have one R.N., one L.P.N. and an aide to provide service to your area.

Total direct bedside care visits that were provided to your community during 1974 are as follows:

Skilled Nursing Care	187	Home Health Aide	316
Physical Therapy	43	Speech Therapy	1

Many other visits for health teaching, guidance and evaluations of need were also made.

We welcome all suggestions to improve service to your community, so please feel free to contact us or come and visit our office to become better acquainted with our programs.

Thank you for your support in 1974 and we are looking forward to another busy year.

Respectfully submitted,

Evelyn Morgan, R.N.
Director

RUTLAND MENTAL HEALTH SERVICE, INC.

January 17, 1975

Town of Pittsford, Pittsford, Vermont 05763

Gentlemen:

In the year 1974, Rutland County placed a greater demand than ever before upon Rutland Mental Health Service for both direct and indirect services. It was also a year in which we upgraded existing programs to meet community expectations for quality.

The following direct service program changes affected your community: 1) further development of a quality outpatient counseling and evaluation program, 2) development of an expanded emergency service, 3) strengthening of hospital related services, and 4) expansion of our services to the developmentally disabled population.

In addition, we have continued our pre-school, youth and family activities program, aftercare program, acute day hospital, and the services to the retarded. Currently our agency-wide direct service caseload is about 1,200 persons with 15 to 25 new clients per week.

In regard to indirect services, Rutland Mental Health Service through contractual arrangements provides consultation and education services to most of the county schools, social service agencies, the Correctional Center, Probation and Parole, boarding and nursing homes, and early childhood programs. Consultative services are provided to the medical community, the clergy and other caregivers.

For the Town of Pittsford, the following has been provided:

Total number of persons served					
1974					
64					
Problem Areas					
Socialization problems		Psychosis		Developmentally Disabled	
48		2		14	
Admissions		Ages			
First	Re-admits	Child 0-17	Adults 18-60	61 & over	
55	11	10	47	7	
Income					
Welfare	50-99	100-149	150-199	200-299	Unknown
23	10	5	1	1	24

Other services we provide Pittsford include consultation services to pupil personnel staff and indirectly to teachers. Starting in January we will be offering inservice training for all teachers of the elementary grades about learning problems, teacher-child relationships, etc.

In addition, a Youth and Family Activity group meets weekly, for Pittsford young people.

Our costs, as elsewhere, have risen. Rutland Mental Health Service is striving to provide quality programs and at the same time maintain fiscal accountability. The employment of high caliber staff and the minimizing of administrative costs are our approach to maintaining this objective.

This year we are again requesting \$.50 per person as a suggested guide. Your support is essential to the continued ability of Rutland Mental Health Services to offer comprehensive services to the towns of Rutland County.

Respectfully submitted,

GILBERT D. ALIBER,
Executive Director

PITTSFORD HISTORICAL SOCIETY

The Pittsford Historical Society welcomes everyone to their meetings on the 3rd Sunday of each month.

The Society wishes to publicly recognize the efforts of the Town Selectmen in the repairing of the Depot Bridge. Covered Bridges are of increasing economic and historic value. The Historical Society sells stationery with two pictures of each of the Town's covered bridges for \$1.25 at Kamuda's Store, Joey's Beauty Shop, Mrs. Harold Haviland and the officers.

The historic Split Rock, scene of the capture of Betsey Cox, was the theme of the July 4th parade float, inspired by Mrs. Carl Linden.

Mr. and Mrs. John Rouleau have been investigating possibilities of getting a reprinting of Caverly's *Pittsford History*. The copies would probably run about \$20 each. This reprint can be accomplished only if enough people show interest in purchasing books. Please let the officers know if you would like to be on the tentative list.

The Historical Society maintains a museum in the basement of the Maclure Library, and can be visited by appointment through the Society's officers, preferably in the warmer months.

New projects consist of considering Bi-Centennial plans and the hopeful purchase of the Hudson School — to be moved and converted to an Historical Museum. This latter project will need full community support to be successful.

Officers:

Robert Frett, President

Lillian Hier, Vice-President

Harold Phillips, Treasurer

Mrs. Harley Smith, Recording Secretary

Mrs. Robert Hughes, Corresponding Sec't.

THE PITTSFORD JAYCEES

The Pittsford Jaycees wish to extend their deep appreciation for the friendship and support of the people in the Town of Pittsford. You have helped make 1974 our best year yet.

We are a group of young men in the area who gather and work in the community interest. We have increased our membership this year to 35 and expect to grow even more.

Following is a partial listing of the projects we have worked on or are presently working on.

We purchased a new flagpole for the town hall, and with the help of the Boy Scouts we constructed a new base upon which to erect the new pole.

In December we hosted a talent show at Otter Valley for local youth.

This winter the Jaycees are in charge of the ice rink at the recreation area.

In the works is the planning and construction of a combined tennis-basketball area at the Carter Recreation Area. Also planned is the construction and placement of town signs at the main entrance routes of Pittsford. And again this year we will host several teen dances at the Town Hall.

With the co-sponsorship of the Greater Rutland Jaycees, we will host the annual meeting of the Vermont Jaycees at Killington in the Spring.

And of course as every year the Pittsford Jaycees under the able leadership of Tom Conway will conduct various projects for the mentally handicapped such as Special Olympics and Hope Candle sales.

Again we thank you for your support this year and ask for your continued support to help us make 1975 an even better year.

Respectfully submitted,

THOMAS R. BOWE,
Secretary Pittsford Jaycees

MACLURE LIBRARY REPORT

As Librarian for the Maclure I submit the following report for the year of 1974.

The library is grateful for gifts and its collection has been enriched greatly by many fine donations of books, periodicals and other material.

The library gratefully acknowledges gifts of books and magazines from the following:

Mrs. Christine Frost	Mrs. Hilton Barnard
Miss Robin Carter	Mr. Howard Cady
Mrs. Valeo & Family	Otter Valley Year Book Staff
Mrs. Martin Sanderson Jr.	Vermont Historical Society
Miss Alice Wimet	Mrs. Jean Newton
Mrs. Cassis Sweet	Mrs. Frederick Reynolds
Mrs. A. L. Dunphy	Mrs. Jean Davies
Mrs. Lawrence Arnold	Mrs. Donald Rantanen
Mrs. Minnie Cadwell	Mrs. Kengott
Mrs. Wilbur Matson	Mr. & Mrs. William Hamilton
Mrs. Verna Harvey	Ms. Nancy H. Gilbert
Mr. & Mrs. John Cadwell	Mrs. Rose Keith
Michael Reynolds	Mrs. Caroline O'Handley
Housekeepers Club Fund	Mr. Dan Burditt Memorial Fund
Miss Elinor Pike	Mrs. Margaret Pike Memorial Fund
Margaret Barlett	Miss Louise Willis Memorial Fund
Mr. Julius Zauchinger	Mr. Edward Willis Memorial Fund
Senator Robert Stafford	Mrs. P. H. Jenkins
Mr. Fred Rathjen	Mr. & Mrs. Emil Hammond
Mr. & Mrs. Frank Phillips	Mrs. Isabelle Hasbrouck
Mr. Harold Blaisdell	Brandon & Pittsford Rotary Club

The year 1974 has been an eventful one for the Maclure Library. In January we had our first get-together with Jean Davies showing us how to cook over an open fire. In February Mr. Roger Offen talked on Banking and the Stock Market. The get-togethers were small ones but enjoyed by those who came.

In March the library exhibited an Art Show done by the Otter Valley Art Students and set up by Mrs. Truelson the Art Teacher. The art work was on exhibit for 2 weeks.

We held an Open House in April as part of our observance for National Library Week. Mrs. Rilla Kitson, our local Historian spoke on her remembrances of her past life and the library. Harold Blaisdell our local Author spoke about what it is like to be an Author and how he went about becoming one. Refreshments were served.

In May of this year I taught Library Skills on Friday afternoons to the 6th grades. The 6th grade is divided into 2 sections. I alternated each section every other week for 6 weeks. There were approximately 20 children in each grade. I briefed them on the general use of the Library and showed them how to use the card catalog.

The childrens summer reading program was held again this year. In charge of the reading program was Marie Seton Hamilton and I showed the films. The program started July 17 and ended August 21. Mrs. Hamilton read 2 stories each week with a question and answering period after, pertaining to the story she had just read. The children enjoyed this very much. I would then show the films. Lemonade and cookies were served to the children each week. 28 children participated in the reading program with 20 of them receiving merit badges for completing the program.

In July the library held another Art Show with local Artists participating. It was a good show and very well attended. This is going to be an annual event every year for the library.

October 12 & 13 the library tried something different and we held a Craft Sale. It was very successful. 12 craftsmen participated in a show and sale of their creative specialties. The library received 20% of each craftsman sales. We plan to make this an annual affair also.

We are still participating in the Physically and Visually Handicapped Program and urge this program's importance to be made known to the public.

I would like to express my appreciation for the assistance rendered the library and myself to the following:

Mrs. Peter Terwilliger, Mrs. William Hamilton for their help in selecting books from the Regional Library. To Mrs. Dunphy for her many errands that she has done for the library and myself. To Marie Seton Hamilton for reading at the story hours and to the book commttee: Mrs. Caroline O'Handley Chairman, Mrs. A. L. Dunphy, Miss Alice Wimett, Mrs. Rachel Mills, Mrs. Joyce Meade, Mrs. Verna Harvey, Mrs. Joephy Sposta, Mrs. Chris Cady, Mrs. Anne Hammond, and Mr. Robert Harnish.

I would like to also thank Alice Wimett for her gift of Bookmarks for the library. They have been very useful and much appreciated.

Mrs. Rantanen and I weeded and cleaned all the Adult Non-fiction books and rearranged them all. We are still in the process of weeding and taking inventory of the Adult Fiction.

It is very time consuming. We will have a job well done when finished.

The Girl Scouts have joined us. They are using one of the rooms in the basement and have fixed it up quite nicely. The Jaycee's still meet every other Wednesday upstairs and several organizations have used the library for their meetings. I think you'll find even tho there is a slight drop in circulation the library is still providing other varied services to the towns people as well as its educational facilities.

Mrs. Rantanen, Mrs. Hammond and myself attended the Vermont Library Assoc. Meeting held at the Brandon Library in October. It was a meeting of all the Southern Libraries of the State.

Respectfully submitted,

JULIA REYNOLDS
Librarian

MACLURE LIBRARY ASSOCIATION

1974 FINANCIAL STATEMENT

JANUARY 1, 1975

CHECKING ACCOUNT:

Balance, Jan. 1, 1974	\$ 312.34
Income:	
Trust	\$12,573.04
Pittsford Tax Transfer	2,500.00
Sale of Crafts	936.99
Misc.	712.49

Savings:

Savings Account	\$ 453.05
-----------------	-----------

Balance, 31 Dec. 74 — Total	\$ 5,423.59
Check Books & Saving Acct.	

Received final payment on stock of Pittsford Aqueduct for \$22,171.29 making a total of \$58,546.29 invested in Trust in the Proctor Trust Co.

Received \$5,000.00 from Estate of D. D. Burditt Jr. placed in Trust in the Rutland Savings Bank.

Received notice of the Estate of Ruth Morgan Hosley being left to Maclure Library. Mrs. Hosley lived in Los Angeles California. Net amount of estate is unknown. Christopher A. Webber Jr. of Webber and Costello is handling same.

To Whom It May Concern:

I have audited the Accounts of the Treasurer of the Maclure Library Association to the best of my ability and find them correct as stated.

DOROTHEA J. PARKER

PITTSFORD LIONS CLUB

We Serve

We are once again glad to make our report to the citizens of Pittsford of our past years activities. We are members of the largest service organization in the world and try to do our little part.

We again plan for the best 4th of July program that we ever have put on. The co-chairman for this event are Rodney Drown and Matt Dedrikson. All the financial gain from this is returned to the Towns Recreation Area.

All other money spent is divided in the Towns of Brandon — Pittsford — Proctor and spent as follows:

1. 4th of July Funds at Recreation Area.
2. Sponsor local Boy Scout and Cub Pack.
3. Send students to Conservation Camp.
4. Eye examination and glasses.
5. Artist in Residence at Otter Valley.
6. Skating program at the Recreation Area.
7. 5th Annual Halloween Party.
8. Toys for Brandon Training School.
9. Sponsor Lions Health Van in area.
10. Hunters Firearm Safety Training Program to be sponsored by the Club.

Again as Lions we thank you for your support.

When Lions hear that something can't be done their reaction is when do we begin.

Not above you, not beneath you but always with you.

Respectfully submitted.

RONALD SPAKOSKI, Secretary

**GRAND LIST AND
LISTED VALUE REAL AND PERSONAL PROPERTY
1974**

GRAND LIST	\$ 61,201.83
Real Property	\$ 56,556.62
Personal Property	2,857.21
Total Real & Personal Property	\$ 59,413.83
Polls (1192 @ \$1.50)	1,788.00
Total Grand List	\$ 61,201.83

LISTERS FOR 1974

Charles P. Cecot, Jr. (1975) Harold Phillips (1975)
Paul Wheeler (1976)
Published by Authority of the Town 1960

NOTES:

- Grand List and Tax Rate:** The Town Grand List consists of the Property List and the Poll List. At March Meeting, the money necessary to support the Towns and Schools is voted. The Tax Rate is then determined by dividing the total sum appropriated at March Meeting by the Total of the Grand List.
- Property List:** The figures shown on the property list which follows, represent 50% of the Fair Market Value of the real and personal property as changed by the listers as of April 1, 1974. This figure is entered on the Grand List at 1/100th of the amount shown.
- Property Tax:** The property tax of individuals and corporations is determined by multiplying their Grand List Amount by the Tax Rate.
- Poll List:** Each individual is entered on the poll list and the Grand List at \$1.50.
- Poll Tax:** Poll Tax thus amount to 1½ times the Town Tax Rate plus the State Old Age Assistance Tax of \$5.00 assessed on each poll.

Listers must have full name and date of birth of each person 18 years of age.

All persons 65 years of age by April 1st, 1975, are exempt from Poll Tax.

Property tax relief schedule for Vermont senior citizens age 65 are available.

MEMORIAL DAY

For many years a Committee appointed with the approval of the Selectmen, has conducted Memorial Day Exercises in the Town to honor those who have participated in defending the United States, by service in our Armed Forces.

In recent years the exercises have consisted of exercises in Evergreen and Saint Alphonsus Cemeteries, a parade and flag raising exercises at the Town Hall.

If any of the Citizens of the Town have suggestions to offer to improve the exercises to more fully emphasize the significance of the day, please leave your suggestions with the Town Clerk, prior to May 1st.

The Veterans of World War II have furnished the Color Guard and the bulk of the firing squads for a number of years. The shooting in World War II stopped over twenty-five years ago. THE PARTICIPATION OF YOUNGER VETERANS IN THESE ACTIVITIES WOULD BE WELCOME. IN ADDITION THE PARTICIPATION OF ALL VETERANS IN THE CEREMONIES IS WELCOME. If you would like to be included please leave your name with the Town Clerk prior to May 1st.

In 1974 with the cooperation of the Boy Scout Troop the practice of placing a small American Flag on the Graves of all veterans was continued.

THE MEMORIAL DAY COMMITTEE.

MUNICIPAL FOREST

The article concerning Municipal Forests is not included in this year's warning. The State Department of Forests and Parks has approved as Municipal Forest the land in Chittenden acquired from the Pittsford Aqueduct Company and the former Osborne property on the Sugar Hollow Road.

PITTSFORD JOINT PLANNING COMMISSION REPORT

Required hearings were held on Proposed Zoning Regulations for the Village. The Regulations were adopted by the Village Trustees on January 13, 1975.

The Town Zoning Regulations have been revised, hearings are underway, and voting on them will take place at Town Meeting. The revisions have updated the format, clarified some points, and have incorporated the Town Sign Ordinance. A favorable vote for the revised Regulations will facilitate the administration of Zoning in the Town.

We acknowledge with thanks the outstanding job done by our Secretary, Mrs. Dorothea Parker.

REPORT ON REGIONAL PLANNING

It is with pleasure that we submit the following report on the progress and achievements of the Rutland Regional Planning Commission during 1974.

1974 marked a significant turning point in the direction of the Commission. As in the past the Commission continued to provide assistance to member communities in the preparation and adoption of comprehensive plans and zoning regulations. The Commission took a more active role in this activity to improve the quality of by-laws and related documents and make planning truly responsive to the needs of each community. In addition, the Commission adopted the position that in order to adequately serve the residents of the Rutland Region it must expand its services beyond the traditional land use planning and zoning activities. In this regard improved information services and technical assistance were made available to local planning commission's, local elected officials and the public through the following new programs:

1. **LEGAL SERVICE PROGRAM:** The Commission initiated a program whereby member communities could be reimbursed for a portion of the cost of professional legal services retained in connection with a planning or zoning matter.
2. **TRANSPORTATION PLANNING:** Work was begun which could ultimately lead to the creation of a county-wide public transportation system serving both rural and settled areas.
3. **DRAFTING SERVICES:** The services of an experienced draftsman were retained to assist local planning commissions in the preparation of town plans and maps. Drafting services were made available to all member communities.
4. **INDUSTRIAL DEVELOPMENT:** In keeping with the Commission's number one priority for 1974, assistance was provided several member communities in organizing local industrial development efforts. The goal of this program is to improve the regional economy by creating additional employment opportunities.
5. **HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974:** Member communities were informed of the major provisions of the Act. Several are being assisted in preparing grant applications for community facilities eligible for federal funding.

6. **FLOOD INSURANCE:** The Commission kept member communities aware of changing flood insurance guidelines, the benefits of the program, and the status of individual applications. Assistance was provided to those communities applying for eligibility.

In addition, the Commission (1) conducted a series of well attended workshops on zoning administration and V.S.A. Title 24, Chapter 91; (2) began providing assistance in the area of capital budgeting and capital improvements programming to local officials, and (3) became involved in a new approach to environmental planning that can improve the effectiveness of zoning by-laws and local response to Act 250 applications. During the year special emphasis was placed on economic planning and development to improve the regional job market and capital programming to provide local officials with improved budgeting capabilities.

This has been a very active year for the Commission — perhaps the busiest since its formation back in 1968. The emphasis has been and will continue to be on providing technical assistance and up-to-date information to elected officials and planning commissions so that sound decisions can be made at the local level.

PITTSFORD RECREATION AREA

The Pittsford Recreation Area Committee at this time would like to thank Mrs. Robert Proctor for the playground equipment that she donated. Part of it has been installed and the rest will be set up in the spring.

Ice skating has been very popular the last two seasons. We have purchased a sno-blower and a pump so that the pond can be kept clean and flooded. The Jaycees have volunteered to supervise this operation but the local boys and girls must be thanked for their help too as they have been doing a fine job with the push shovels and bringing their own pump to help with the flooding.

High on the agenda for the coming year is the rebuilding of the diving dock, draining and desilting of the pond and building of the tennis court.

To the many friends of the Pittsford Recreation Area we would like to thank you for your gifts.

Vandalism has increased greatly since Mr. Fred Busch was transferred. It is the responsibility of the users of the area to police it and if irregularities or vandalism are observed it should be reported to the proper authorities.

The swimming program was again successful w/swimming lessons, Red Cross life saving classes and daily lifeguarding.

We want to thank the people of Pittsford for supporting this area and request \$1,000. for the coming year.

Respectfully submitted,

Pittsford Recreation Area Committee

REPORT OF TRUSTEES OF PUBLIC FUNDS

The \$10,100. Emma Burditt Pinney Fund bequest is deposited in two Certificates of Deposit with Rutland Savings Bank, each earning $7\frac{1}{2}\%$ per annum and the 1974 earnings totaled \$989.18 which included \$249.44 from the increased value of the U.S. Government H Bond which was surrendered in January 1974. This income has been paid to the School District Treasurer under the terms of the bequest.

On December 27, 1974 the Rutland Probate Court decreed a major distribution of Dan Deming Burditt's estate in an order establishing a Trust for the Benefit of the Town of Pittsford and its School Districts. A copy of the portion of Mr. Burditt's last Will and Testament which describes verbatim this Trust is part of our report herewith. We have engaged the trust department of the Proctor Trust Company to assist us in investment management of this Trust. The bulk of distribution was in securities valued at the time of his death at approximately \$276,000. and as of January 17, 1975 the market value was \$236,885. together with a savings account of about \$21,000. We are awaiting instructions from the School Directors and Selectmen as to disbursements from this fund.

We believe that Mr. Burditt displayed extraordinary foresight in providing this fund in such a way as to benefit all of the taxpayers, residents and students of the Town of Pittsford.

LEWIS F. LATUCH

JOHN B. CADWELL

MARY BETH HUGHES

Trustees

January 22, 1975.

FROM THE LAST WILL & TESTAMENT OF
DAN D. BURDITT

NINTH: All of the rest, residue and remainder of my estate, real, personal or mixed, wherever situated, whereof I die seized or possessed, or of which I may by Will dispose or appoint, I give, devise and bequeath to the Trustee hereinafter named, for the uses and purposes and with the powers and duties as hereinafter set forth:

(a) TRUSTEE — I designate the Trustees of Public Funds of the Town of Pittsford, Vermont, to be the Trustee.

(b) PURPOSE — This trust is created for the purpose of assisting the Town of Pittsford and any School District or School Districts located therein, and any Union School District whereof the said Town of Pittsford or Pittsford Town School District shall be a part, to construct and maintain public schools. Without limiting the power of the Trustee to carry out the foregoing general purpose, I authorize the Trustee to expend, subject to the limitations as hereinafter set forth, the principal or income, or both, to enable or assist the said Town of Pittsford, any School District or Districts located therein or any Union School District whereof said Town of Pittsford or Pittsford Town School District shall be a part to acquire lands, interests in lands or buildings, to construct, remodel or repair public school buildings, structures or grounds used in connection therewith, or to retire wholly or in part, any indebtedness incurred by said Town of Pittsford, or any School District or Districts located therein, or any Union School District whereof said Town of Pittsford or Pittsford Town School District shall be a part. The disbursements for the purposes hereinbefore set forth shall be made by the Trustee upon the unanimous written request of those persons, from time to time, constituting the Board of Selectmen of the Town of Pittsford, and the Board of School Directors of the Pittsford Town School District.

(c) DURATION — This Trust shall continue until the Trust Fund and all income therefrom shall have been exhausted.

(d) POWERS — The Trustee shall have the following powers with respect to the Trust fund, exercisable from time to time, in its discretion and without order or license of Court; to retain, to invest and reinvest any stocks, shares, or obligations or other securities, including, without limitation any interest in, or obligation of any corporation, association, business trust or investment trust, or any kind of personal or real property, without being limited by any statute or rule of law or decision concerning investments or the character or amount of particular investments; and to refrain from registering securities and to hold

shares or other securities in bearer form or in the name of a nominee or nominees without indicating of a fiduciary capacity; and to keep in Vermont or elsewhere any or all funds, securities and property.

(e) **REPORTS** — The Trustee, within 30 days after the end of the fiscal year established by the Town of Pittsford, shall submit to the auditors of said Town a report containing such information as shall be required by law concerning Trust funds in which the Town is interested, and such report shall be published in the annual Town Report of the Town of Pittsford.

IN WITNESS WHEREOF I have hereunto set my hand and seal the 15th day of May, A.D. 1970.

DAN D. BURDITT

TOWN AGENT'S REPORT

The case of Peter Markowski vs. the Town and Town Zoning Board of Adjustment is still pending.

LEWIS F. LATUCH,
Town Agent.

If you are over 65 . . .

The Vermont Office on Aging reminds you of these valuable programs:

SUPPLEMENT SECURITY INCOME (SSI) — a new program under social security. Provides supplemental income for those with low-income and low assets. (Also available for blind or disabled people of any age). See the U.S. Social Security Administration or your local senior center or regional office on aging.

PROPERTY TAX/RENT TAX REFUND, SALES TAX REFUND — blanks mailed to many people or get them at your town clerk or bank. For assistance in applying, call your senior center or regional office on aging, apply before April 15th.

GREEN MOUNTAIN PASSPORT — provides FREE admission to state parks, historical sites, and many other benefits. A lifetime passport \$2 ask your town clerk.

YOU NOW HAVE A REGIONAL OFFICE ON AGING, ask them for information at:

Rutland Regional Office on Aging
27 Center Street, Rutland 775-0486

RETIRED SENIOR VOLUNTEER PROGRAM (RSVP) — provides opportunity for meaningful service in a variety of community projects. No out-of-pocket expenses. Transportation provided if necessary. For those 60 or older. Ask about RSVP at:

RUTLAND OPPORTUNITY COUNCIL, INC.**PITTSFORD TOWN REPORT**

During the period from August 15-December 31, 1974 the Rutland Opportunity Council worked with 34 Pittsford families (over 100 individuals). This work included: 79 direct services (transportation, and help with forms and applications, social service information and referral, personal needs); 75 home visits and 20 referrals to other agencies.

In the coming year our Social Service Coordinator for the area, Michele Pelland, will continue to meet the needs of the low-income, the elderly and other Pittsford residents with special needs. We will concentrate on providing direct services, developing community projects and programs and coordinating joint agency work.

ZONING

As a result of the experience of the past eight years the members of the Board of Adjustment concluded that some changes in the Town Zoning Regulations were desirable. An informal Committee consisting of the following initiated a study of the matter in September of 1974:

J. K. Mitchell — Member Board of Adjustment

Warren Case — Member Board of Adjustment and Member of Joint Planning Commission.

Lewis Zakrzewski — Member Board of Adjustment

John Reed — Zoning Administrative Officer

Shortly thereafter the Chairman of the Joint Planning Commission was informed of the project and established the above Committee as an agency of the Joint Planning Commission to draft proposed Amendments or Revisions.

The State Agency of Development and Community Affairs had furnished the Joint Planning Commission and the Board of Adjustment with a new format for Zoning Regulations which appeared to be a marked improvement of that which the State recommended in 1966.

The Joint Planning Commission was in the process of drafting Proposed Zoning Regulations for the Village of Pittsford. Therefore, in the interest of avoiding confusion in the event that Village Zoning Regulations were finally adopted, the above Committee decided to revise the Town Regulations in accord with the new format.

The Proposed Revision was accepted by the Joint Planning Commission as the basis for a Public Hearing to be held on December 30, 1974. This hearing was duly advertised and held. The Joint Planning Commission that night turned the Proposed Revision over to the Board of Selectmen for their action as required by Statute.

The Board of Selectmen requested the informal Committee above to continue in action to incorporate any further Revision which seemed desirable and report to the Selectmen on Jan. 13, 1975.

The final Revision was submitted for the approval of the Board of Selectmen and will be voted on by Australian Ballot at Town Meeting this year.

A brief summary of the major changes follows:

1. Complete re-arrangement and numbering of Divisions and Sub-Divisions to conform to the newly recommended format.

2. Group Service and Commercial uses, formerly Permitted Uses, made Conditional Uses. For all practical purposes it is not feasible to divide the Town into separate districts for various uses. The Town is primarily Residential and Agricultural. These Uses are permitted. All concerned are in agreement that residential occupants and farmers are at least entitled to be heard by the Board of Adjustment before a Group Service or Commercial Use is authorized adjoining their property.

3. The Regulations governing Agricultural Uses have been made more specific with respect to setback, side and rear yards to conform to Residential Requirements, with some exceptions.

4. Certification of Compliance by the Administrative Officer has been added. Experience has shown that some persons have been careless in carefully observing the terms of their permits as submitted. Once a building or structure has been erected it is practically impossible to get it changed.

5. The Ordinance to control signs, originally adopted in 1953 under the old Zoning Enabling Act has been consolidated with the Zoning Regulations.

6. General Clarification of the Regulations to conform to the Requirements of Chapter 91, of Title 24, V.S.A. as amended.

71 Zoning Permits have been approved in 1974.

Two cases came before the Board of Adjustment in 1974, as follows:

Application to subdivide the Ideal Motel Property — Approved.

Appeal of Rays Mobile Homes, Licursi Realty, to establish a 104 unit mobile home park on U.S. No. 7, adjacent to the Edward Wheeler property: denial of permit by the Administrative Officer upheld by the Board of Adjustment. Decision of Board of Adjustment accepted by appellant.

Re-hearing of the application to establish a sanitary landfill north of the village of Florence by Peter Markowski was completed in 1973. Transcript of the Hearing was not received until the spring of 1974. Based on the record of the Hearing the Board of Adjustment found that the Applicant was not entitled to a Special Exception under Section 8A of the Zoning Ordinance (1966). Therefore the Application was denied by the Board on May 11, 1974. Transcript, Findings of Fact, Conclusion of Law and Order was promptly forwarded to the Superior Court as ordered by the Court.

The Town Attorney informs us that all parties to the matter have agreed to accept the transcript as the basis for Court Action.

The matter is now under review in Superior Court to determine whether, on the basis of the transcript, the Board of Adjustment's Findings, Conclusion and Order are in compliance with the Law and the Ordinance.

The Proposed Revision of the Zoning Regulations, we believe, is an improvement over the existing Regulations. We solicit your support for the Revision.

The Planning Commission with the approval of the Board of Selectmen has appointed Mr. Robert Frett as Acting Administrative Officer to act in the absence of the Administrative Officer, as authorized by the Statutes.

It may be desirable or possibly mandatory to revise our Flood Plain Zoning in the coming spring to make sure that our Regulations meet fully the requirements of Federal and State Law so that Pittsford can qualify for flood insurance (see "The Federal Flood Insurance Program" in the Selectmen Report).

As the report is going to press, members of the Board of Adjustment have become aware of the death of our Administrative Officer, Mr. John C. Reed, at the Veterans Hospital in White River Junction, February 1, 1975.

In Mr. Reed's untimely passing the Town has lost the services of a very capable, conscientious and fair minded public official.

Mr. Reed brought to his position a thorough knowledge of the Town and its problems and a sympathetic understanding of the objectives of Zoning. He exercised intelligence, good judgment and good old fashioned common sense in the interpretation and application of the regulations.

His services will be missed!

WARREN D. CASE

PITTSFORD TOWN SCHOOL DISTRICT
PITTSFORD, VERMONT

We hereby submit the report of the School Directors and the Superintendent of Schools for the 1973-74 academic year.

Finances

Never before have we known as little about the economic future at the time that we have to prepare our budget. For the first time our teachers have chosen to negotiate formally under the statutes of the State of Vermont, a new experience for them and for us. This has taken longer than usual and we do not have an agreement with them as we have given tentative approval to a budget for your consideration. State revenues have been falling. While the Governor is expected to request of the legislature an amount exactly equal in dollars to this year's appropriation for general state aid, he is also talking of changing the distribution formula. We have no idea how this might affect the Pittsford Town School District. It has been very difficult to project the costs of various forms of energy and the costs of services and materials. We trust that you understand the budgeting problems facing us.

We would like to recess the annual meeting of the Pittsford Town School District to the first Tuesday in May. By that time we will have completed our negotiations with our teachers. The legislature will have adjourned. We will be closer to the end of our current fiscal year and be in a better position to estimate a cash position for the close of the year. We encourage your favorable vote on this Article so that we might present a modified budget at the recessed meeting based upon more complete information.

The Vermont Municipal Employees Retirement System was created by the last session of the legislature. Employees of the various municipalities in the State will automatically be eligible for participation beginning July 1st, 1975 UNLESS the municipality votes to deny them this option. The retirement system is designed to supplement other retirement programs such as Social Security and provide coverage for the non-professional staff similar to that available to the Vermont State Employees and the Vermont Teachers through their respective retirement systems. The employee must have worked for the municipality for three years and must work at least thirty-five hours a week for five months of the year. Until the first annual audit of the retirement system the employee's contribution is three percent and the employer's contribution is four and two-tenths percent. For those joining in the first year the State will buy up to twenty years of prior service at no cost to the municipality. After the first year there is no buy back provision. We are studying this

proposition and may be in a position to make a recommendation at the annual meeting.

Pittsford's enrollment at Otter Valley has been increasing while it has been decreasing at the Lothrop School. We allocate estimated state aid based upon the relative pupil enrollment between the two schools. This has resulted in a reduction of six thousand six hundred seventy-six dollars in estimated aid for the elementary program, even though our best projection right now is for the same amount in total aid as last year.

Budgeting has been further complicated by having to make up for a nine thousand dollar cash balance which was available for this year but not next. We expect to have a deficit at the end of the current year in the amount of eight thousand six hundred seventy-seven dollars. This can be attributed to the unexpected purchase of a school bus in the amount of twelve thousand two hundred dollars. We are planning to finance the deficit ourselves budgeting to pay off one-fifth of the remaining balance each year until it is retired.

The total increase in the budget as printed for the support of the Lothrop School is eight thousand two hundred sixteen dollars and ninety cents. This is an increase of less than three percent when inflation is driving our costs up at much greater rates. Obviously, the existing programs are being funded at levels less than last year. We have tried to avoid cutting programs. Even though we are presenting what we consider to be an austerity budget, the amount to be raised by taxes is increased twenty thousand nine hundred seventy-six dollars and three cents, or fourteen and one-tenth percent.

Curriculum

The curriculum has remained unchanged. The program is becoming increasingly individualized with teachers looking at each individual child, assessing his development and laying out an educational program designed to bring him as far and as fast as possible.

The program operates from a self-contained graded classroom model with some team teaching and cooperative planning by teachers at the upper grade levels. The teachers are supported by specialists in Art, Music, Physical Education, Guidance, Librarian, Nurse, Learning Disabilities Specialists and Special Education personnel. The program is quite complete, strong but of a basic nature without the frills of wealthier school districts.

Staff

We welcomed Mrs. Sue Wilcox to our staff as a replacement for Mrs. Jean Rogers. Mrs. Wilcox is a graduate of Middlebury College and has taught in Middlebury Elementary school and schools in California.

Miss Laurie Binder joined our staff as an Art teacher. She graduated this past year from New York University in New York City. Miss Binder replaced Miss Ann Cady.

Mr. Earl Rider retired after many years of driving school bus. He has been replaced by Mr. Glenn Delpha. The route covered by Mr. Rider is one of our more difficult routes. We appreciate his years of service.

Mr. John Bissitte of Rutland replaced Mr. Don Gallipo as our second custodian.

A word of appreciation is due Mr. Richard Platt. Our tractor mower has been laid up for nearly a year. Mr. Platt, our head custodian, has loaned us his machine and suffered the inconvenience of having to move it back and forth.

The Lothrop School is blessed with having a truly dedicated staff who give their all to serving the children under their care. The people who work in our schools are the most important resources we can make available in educating our youth.

Plant

Our regular maintenance program has been continued. No major alterations or repairs have had to be made. However, as this goes to press we have encountered some difficulty with one of our oil burners and boilers. The extent of the problem is not yet known.

General

Pittsford was most fortunate in having Mr. Dan Burditt as one of its most respected residents. He served the community in many ways during his lifetime. We will continue to benefit as the residue of his estate has been left to construct and maintain schools for so long as a residue remains. The principal and interest can be applied to projects which have the unanimous written consent of the individuals serving as School Directors and Selectmen. We have only recently become aware of the terms of this bequest and have had little time to plan on making use of the available resources.

We appreciate the support of the community and encourage your participation in our meetings. We meet regularly at 7:30 P.M. in the Lothrop School on the first Tuesday of each month. Education is best served when everyone makes the effort to become a part of the system and make their contribution.

Respectfully submitted,

MR. PETER TERWILLIGER, Chairman

MRS. LINDA PUNDERSON, Clerk

OTTER VALLEY ASSESSMENT

The Otter Valley Union High School Board of School Directors is submitting to the voters of the Otter Valley Union High School District a budget in the amount of \$1,139,451.68 of which Pittsford's assessment would amount to \$352,203.04. Pittsford's enrollment at Otter Valley Union High School on November 15, 1974 was 297 out of 874 resident students representing 33.981% of the total. Comparable figures are as follows:

	1974-75	Proposed 1975-76
Total Assessed	\$1,001,786.06	\$1,036,449.14

--------------	--------------

PITTSFORD TOWN SCHOOL DISTRICT

PITTSFORD, VERMONT

PROPOSED BUDGET 1975-1976

INCOME BUDGET:

	1974-1975	1975-1976
TAXES:	\$149,199.37	\$170,169.40

This includes the local tax requirements for the Lothrop School and Pittsford's share of Barstow. It does not include tax requirements for Pittsford's share of Otter Valley.

STATE AID:	\$104,348.00	\$ 97,672.00
-------------------	---------------------	---------------------

This represents an allotment of the total estimated State Aid reserved for elementary education. An additional estimated allotment of \$102,836.00 is reserved for a share of Pittsford's Otter Valley Assessment.

RENTAL OF BUILDING:	\$2 860.00	\$ 4,290.00
----------------------------	-------------------	--------------------

Pittsford School District is paid this amount of money for the use of their facilities for special education classes. Increase is due to the use of an additional classroom.

INTEREST ON INVESTMENTS:	\$ 1,000.00	\$ 1,000.00
---------------------------------	--------------------	--------------------

Any funds not immediately needed for the operation of the school are invested in Savings Accounts. Certificates of Deposit and Treasury Bills to the best advantage of the school district.

PINNEY FUND:	\$ 525.00	\$ 600.00
---------------------	------------------	------------------

Income from the Emma Burditt Pinney Trust Fund is used for support of the school.

STATE AID ON DEBT SERVICE:	\$ 1,238.00	\$ 1,238.00
-----------------------------------	--------------------	--------------------

The State pays 20% of the school district's payments on principal and interest.

HOT LUNCH REFUND:	\$ 9,211.58	\$ 10,629.45
--------------------------	--------------------	---------------------

Salaries of Hot Lunch employees are paid by the school district and refunded by the Hot Lunch Fund including the employee's share of Social Security.

UNEXPENDED BALANCE	\$	9,000.00	_____
--------------------	----	----------	-------

Due to the purchase of a new school bus there will not be an unexpended balance in 1975-76.

MISCELLANEOUS INCOME:	\$	600.00	\$	600.00
-----------------------	----	--------	----	--------

Each year through a variety of sources the district receives small amounts of income.

TOTAL INCOME		<u>\$277,981.95</u>	<u>\$286,198.85</u>
--------------	--	---------------------	---------------------

DISBURSEMENT BUDGET

ADMINISTRATION:

Salaries	\$	6,900.18	\$	7,387.42
Contracted				
Services		315.00		315.00
Other		3,935.44		4,146.95
		<u> </u>		<u> </u>
	\$	11,150.62	\$	11,849.37

This account covers the direct expenses of the Board of School Directors and the Office of the Superintendent of Schools. Salaries of School Officials such as directors, treasurer, clerk and Superintendent as well as employees such as the Administrative Assist. and clerical help in the Superintendent's office are paid from this account.

INSTRUCTION:

Salaries	\$146,489.98	\$152,071.42
Supplies	15,973.18	15,292.66
	<u> </u>	<u> </u>
	\$162,462.66	\$167,364.08

Included in this account are the salaries of all teachers, principals, secretaries and instructional aides as well as supplies required for instruction such as textbooks, paper, pencils, magazines, audio-visual aides and library books.

ATTEND. SERVICES	\$	50.00	\$	50.00	
Expenses for truant officers					50.00
HEALTH SERVICES	\$	1,246.54	\$	1,281.13	\$ 1,281.13

Salary of Nurse—Expenses of Nurse's travel and supplies for health program. Physical exams for staff.

PUPIL TRANSPORTATION SERVICES

Salaries	\$	1,754.36	\$	4,201.55	
Contracted					
Services		12,272.40		6,260.00	
Expenses		2,110.00		3,500.00	
			\$	16,136.76	\$ 13,961.55

This year the Pittsford Town School District is operating 2 of their own buses and has only one private carrier. This accounts for the change in salaries and a decrease in the Account.

OPERATION OF PLANT

Salaries	\$	13,196.00	\$	13,670.40	
Contracted					
Services		200.00		200.00	
Utilities & Supplies		16,280.00		16,555.00	
			\$	29,676.00	\$ 30,425.40

The costs in this Account other than salaries, reflect the costs of heating fuel, electricity, water and sewer rent, and supplies.

MAINTENANCE OF PLANT

Contracted					
Services	\$	4,175.00	\$	4,300.00	
Replacement of					
Equipment		300.00		1,065.00	
Other		1,200.00		200.00	
			\$	5,675.00	\$ 5,565.00

Costs of painters, plumbers, electricians, carpenters and other journeymen are charged to this account. There is approximately \$1,000.00 set aside in this Account to correct violations of the Vermont Occupational Safety and Health Act.

FIXED

CHARGES \$ 7,663.54 \$ 7,663.54 \$ 10,464.59 \$ 10,464.59

This account allows for the payment of employees retirement, Social Security and Property Insurance. This year this Account includes \$1,200.00 for interest on short term borrowing necessitated by the lack of a cash balance for the coming year.

FOOD

SERVICES	\$ 9,206.60		\$ 10,042.00
	<hr/>		<hr/>
	\$ 9,206.60		\$ 10,042.00

This Account provides for salaries of the Hot Lunch Workers. The increase costs are due to the new minimum wage.

CAPITAL

OUTLAY	\$ 2,607.00		\$ 1,050.00
	<hr/>		<hr/>
	\$ 2,607.00		\$ 1,050.00

Remodeling & equipment are charged to this Account. In an effort to keep the budget as low as possible this account has been reduced by approx. \$1,500.00.

DEBT

SERVICE	\$ 6,190.00		\$ 7,833.49
	<hr/>		<hr/>
	\$ 6,190.00		\$ 7,833.49

Principal and interest payments on the Lothrop addition are charged to this Account. This year an additional amount of \$1,800.00 has been added in order to partially pay off the current debt, over a five year period, incurred by the purchase a new school bus and a reduction in State Aid.

OUTGOING

TRANSFER

ACCOUNT \$ 25,917.23

\$ 26,312.24

\$ 25,917.23

\$ 26,312.24

Charges to educate Pittsford children elsewhere. Barstow Assessment and State of Vermont Special Education.

TOTAL EXPENDITURES \$277,981.95

\$286,198.85

P. F. JURGS & COMPANY
PUBLIC ACCOUNTANTS

August 23, 1974

To The Board Of Directors Of
Pittsford Town School District

We have examined the Receipts and Disbursements of the General, Hot Lunch and Title I — Project No. 73-014 EAF“B” Funds of the Pittsford Town School District for the year ended June 30, 1974. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary under the circumstances.

The scope of our examination did not include the audit of the Balance Sheets as of June 30, 1974 and, therefore, the Balance Sheets and Analysis of Changes in Fund Balance Statements for the aforementioned funds are not included in our report. The following statements have been prepared on the Cash Receipts and Disbursements method of accounting rather than the more generally accepted modified accrual basis of accounting.

In our opinion, the accompanying statements fairly present the Receipts and Disbursements of the aforementioned funds for the year ended June 30, 1974.

P. F. JURGS & COMPANY
PUBLIC ACCOUNTANTS

September 3, 1974

Mr. Lloyd A. Kelley, Jr., Superintendent,
Pittsford Town School District,
Brandon, Vermont

Dear Mr. Kelley:

In accordance with your instruction, we have made an examination of the Books of Accounts and Records of the Title I, Project No. 73-014 EAF"B" of the Pittsford Town School District for the year ended June 30, 1974. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and it includes such tests of accounting records and such procedures as we considered necessary. Our audit was performed in compliance with the Federal and State guidelines.

In our opinion, the accompanying statements present fairly the Statement of Funds, Cash Revenues and Expenditures, and Unpaid Obligations at June 30, 1974, in conformity with generally accepted accounting principles.

PITTSFORD SANITARY LAND FILL**Hours****WINTER (November 1st to March 31st)**

Monday	Closed
Wednesday	5:00 P.M. to 7:00 P.M.
Saturday	10:00 A.M. to 4:00 P.M.

SUMMER (April 1st to October 31st)

Monday	5:00 P.M. to 7:00 P.M.
Wednesday	5:00 P.M. to 7:00 P.M.
Saturday	10:00 A.M. to 4:00 P.M.

Rules

1. Will be closed all day on New Year's Day, Memorial Day, Independence Day — 4th of July, Labor Day, Veterans' Day, Thanksgiving and Christmas. Whenever these holidays fall on Monday or Wednesday the Sanitary Land Fill will be open the following day at the same hours.

2. An attendant will be on duty during the hours the Sanitary Land Fill is open. His instructions must be followed in placing refuse and in all other matters governing the use of the Sanitary Land Fill.

3. The following will not be accepted:

- A. Junk cars.
- B. Dead animals, or dead animal waste.
- C. Trees and Brush.
- D. Cesspool sludge.
- E. Loose paper. Papers must be in a secure container, or securely tied in bundles to be acceptable.
- F. All Vehicles, traveling through Pittsford Town or Village, carrying junk or garbage must be covered with a tarp or canvas of some kind.

4. Entry to the Sanitary Land Fill, except during regular hours is prohibited. Use of the Sanitary Land Fill is limited to residents of Pittsford. Entry permit may be obtained from the Town Clerk without charge.

On the opposite page is a reproduction of the second place award received by the Pittsford Town Report of December 31, 1973.

From time to time over the past 15 years the Town Report has received similar awards.

This year the auditors considered it appropriate to bring this to the attention of the citizens.

We understand that the Pittsford Town Report is judged with other towns having a population between 1700 and 2500.

While it is nice to receive recognition from others, the Town Report is published for the information of the citizens of Pittsford.

Any suggestions from any of you as to how you think the report can be improved will be welcomed by your auditors.

TOWN OF PITTSFORD**W A R N I N G**

The legal voters in the Town Meeting of the Town of Pittsford are hereby notified and warned to meet at the Lothrop School Gymnasium (formerly Town Hall) in said Town on March 1st, 1976 at 7:30 O'clock in the afternoon to transact any business not involving voting by Australian Ballot or voting required by law to be by ballot and to be held on the first Tuesday in March. This meeting shall be adjourned to the following day, in order to vote on all matters required to be voted on by Australian Ballot, or to be voted by ballot and to be held on the first Tuesday in March.

The following matters will come before the meeting to wit:

1. To hear the reports of the Town Officers and take appropriate action thereon.

2. To see if the Town will authorize the expenditure of the amounts set forth in the General Account Budget for the support of the General Departments and services of the Town.

3. To see if the Town will authorize to be raised by taxation the sum of FIFTY-EIGHT THOUSAND TWO HUNDRED SEVENTY-FIVE DOLLARS (\$58,275.00) to provide funds for the support of the General Departments and Services of the Town for the period from January 1, 1976 to December 31, 1976.

4. To see if the Town will authorize the expenditure of the amounts set forth in the Highway Account Budget for the support of the highways.

5. To see if the Town will authorize to be raised by taxation the sum of NINETY-EIGHT THOUSAND NINE HUNDRED EIGHTY-THREE DOLLARS (\$98,983.00) to provide funds for the highway needs of the Town for the period from January 1, 1976 to December 31, 1976.

6. To see if the Town will vote to collect taxes on real estate and personal property in installments, 1/3 on July 10, 1/3 on September 10, and 1/3 on November 10. (Sect 4871, Title 32 V.S.A.)

7. To see if the Town will vote for the collection of taxes by the Treasurer. (Sect. 4791 Title 32 V.S.A.)

8. To see if the Town will authorize the Selectmen to borrow money for the temporary use of the Town (Sect. 1783, Title 24, V.S.A.)

9. To see if the Town will vote to reduce the number of Grand Jurors from three to two. Said vote to remain in effect until rescinded at a duly warned annual or special town meeting.

10. To see if the town will vote to exempt from poll taxes all active members of the Pittsford Volunteer Fire Department. (Sect. 3801, Title 32 V.S.A.) Said vote to remain in effect until rescinded at a duly warned annual or special town meeting.

11. To transact such other business as legally may come before said meeting at this time.

12. To see if the Town will adjourn this meeting until 12:00 Noon, March 2, 1976 to vote on the following matters only, to wit: To vote on articles 13 and 14 by Ballot. Polls open for all articles to be voted on by ballot at 12 O'clock Noon and close at 6:00 P.M.

13. To elect all necessary Town Officers for the ensuing term of office.

14. To cast ballots in the Presidential Preference Primary.

Selectmen:

PITTSFORD TOWN SCHOOL DISTRICT**W A R N I N G**

The legal voters of the Pittsford Town School District are hereby notified and warned to meet at the Lothrop School Gymnasium on March 1, 1976 at 7:30 o'clock in the afternoon to transact any business not involving voting by Australian Ballot. This meeting shall be adjourned to the following day in order to vote on all matters required to be voted on by Australian Ballot. The Polls will be open from 12 o'clock Noon until 6:00 P.M. to vote for the School District Officers.

Article 1 To hear and act upon the reports of the Town School District Officers.

Article 2 To have presented by the Board of School Directors of the Pittsford Town School District their estimate of expenses for the ensuing year and to appropriate such sum as it, the Pittsford Town School District deems necessary for said expenses together with the amount required to pay any balance left unpaid from the preceding year, expressing said sum in dollars in its vote.

Article 3 To authorize the Board of School Directors to borrow money in anticipation of taxes to meet the necessary expenses of the Pittsford Town School District.

Article 4 To see if the electors of the Pittsford Town School District will change the term of office of the two additional school directors from one to two years as provided for in 16 V.S.A. 423(b) and (c) such action to become effective with the annual meeting held in March 1977.

Article 5 To transact any other business proper to be done when met.

Article 6 To adjourn to Tuesday, March 2, 1976 between the hours of 12 o'clock Noon and 6:00 P.M. to elect by Australian Ballot the following officers:

- a) A moderator for the term of one year
- b) A school director for the term of three years
- c) A school director for a term of one year
- d) A school director for a term of one year
- e) A school director for the Otter Valley Union High School District No. 8 for a term of three years

AUDITORS REPORT

In accord with Sub Chapter 5, of Chapter 51, Title 24 of the Vermont Statutes Annotated, we have examined the Records and Accounts of the Town and Town School District as shown in Auditors Exhibits 1 through 13.

We have verified the existence of Stated Cash Balances and examined all Securities in the hands of the Town Treasurer.

To the best of our knowledge, Exhibits 1 through 13 represent the Financial Transactions of the Town for the Fiscal Year ending December 31, 1975 and Town School District for the Fiscal Year ending June 31, 1975.

BALANCE SHEETS: Neither the Town or Town School District maintain Balance Sheet Accounts. For several years the Auditors have been trying to devise a system for such accounts which would be relatively simple and require a minimum of bookkeeping. We have concluded that no such system can be devised. Balance Sheet Accounts, to be of any value, must be complete and accurate. The establishment of such accounts will require additional bookkeeping help at least on a part time basis. The improvisation of balance sheets by the Auditors at the close of the year is time consuming and of questionable accuracy. A retired professional Accountant residing in town has volunteered to assist the Auditors in reviewing the Accounting System with view to making necessary improvements.

TREASURER'S REPORT
STATEMENT OF TAXES RAISED
FISCAL YEAR ENDED DECEMBER 31, 1975

GRAND LIST:

Real Estate	(\$5,854,623.00 x 1%)	
Personal Estate	(408,895.00 x 1%)	
	\$ 58,546.23	
	4,088.95	
Total Property Grand List		\$ 62,635.18
Polls (1,216 x \$1.50)		1,824.00
1975 Grand List		\$ 64,459.18

TAXES TO BE RAISED:

Real Estate x Tax Rate	(\$58,546.23 x \$ 8.45)	*\$494,715.64
Personal Estate	(4,088.95 x 8.45)	34,551.63
Poll Taxes	(1,216 x 12.68)	15,418.88
Old Age Assistance	(1,216 x 5.00)	6,080.00
Sewer Service Charge	(251 units x 45.00)	11,295.00
TOTAL		\$562,061.15

TAXES ASSESSED AND BILLED:

Property	*\$529,267.74
Polls	15,418.88
Old Age Assistance	6,080.00
Sewer Service Charge — Taxable Real Estate	11,295.00
TOTAL TAXES BILLED	\$562,061.62

* This amount is in excess of the amount of the Grand List multiplied by the Tax Rate by \$.47 due to difference of excess mills collected over mills dropped in individual billings.

TAXES NOT BILLED BUT COLLECTED:

Nine unassessed Polls Paid	\$ 114.12
Nine unassessed O.A.A. Paid	45.00
TOTAL TAXES TO BE ACCOUNTED FOR	\$562,220.74

--------------------	-------------

Transferred to General Account	2,087.10
--------------------------------	----------

Account Balance, 31 December 1975	\$ 5.00
-----------------------------------	---------

* The Water Account of the Town Fund owes Town Clerk's Account \$10.00 due to bank error in charging a protested check of water account to town clerk's account.

FOOD STAMP PROGRAM

The Food Stamp Program begun in 1968 continued at this office for the year 1975. During the year \$24,201.00 was paid by recipients and they were issued stamps to the value of \$49,677.00. There were 1,463 individual transactions. Fifty-three reports were made to the Social Welfare Department in Montpelier.

PROPERTY TRANSFER TAX

A total of \$6,660.95 was remitted to the State Tax Department on the Property Transfer Tax collected by this office. This represents real estate sales of approximately \$1,332,192.00 in Pittsford during 1975.

AUDITOR'S NOTES:

The Food Stamp Account of the Town Clerk has been audited and found correct. This audit covered verification of the stamp books on hand at the beginning of the year, plus those received during the year, those sold during the year and balance of books on hand at the end of the year; also verification of cash transactions during the year.

Town Auditors Notes:

We have examined the Revenue Sharing Statement above. We have compared the Financial Data for the year ending December 31, 1974, included in Form F-21, Bureau of the Census, Dept. of Commerce, with the Audited Accounts shown in the Town Report of December 31, 1974 and found them correct.

We have reviewed compliance matters as prescribed in Section V, Paragraph D. of Audit Guide and Standards for Revenue Sharing Receipts, October 1, 1973. We have discovered no evidence of Non Compliance.

PUBLIC FUNDS

The Public Funds in the hands of the Trustees consist of Securities known as the Pinney Fund. The principal of the Fund is invested in one Certificate of Deposit in the Rutland Savings Bank in the amount of \$2,600.00 drawing interest at the rate of 7½% and an additional Certificate of Deposit in the amount of \$7,500.00 drawing interest at the rate of 7½%. The income from the Fund has been turned over to the Town School District in accord with conditions establishing the Funds.

In addition, the Trustees now have the Dan D. Burditt Fund. For a full report of this fund see the Report of the Trustees, Page 92.

The Proctor Trust Co. has certified that they hold the assets of the fund established under the Will of the late Dan D. Burditt, as reported by the Trustees of Public Funds.

TOWN SCHOOL DISTRICT**Year ending June 30, 1975**

The following balance sheet has been drafted by the Auditors from information available.

BALANCE SHEET**ASSETS:**

Cash in Hand, June 30, 1975	\$ 33,691.02
Receivables	None

TOTAL	\$ 33,691.02
--------------	---------------------

LIABILITIES AND FUND BALANCE

Tax Anticipation Notes	\$ 35,000.00
Fund Balance (Deficit)	(1,308.98)

TOTAL	\$ 33,691.02
--------------	---------------------

Under the provisions of Section 1523, Title 24, V.S.A. the Selectmen are required to add to the Town School District Tax a tax of 5% or such multiple of 5% as will provide sufficient revenue to liquidate such deficit, unless the Town School District votes a Special Tax to make up said deficit or unless said deficit has been refunded under the provisions of Chapter 53, Title 24, V.S.A.

DEBT SERVICE

Town School District Bonds: These Bonds were sold through the Montpelier National Bank, now the Bank with an interest rate of 4.3% payable on May 1st and November 1st of each year. Bonds are being reissued at the rate of \$5,000.00 per year. Bonds 1 through 75 have been retired as of June 30, 1975. Bonds 76 through 105 in the amount of \$30,000.00 are still outstanding.

Final payment is due May 1st, 1981.

AUDITORS NOTES: — Town School District Receipts

- 1 Budget voted Town School District Meeting March 1974.
- 2 Budget voted Town School District Meeting March 1975. This Budget was increased \$2,500.00 by vote of the Town School District at the Meeting.
- 3 Budget to be acted upon at Town School District Meeting 1976.
- 4 This figure does not include the Otter Valley Assessment. After the Otter Valley Union High School District approves the Budget, the local School District must raise by Taxation the Funds necessary to pay the assessment. The additional Taxation necessary is as follows:

Budget 1974-75	\$233,391.35
Budget 1975-76	249,477.52
Budget 1976-77	285,178.17 estimated
- 5 This figure includes \$27.14 Savings Account Interest
- 6 These figures have been consolidated in the P. F. Jurgs audit under Rents, School Facilities except for \$450.00 listed as "Elementary Transportation."
- 7 The figures shown in the Budget Columns represent the estimated reimbursement from the School Lunch Program for salaries and other expenses of the Lunch Program paid by the Town School District Treasury. Both the Town Auditors and P. F. Jurgs Auditors use this as an offset against the School Lunch Disbursements. Thus the amount shown in Disbursements under "Food Services" is the amount by which the School District has subsidized the Lunch Program for the current school year.
- 8 These two figures have been consolidated in the Jurgs Audit
- 9 These figures exceed those shown in the Jurgs Audit by \$105.21. This sum actually passed through the School District Accounts as receipts and disbursements, as a result of a bank error in charging checks to the wrong bank account. Consequently the Town Auditors decided to include these transactions in the accounts.

BALANCE: June 30, 1974	\$ 902.19	
June 30, 1975		\$ 99.03

NOTES: (1) This figure is the actual reimbursement to the Town School District Account for a portion of the School Lunch Payroll which is disbursed from the Town School District Fund. The Total School Lunch Payroll amounted to \$9,015.15. Thus the School Lunch Program was subsidized by the Town School District by the sum of \$2,365.75.

(2) This figure represents the difference between the amount found by the Town Auditors and the P. F. Jurgs Audit in the account for the year ending June 30, 1974. It is charge for printed checks which was not shown on the Lunch Program Books but was found when the Town Auditors examined the books for the year ending June 30, 1975.

BOOTH MEMORIAL FUND

During the School Year ending June 30, 1975, your Auditors became aware of the existence of the Booth Memorial School Fund. In so far as can be determined the existence of this Fund and its operations have never been included in the School Directors Report in the Town Report.

Examination of the Records in the Rutland Probate Court indicate that this Fund was established under the terms of the will of the late Georgia B. Booth, filed on October 10, 1930 and allowed on November 18, 1930.

The Major Provisions of the Bequest are as follows:

“— I give, devise and bequeath to the Clement National Bank, of the City of Rutland, Vermont, to be held **In Trust**, and known as the “Booth Memorial School Fund”, and kept safely and securely invested in such manner as will produce as large income as shall be consistent with safety and the income and interest arising therefrom used and expended toward the payment of the proper expenses of such worthy poor student or students, preferably residing in Pittsford, who may desire to obtain a Business or Normal School Education in schools or institutions located in Vermont, and who would not otherwise be able to obtain such education, such student and students to be selected and designated from time to time by the Principal of the High School and Chairman of the Board of School Directors of the Town of Pittsford.

The Trustee shall annually forthwith after the First Day of July in each year, certify to the Principal of the High School and Chairman of the Board of School Directors the amount of the Net Income available from the Fund and said Principal and Chairman may there upon from time to time draw their order and orders on account of such net income to be used toward the expense of the education of such student or students as shall have been selected and designated by them; —

“Said Principal and Chairman shall annually file with the Town Clerk of the Town of Pittsford a report and statement of the amount of income expended for each student;—”

The Clement National Bank has been merged into the First Vermont Bank and Trust Co.

The Town Auditors have received from the First Vermont Bank and Trust Co. statements covering the operation of the Trust from 1956 through August 1, 1975.

The Principal of the Trust as of August 1, 1975 amounted to \$14,202.48, Unexpended and unobligated interest income, as of August 1, 1975 amounted to \$23.48

Grant paid in July 1975 amounted to \$600.00

Examination of available records raises some question as to whether the Fund is being administered in accord with the terms of the Will.

Subsequent to the formation of the Otter Valley Union High School it seems to have been the practice for the Office of the Superintendent, Rutland Northeast Supervisory Union to Administer the fund. Available records do not show that the Principal of the High School and the Chairman of the Board of School Directors have discharged the functions assigned to them under the Terms of the Will.

The Report required to be filed annually with the Town Clerk has not been filed since 1966. This report was signed by the then Superintendent of School, not by the Principal and Chairman of the School Board.

These Deficiencies have been brought to the attention of the Town School Board. Steps are being taken to make appropriate corrections

TITLE 1b ACCOUNT
July 1, 1974 to June 30, 1975
OPERATING STATEMENT

BALANCE, July 1, 1974	\$ 658.04
RECEIPTS — None	—
TOTAL	\$ 658.04
DISBURSEMENTS:	
Reimbursement to School District	\$ 658.04
TOTAL	\$ 658.04
BALANCE, June 30, 1975	None

The reimbursement to the School District covers the obligations shown on page 53 of the Town Report December 31, 1974. This account is now closed and will no longer appear in the report.

SELECTMEN'S REPORT

1975

SANITARY LAND FILL

Sanitary Land Fill permits may be obtained at the Town Clerk's Office at no cost. All trucks carrying trash to the Landfill must be covered.

SEWAGE DISPOSAL PLANT

We have had a problem, particularly during heavy rain storms, of high water infiltration into our sewer system. A state study of this problem resulted in the state requiring us to correct this problem in two areas. Area A—Arch St., Area E.—Route 7, by telephone building.

An engineering study by Dufresne-Henry Engineering Firm resulted in Area A receiving top construction priority.

The State estimated a project cost of \$50,000.00 which would have been eligible for 33 1/3% state aid. This would have resulted in a town share of approximately \$33,000.90. The Selectmen by putting out bids for all materials and employing a local contractor estimated a total town cost of \$24,000.00 to \$25,000.00. This meant a town saving of approximately \$8,000.00 and resulted in the town rejecting state aid for this project. Area E should only require the installation of one manhole.

The town is required by regulations to scrape and paint our tanks at the sewage plant every five (5) years. This had to be done this year at a cost of \$4,000.00.

At the time of plant construction in 1970 it was estimated that the cost of operation of the plant for one year would be approximately \$5,000.00. This past year the cost of electricity alone was approximately \$3,000.00. This inflated figure, combined with state construction requirements, has resulted in the Selectmen (as Sewer Commissioners) voting to raise the Sewer Tax from \$45.00 to \$55.00 for 1976. It is hoped that this raise in the Sewer Tax will cover any alterations and plant operation.

The Town has a Sewer Ordinance whose regulations must be followed. A copy of the Sewer Ordinance is available at the Town Clerk's Office.

WATER DEPARTMENT

The Selectmen (as Water Commissioners) have been consulting with the State Department of Water Resources and the Rutland Regional Planning Commission in an effort to apply for HUD Community Funds for water transmission line improvement. In order to apply for HUD funds it is necessary to have a complete engineering evaluation. We are in the process of obtaining informatoin as to State Aid available for such a project.

The Selectmen passed and adopted a Water Ordinance on the 13th day of August 1975. This ordinance is also available at the Town Clerk's Office.

A portion of this ordinance pertaining to delinquent water accounts reads: "the Board shall give to the customer fifteen (15) days written

notice of its intent to terminate or discontinue service and the cause or reasons therefor, and the customer shall have an additional period of not more than fifteen (15) days to remedy such cause, or to satisfy the Board of a good faith effort to so remedy said cause, provided that if within the time provided the customer shall fail to so satisfy the Board, the water service of said customer shall be immediately terminated or discontinued without further notice."

DELINQUENT TAXES

Mr. William Valentine has been appointed by the Selectmen to assist them in the collection of delinquent taxes. Mr. Valentine is in the process of preparing tax sales in order to close several delinquent accounts.

REVENUE SHARING

Revenue Sharing monies will be expended for highways as voted. See report on Revenue Sharing.

FLOOD INSURANCE PROGRAM

The Town of Pittsford has received certification for the Federal Flood Insurance Program.

OSBORNE PROPERTY

The Osborne property was sold this fall to the highest bidder for \$13,555.00. The Board, as directed by the voters, have deposited this money in a Savings Account. It is hoped that this account, with possible future Revenue Sharing Funds, will be the start of a fund for the replacement of the Municipal Building. The present building does not have enough vault storage for safe keeping of valuable town records.

HIGHWAYS

Resurfacing projects which were contracted thru the State of Vermont in 1974 were reviewed by the State Highway Engineer. These projects had broken up in almost all areas. No adjustments were received resulting in a \$12,000.00 project loss to the Town.

On the River Road Bridge project the Town lost \$2,800.00 in State Aid because the state refused to share in the total cost of construction on each entry to bridge.

The Town also lost approximately \$500.00 that was anticipated for Flood Damage.

These losses account for the highway account deficit.

The Town plans to continue construction and resurfacing as priorities demand on all Class II, Class III and Class IV highways.

The requested increase in the 1976 highway budget is due to increased labor and material costs and to cover the retirement plan for highway employees.

NOTE: Office copies of the Sewer and Water Ordinances are available for use in the Town Clerk's Office. Copies to take out require a \$5.00 deposit. This amount is refunded if copies are returned in good condition within 10 days.

IN MEMORIAM

Mr. Tom Keith
1904-1975

Mr. Fletcher Jones
1909-1975

Mr. C. John Morse
1901-1976

Mr. Keith served the town for many years as overseer of the Poor.

Mr. Jones served the Town as an auditor.

Mr. Morse assisted the Selectmen as a collector of Delinquent taxes for several years.

We extend deepest sympathy to their families.

Respectfully submitted,

Ronald D. Moran

George A. Eugair

John Barnard, Jr.

Selectmen

FIRE DEPARTMENT REPORT

1975 was another busy year for your fire department. We answered 59 calls for help, with a total of 1705 man hours. Following is a breakdown of the types of calls answered.

19 oxygen and emergency calls	2 flooded oil burners
11 house fires	1 service station fire
9 chimney fires	1 barn fire
7 grass fires	1 school fire
3 vehicle fires	1 mutual aid call
3 forest fires	1 false alarm

Major damage was done to the Hartwell House on Rt. 7, the Wasser House in East Pittsford, Pelkey's Barn on Arch St., the Wells House in Florence, the Whittemore House on the Plains Road and the Woodward House on the Stevens Road. Without the service of this department, many of the other calls could have resulted in major losses.

We have seen in the past two years an increase in the number of chimney fires. This has been caused mainly by the use of wood for heating without the necessary maintenance to stoves, stovepipes and chimneys. We would like to recommend that you keep your chimneys cleaned and have them checked to be sure they are in good condition and safe for burning wood. Most chimney fires are caused by dirty chimneys. These could be avoided. At least two of the house fires this past year were caused by a chimney fire.

As you will see in our budget, we had an overdraft of \$304.22 in 1975. This was due to a major breakdown of one of our trucks and inflation on other budgeted items. In our 1976 budget we have tried to take care of these items. We must repair rust damage on two of our trucks and repair the rear roof of the fire station this coming year. We have also budgeted to pay increase for two phone operators of \$15.00 per month, due to the increased work load and their faithful service. This has not been done in several years.

Harold Haviland, Lewis Latuch and Gilbert Martin have resigned from the active force and have joined the veteran firemen's group. Steve Bernier and William Lathrop moved out of town and have resigned. Joining the department in 1975 were David Hasbrouck, David Trombley, David Freeman, Kenneth Babbett and Dennis Bierly. At the present time we have 29 regular firemen and 16 veteran reserve firemen.

On July 20, 1975 we were all saddened by the unexpected death of one of our men, David Foley, who had been on this department since March 14, 1969.

In December Robert Hemple stepped down after two years as chief. He will remain on the department as a fireman.

We would like to ask you not to use the emergency phone unless it is for an emergency. Please do not use this phone for information. We try to keep this phone open for emergency use.

Do not hesitate if you think you have a fire, need oxygen, or need us for any type of emergency. Call 483-2823. The non-emergency phone at the firehouse is 483-2821 — for other information you may need.

1976 Fire Department Officers

Chief Harry McKinlay

Ass't. Chief Thomas Hooker

Capt. Raymond Parker

NICKWACKETT HOSE COMPANY

In 1975, through our fund raising projects the men of the Hose Co. were able to raise \$5000. This money was used to finish the power plant and to purchase other items for the fire dept.

During 1976 we will continue to obtain more equipment for the fire department through the Hose Co. fund raising projects, such as the Memorial Day Barbeque, Booster Club and Donations.

We would like to thank the townspeople for their support over the years to our projects, which have helped build our fire department to where it is today.

NICKWACKETT HOSE COMPANY

President William Bowman

Vice-President Vernon Guyette

Secretary Clarence Greeno Jr.

Treasurer Robert Parker

HIGHWAY REPORT**1975**

Act. 63 of the Vermont Legislature resulted in the reclassification of all highways within the Town. Our highways are now classed as follows:

Class II Highways — previously referred to as State Aid Roads (16.940 miles)

Class III Highways — previously referred to as Town Highway Roads (37.590 miles)

Class IV Highways — Roads to be upgraded to Class III Highway specifications (4.590 miles)

All State Aid for highways is now received in set quarterly payments and disbursed for projects selected by the Selectmen with the advice and co-operation of the District Highway Engineer.

The following is an account of monies, including Revenue Sharing Funds, spent in various categories during 1975:

Class II Highways — Spent \$30,299.53 — This included maintenance on all Class II Highways plus construction and/or resurfacing on the following roads: Arch St., Corn Hill Road, and Whipple Hollow Road.

Class III Highways — Spent \$49,520.87 — This included general maintenance on all Class III Highway plus construction and/or resurfacing on the following roads: Sangamon Road, Oxbow Road, Elm Street, Fire Hill Road and Depot Road.

Winter Maintenance — Spent 42,210.42 — This included winter maintenance on all Class II, Class III and Class IV Highways.

TOWN CONSTABLES' REPORT

1975

The year 1975 was as usual a busy one. The following report is a summary of the Police Services rendered.

A breakdown on types of complaints —

Accidents	9
Burglaries	6
Prowlers	5
Abandoned Cars	4
Disturbing the Peace	2
Missing Persons	2
Bikes Stolen	1
Complaints on Car and Motorcycles	4
Camping on Private Land	3
Dog Complaints	6
Dogs hit by cars	2
Complaints on Juveniles	5
Assaults	4
Horses	1
Snowmobiles	4
Stolen car recovered	1
Dog Bites	3
Vandalism	3
Marihuana Plants Destroyed	1
Name and Record Checks	15
Summons Served	2

All Village and Town Roads patrolled Cabbage Night and Halloween Night. Traffic Duty for Memorial Day Parade. Also Traffic and Police Protection for the 4th of July Parade and Celebration at Recreation Area.

Our Police Department has one of the most sensitive and complex responsibilities in our entire system of government. Policemen must be skilled in personal and public relations and have a passing knowledge of the law. A unique combination of skills are required, too numerous to mention. Law Enforcement is no longer limited to dull routine tasks.

Vermont is keeping up with all the changes and burdens in this complex society. Our local men receive the very best in service and management training courses available to Local and State Policemen etc. Just completed another 40 hour In Service School. Due to a State Police Budget cut on calls handled our constables can look forward to a very busy year serving the needs of our village and town.

Thank You for your continuing cooperation.

Respectfully submitted,

Harold A. Haviland, 1st Constable

James L. Parker, 2nd Constable

REPORT OF FOREST FIRE WARDEN**1975**

There were 5 minor forest fires this year. There was one major forest fire in Proctor which burned over 4 acres of land.

95 permits to burn were issued in 1975. "Permits to Burn" are required at all times, except when snow is on the ground, at all locations which are within 200 feet of inflammable plant material which touches or adjoins woodlands.

I wish to thank Mr. Emil Hammond, Assistant Fire Warden, for all his help this past year.

To obtain permits for burning, please telephone:

483-2866

483-6751

Respectfully submitted,

Raymond Parker, Fire Warden

HEALTH OFFICERS REPORT**1975**

As Health Officer for Pittsford I have complied with all local and state requirements during 1975.

In the past year or two the people have become more aware of the new requirements and regulations concerning health hazards therefore public awareness makes fewer problems.

Of particular note are the following —

25 Inspections made on new and alterations of existing Septic Systems.

3 Complaints on Sewage Surfacing from Septic Systems. All have been repaired.

23 Bacteriological water samples sent to State Health Laboratory for Town Water Dept.

One sample per week for Recreation Area Pool.

Inspections made at Lothrop School and School Lunch facilities.

Your continued cooperation will be greatly appreciated.

Respectfully submitted,

HAROLD A. HAVILAND

Health Officer

ANNUAL REPORT**Fuel Coordinator — Town of Pittsford**

For the past two years, I have served as Fuel Coordinator of the Town of Pittsford. This position, which exists under the authority of the State Department of Public Safety (Civil Defense Division), was created two winters ago in response to the "fuel crisis." In this capacity, my responsibility is to act on behalf of persons with emergency fuel needs who, because of financial difficulties, are unable to meet them.

I regret to report that my services have not been called upon, to any extent at all, during the past two winters. (I average about four cases per year.) I would be delighted if I thought that this was so because nobody in Pittsford ever runs out of heating oil. But I don't believe that for a single minute. The more probable reason is that needy people are simply not aware of the assistance (meager though it may be) that may be given them. How many poor families, not knowing where to turn, simply suffer in silence while the furnace sits idle and the pipes freeze? This ought not to be: for, while helping poor people keep warm in winter may not be one of Washington's highest priorities, there are still at least minimal funds available for those in need.

Respectfully submitted, ²₍₁₎

Rev. Robert W. Gardiner

**RUTLAND AREA VISITING NURSE ASSOCIATION, INC.
1975 ANNUAL REPORT TO THE TOWN OF PITTSFORD**

It is my pleasure as Director of the Rutland Area Visiting Nurse Association, Inc., to present our Annual Report for the fiscal year ending December 1975.

The health care demands continue to grow and our agency is always striving to provide the best possible care to people in their homes. Health care cost has increased to a startling figure but our service is still one of the least expensive. It appears to be more satisfactory to the patient and family if the care can be provided at home. It has also proved to be cheaper to provide. Home Health services are now being recognized as a very important part of the Total Health care.

Our program includes Skilled Nursing Care, Physical Therapy, Speech Therapy, Occupational Therapy and Homemaker-Home Health Aide service. We provide prevention clinics to senior citizens and coordinate with state Public Health on all Well Child Conference Clinics. We also contract with several schools in the County to provide school nursing. Pre-natal classes are conducted on a regular basis for expectant parents with follow-up care in the home for the newborn and mother when the need arises.

We continue to work closely with other community resources so as to bring continuity of care to all patients that we serve.

Starting in January 1976, we will have a new service available for our area population. We have started a dialysis team which will provide a dialysis helper to an individual that needs this service in his home. This program was created because of requests of need.

Total direct services into the home that have been provided to your town are as follows:

Skilled Nursing Care	472 visits
Physical Therapy	11 visits
Speech Therapy	8 visits
Occupational Therapy	0 visits
Homemaker-Home Health Aide	372 visits

The coordinating program with the hospital on discharge planning continues to grow. We are also trying to initiate a better coordinating system with the Extended Care Facilities in the area. This enables us to provide more continuity when patients are ready to go home. This seems to be well under way.

The evaluation visits to homes to determine need continues to grow with the physicians utilizing our staff to check problems of patients when they cannot make a home visit.

We are always happy to provide nursing staff for any event that requires skilled nursing for your town. Please feel free to call on us for your needs; this is what we are here for.

We are looking forward to another busy year continuing to serve the people of your town and striving for the best quality of health care.

Respectfully submitted, Evelyn Morgan, R.N. Director

RUTLAND MENTAL HEALTH SERVICE, INC.

November 19, 1975

Town of Pittsford, Pittsford, Vermont

Dear Townspeople:

1975 was a busy year for Rutland Mental Health Service. Requests for service continued to increase, and at the same time budget cut-backs led to reduction of staff in some programs. However, we have continued to strive for high quality service throughout this agency.

Changes since last year include the opening of a new unit at the Rutland Hospital for psychiatric care, which offers much improved service to people in need of temporary hospitalization. Also, expansion of services has taken place to the developmentally handicapped and to retired seniors.

Other programs — outpatient counseling, the preschool, the youth and family activities program, the day hospital, aftercare and emergency services have continued. During the summer many people used our camp facilities at Lake Elfin in East Wallingford.

Staff continues to consult with most of the county's schools, the Correctional Center, early childhood programs, and boarding homes for the deinstitutionalized. Consultative services are also provided to physicians and other community caregivers upon request. Rutland Mental Health coordinates an alcohol education and counseling program for persons arrested for driving while intoxicated. Services provided to your town of Pittsford* in the past year are described on the attached sheet.

Although costs have continued to rise, fiscal accountability has continued to improve. Personnel still make up the largest part of our costs. Administrative expenses have been maintained at a modest level. This year we are again requesting 50c per person in your town. We count on your support — it is vital to the maintenance of our comprehensive county-wide services.

We now have a slide and sound presentation which describes the work of Rutland Mental Health Service, Inc. It is available to show to any groups in your town which would be interested. Please let us know if you wish further information.

Respectfully submitted,

Gilbert D. Aliber

REPORT OF THE PITTSFORD HISTORICAL SOCIETY

During the year 1975 the Pittsford Historical Society has maintained its usual functions of holding meetings on subjects of historical interest, participating in summertime field trips, maintaining a small museum and giving help to geneological researchers as well as having become involved in some preliminary bicentennial activities.

Our annual picnic held jointly with the Brandon Historical Society, was held at the Penfield Museum in Ironville, N.Y. Allen Penfield, who resided in Pittsford until 1828, operated an iron mine, forge and foundry in this rural settlement near Crown Point and it was here in 1833 that Thomas Davenport received his inspiration for the electric motor.

On May 9th, Pittsford Bicentennial Committee staged its own reenactment of Major Beach's run with help from the Historical Society and other local groups; the July 4th parade featured Gideon Cooley's family and their log cabin residence as recreated by the Society; and the Hypotenuse to History Project in November found Otter Valley students dragging a cannon on its leg of the journey to Fort Independence.

The major endeavor of the Pittsford Historical Society this year, our bicentennial Project, has been the republishing of Dr. Caverly's History of Pittsford and the publishing of our improved and expanded index to the History. Scores of local people have helped with the planning, typing, promotional work, record keeping and distributional work required.

Copy No. 1 of the Bicentennial Edition of the History of Pittsford has been presented to the Maclure Library in appreciation for its loan which allowed us to be able to finance the project and Copy No. 2 has been presented to the Town of Pittsford for its encouragement of the use of its mailing permit.

The Historical Society welcomes new members who may wish to attend our meetings or engage in other activities. Notices of our meetings, held every other month at the Maclure Library, appear in local newspapers.

Many suggestions have been made for appropriate projects for our group; reinstating the historical field trips for school children that we used to arrange, writing the history of Pittsford's last hundred years or publishing a collection of pictures, providing a more suitable location for our museum, arranging a workshop to use the town records for title searches and many others. Any of these is possible if sufficient interest is shown.

Harold Phillips, Treasurer

THE PITTSFORD JAYCEES

The Pittsford Jaycees are a group of young men from the area who try to help in community affairs. We usually hold meetings on the first and third Wednesday of each month at the Maclure Library. Membership is open to young men between the ages of 18 and 35. We would welcome any interested people who wish to attend a meeting.

During the past year, the Jaycees have been involved in a variety of activities.

During the winter months, the Jaycees were in charge of keeping the ice rink at the recreation area cleared and flooded. We also sold hot dogs and hot chocolate on several Sundays at the ice rink for those who were skating.

We sponsored a Daisy BB Gun Shooting Education course for the children in grades 4 and 5 at the Town Hall. This was to teach proper gun handling and safety rules.

We participated in the Fourth of July celebration by running some games at the recreation area and helping in other capacities.

The Pittsford Jaycees have a food concession stand at the Rutland Fair which helps us with our fund raising. Proceeds help with many activities in town sponsored by us.

We were co-sponsors with the Greater Rutland Jaycees of the annual meeting of the Vermont Jaycees at Killington. We also helped the Greater Rutland Jaycees run a Haunted House at the old State Police Barracks during Halloween week.

One of the Jaycees projects on a national level involves working at various projects for the mentally handicapped such as the Special Olympics. Tom Conway takes several groups of mentally handicapped persons from the Rutland area to the Special Olympics held at various places.

We are helping to sponsor the RAHA Otters hockey team which is coached by Brian Collamore, one of our members.

We are also, as our Bicentennial Project, selling license plates tags commemorating the Bicentennial. With money raised from this project, we are planning to construct town signs at the main entrance routes to town.

We are looking forward to sponsoring a Talent Show for local youth in the near future.

We thank you for your support and would be glad to have any new members.

Respectfully submitted,

RICHARD A. BERIAU

Secretary Pittsford Jaycees

As Librarian for the MacLure Library I submit the following report summarizing the service furnished to the town during the year of 1975.

The library is grateful for gifts and its collection has been enriched greatly by many fine donations of books, periodicals and other materials.

The library gratefully acknowledges gifts of books and magazines from the following:

Mrs. Billie Stelzer	Miss Tracy Holden
Mrs. Caroline O'Handley	Miss Kelly Holden
Mrs. A. L. Dunphy	Mr. & Mrs. Joseph Sposta
Ms. Nancy Gilbert	Mrs. William Simpson
Mrs. Lois Blittersdorf	Mrs. Timothy Murphy
Margaret F. Bartlet	Mrs. Iris Ferraro
Miss Andrea Cady	Mrs. Frank Punderson
Miss Alice Wimet	Mr. & Mrs. E. F. Phillips
Mrs. Lillian Heir	Mrs. Louise Goss
Margaret Pike Memorial Fund	Mr. William Rantanen
Dan Burditt Memorial Fund	Mr. Ben Schley
Katherine Marnell Art Fund	Mrs. Eleanor Candon
Housekeepers Club Fund	Mrs. Clara Benson
Miss Louise Willis Memorial Fund	Mrs. Robert L. Smith
Col. & Mrs. J. K. Mitchell	Lucille Zelazny
Mrs. Kengott	Mrs. Shirley Latuch
Mr. & Mrs. Emil Hammond	Mrs. P. H. Jankins
Mrs. Charles Davies	Mrs. Cassie Sweet
Miss Elinor Pike	Mrs. Isabelle Hasbroucke
Mrs. Rose Keith	Mrs. Carolyn Holden
	Brandon & Pittsford Rotary Club

The total circulation for the year was 7,200 books and 1,001 periodicals, pamphlets and phonograph records.

In May the children's room took on a new look. The two portable book shelves and all the chairs were painted with the help of Caroline O'Handley, Joyce Meade, Anne Hammond, Marie Pomainville, Dorothy Terwilleger and myself. We had a painting bee two mornings and it was loads of fun. Many hands make light work. The drapes were dry cleaned and Tom Conway gave us some rug samples for the children to sit on during Story Hour. Bulletin boards have a bright new covering and cheerful displays. The children seem to enjoy their room and spend a good deal of time browsing and reading.

Otter Valley Art students again displayed their art work in the reading room and childrens room in May. Mrs. Truelson, the art teacher, and one of the students set up the exhibit which was held for 2 weeks. I wish more parents would come in while their childrens work is being exhibited. There is some exceptional talent and a lot of work is involved in setting it up. It is given advance publicity, so hopefully will see more parents this year.

The children's summer reading program was held earlier this year, June 18th thru July 9th. This proved to be better and very well attended. It didn't conflict with swimming lessons and family vacations. Deanna Valeo, a Cadet Girl Scout offered to help with story hour as she was working toward a merit badge. She read to the children some of the time and helped me set up for the program. I showed the

films. An average of 30 children attended with 26 receiving merit badges for completing their reading requirements.

In July I attended a 2 day workshop in Rutland on "Grant Money". It was based on, where to apply for grant money and how to go about it. In August I attended for 5 weeks another workshop in Rutland. This one was on "Storytelling". I found this one very enjoyable and learned a lot of new techniques on how to run a storytelling program and all kinds of new ideas. I was so impressed by it that I started a program in Oct. for pre-schoolers called "Story-Time". I held it on Wednesday afternoons for a half hour for 3 to 5 year olds. Anywhere from 2 to 8 children came and we had a great time. This ran thru Dec. 10. I hope to resume it in March when the traveling is better. The children are looking forward to it and I know I am.

I finished up my requirements called for by the state for certification this summer. I am now a Certified Public Librarian, meeting the standards that the state calls for. This is 150 hours attending these workshops that the state provides. I will receive my certificate in May at the Annual Vermont Library Association Conference held in Poultney.

We held our Craft Sale again on October 11 and 12. It was a huge success and very well attended on both days. Fifteen craftsman participated this year.

We put the profits from the Craft Sale both years toward new storm windows for the library. We hope this will make the library warmer and the fuel bill less.

A new sign stating we are the Maclure Library and the hours we are opened has been erected in front of the library. This should prove very helpful for new residents as well as visitors especially, during this Our Bicentennial Year.

I would like to express my appreciation to the book committee and all who have rendered assistance to the library this past year.

Any resident of the community is eligible for Life Membership upon payment of a one time fee of \$5.00. Your support is essential for the success of the library.

Respectfully submitted,

Julia Reynolds
Librarian

Paul W. Wheeler, Treasurer

To Whom It May Concern:

I have audited the Accounts of the Treasurer of the Maclure Library Association to the best of my ability and find them correct as stated.

Dorothea J. Parker

PITTSFORD LIONS CLUB**We Serve**

We are pleased to again make our report of our past year's activities to the citizens of Pittsford. As members of the world's largest service organization we dedicate ourselves to joining with our neighbors to make our community a better place in which to live.

The cornerstone of every Lions Club is a major service activity that involves every member and is important to the community which the club serves. Our major activity is our annual 4th of July program. All profits from this activity are used to maintain and improve the Pittsford Recreation Area. We urge our fellow citizens join with us each year to celebrate our nation's birthday.

In addition to our 4th of July program, funds and/or labor have been expended for the following projects:

1. Sponsorship of the Hunter Safety Program.
2. The annual children's Halloween Party.
3. A contribution to our area Senior Citizens.
4. Contributions to the Rutland County Humane Society, the Otter Valley High School Stone Soup Project and the Trainable Mentally Retarded children's Christmas Party.
5. Eye glasses and eye examinations for area residents.
6. Repair of the Pittsford Recreation Area.

We have also joined with our fellow Lions throughout the state to help sponsor the Mobile Sight Testing Vans. It is hoped that with our newest state fund raising activity, the Vermont-New Hampshire Soccer Cup, we will be able to continue to keep these vans in operation.

The Pittsford Lions Club is proud to be able to serve our community and we offer our sincerest thanks for your continued support.

Respectfully submitted,

Alf T. Rylander, Secretary

LISTERS FOR 1975

Charles P. Cecot, Jr. (1977)

Harold Phillips (1978)

Paul Wheeler (1976)

Published by Authority of the Town 1960

NOTES:

- Grand List and Tax Rate:** The Town Grand List consists of the Property List and the Poll List. At March Meeting, the money necessary to support the Towns and Schools is voted. The Tax Rate is then determined by dividing the total sum appropriated at March Meeting by the Total of the Grand List.
- Property List:** The figures shown on the property list which follows, represent 50% of the Fair Market Value of the real and personal property as changed by the listers as of April 1, 1975. This figure is entered on the Grand List at 1/100th of the amount shown.
- Property Tax:** The property tax of individuals and corporations is determined by multiplying their Grand List Amount by the Tax Rate.
- Poll List:** Each individual is entered on the poll list and the Grand List at \$1.50.
- Poll Tax:** Poll Tax thus amount to 1½ times the Town Tax Rate plus the State Old Age Assistance Tax of \$5.00 assessed on each poll.

Listers must have full name and date of birth of each person 18 years of age.

All persons 65 years of age by April 1st, 1976, are exempt from Poll Tax.

Property tax relief schedule for Vermont senior citizens age 65 are available.

PITTSFORD JOINT PLANNING COMMISSION REPORT

Revised Town Zoning Regulations were adopted at March meeting.

The revised Village Zoning Regulations were adopted by the Village Trustees in April 1975.

The Town and Village of Pittsford were approved for flood plain insurance.

The Joint Planning Commission is working on developing Subdivision Regulations from suggested rules and regulations received from the Vermont Agency of Development and Community Affairs.

We regret the resignation of our former Chairperson, Anne Willard, and thank her for the good job she accomplished during her term.

We will miss Dave Foley, a member of the Commission who passed away this past summer. Our deepest sympathy to his family.

We acknowledge with thanks the thorough job done by our Secretary, Mrs. Dorothea Parker.

Vladimir Sviatopolk-Mirsky,
Chairman

Lois Blittersdorf

REPORT OF THE RUTLAND REGIONAL PLANNING COMMISSION FOR 1975

It is with pleasure that we submit the following report on the progress and accomplishments of the Rutland Regional Planning Commission during 1975.

1975 marked the first year the Commission operated under a new program policy. That policy, adopted in 1974, stated that in order to provide needed professional services to the residents and officials of the Rutland Region the Commission should expand its staff capabilities beyond land use planning and zoning activities. To achieve this policy the Commission has continued to provide assistance or has initiated new services in the following program areas:

TRANSPORTATION PLANNING

The Commission was involved in two transportation programs:

- A. The "112" planning program made several communities in the Region eligible for 85% federal and state funding assistance for major highway projects.
- B. The transit planning program — noted in last year's Town Report — resulted in nearly \$80,000 being awarded to Rutland County to set up a bus system. The system is designed to serve all of the county's residents with special service for the elderly, handicapped and economically disadvantaged.

ECONOMIC DEVELOPMENT

The Commission participated in several activities to create more jobs in the region:

- A. The Executive Director serves on the Steering Committee of the State Chamber of Commerce Green Mountain Industrial Tour. The tour brings in 30 industrialists from outside the state to see the advantages of locating or re-locating their plants in Vermont. The tour is conducted on an annual basis and selects representatives of firms with interest in expanding or moving their facilities and operations.
- B. The Commission has taken the lead in organizing the Southern Vermont Economic Development District (SVEDD). Once created, all communities in Rutland County will be eligible for grants and low interest loans for public works projects that result in the creation of new jobs or the preservation of existing jobs. Local industries will also be eligible for low interest loans for plant expansions. Northern Vermont communities have benefited from this program for several years. It is the Commission's position that communities in the southern part of the state should also have these benefits.

- C. A study was prepared identifying the need for a regional development authority to provide technical assistance to local industrial development efforts and industrial promotion services for the entire Rutland Region. The study is now being distributed to key officials in the region for further action.

HOUSING

The Commission prepared an application for 46 units of housing for the elderly and handicapped. The application was sponsored by the Downtown Development Corporation of Rutland. A recent study of housing prepared by the Commission indicated a need for this type of housing.

YOUTH SERVICES

The Commission created a committee to study the need for improved services for the youth of the county. A plan for improving those services will be developed.

RECREATION AND COMMUNITY DEVELOPMENT

Assistance was provided to member communities in preparing applications for state and federal recreation funds.

Assistance was provided to the Commission's membership in preparing applications for Federal Community Development Funds. Resulting from this effort, \$110,000 was awarded to one community in the Region. Applications are now being prepared for several communities for FY 77.

These are some of the highlights of last year's activities. In addition, the Commission (1) conducted a series of workshops sessions for local Zoning Administrators and members of Zoning Boards of Adjustment; (2) provided technical assistance to local planning commissions on preparing town plans and zoning by-laws and administering zoning regulations, and (3) offered assistance to local officials in capital programming and budgeting.

For a more detailed description of the services provided your town we urge you contact your town's Regional Commissioner.

In these times of economic uncertainty we will continue to place special emphasis on economic planning and development to improve the regional economy; we will continue to provide assistance in capital programming to provide local officials with improved budgeting capabilities, and we will continue to provide up-to-date information to local officials so sound decisions can be made at the local level.

Clarence C. Whitney

Chairman

Carl G. Spangler

Executive Director

RUTLAND REGION OFFICE ON AGING TOWN REPORT

Rutland County Information and Referral Center --- 733-9146 (collect)

"Ask Us", the new Rutland County Information and Referral Center has been developed under the auspices of the Rutland Region Office on Aging. This comprehensive information and referral service is designed to let people know quickly and easily where they can get specific services in Rutland County.

An index of information includes 200 to 250 different organizations in the county, shows what services the organizations offer, who can use the services, where they are available and how much they cost. Anyone with any type of need may call one telephone number and find out what agencies offer the service needed.

Schools, churches, sheriff's offices, police departments, city clerks, social service agencies and many other agencies and organizations are included in the index. The services are available regardless of age or income levels.

So — "Ask Us" call 773 9146 collect.

Ann Wallen

Director, Rutland Office on Aging

Carl Spangler

Executive Director, Rutland Regional Planning Commission
(Sponsoring Agency for the Office on Aging)

PITTSFORD RECREATION AREA

Last spring the pond was completely drained and thanks to a local contractor a bucket loader cleaned out all the silt and alga. During this cleaning period footings and supports were installed under the diving dock. The wharf dock was very badly rotted so it was ripped out during low water and was rebuilt at later date. The main drainage ditch was completely redug prior to all of the above. The water level was dropped this fall and the bottom appears to be in good shape.

The Jaycees had the basketball backstops fabricated and a lot of help saw them put in place on the upper field.

The ballfields were kept busy all summer with the Fire Department and the girls softball teams using the upper field.

During a meeting last spring it was agreed upon to continue the block building to cover the area that is now the girls dressing area. When this is completed with a suitable strong door it will be used to store the lawn mower, sno-blower, pump, swings etc. which must now be moved back and forth to the area.

Vandalism has taken quite a toll on the area some of it irreplaceable. There always seems to be someone trying to tear down what we put up.

The committee would like at this time to thank those who made gifts to the area.

We should all say say thanks, for the good job done, to the girls who watched over the swimmers and taught our children how to swim.

We want to thank the people of Pittsford for supporting this area and request \$1,000.00 for the coming year.

I have submitted my resignation to the selectmen and as of this time a new chairman has not been chosen.

Respectfully submitted,

Pittsford Recreation Area Committee

SUMMER BASEBALL

I want to thank all the coaches, parents, drivers and of course the kids for their help and cooperation that made the 1975 Summer Baseball Program a success.

Some of the highlights of the season included Pittsford winning the Rutland County Babe Ruth League Championship.

In September both Little League teams and the Babe Ruth team took a trip to Fenway Park in Boston to watch the Red Sox play.

Special thanks to the local businessmen for their generous donations and to the people who worked on the raffle. Without these people the trip would not have been possible.

President

REPORT OF TRUSTEES OF PUBLIC FUNDS

The \$10,100. Emma Burditt Pinney Fund bequest is deposited in two Certificates of Deposit with Rutland Savings Bank, each earning $7\frac{1}{2}\%$ per annum and the 1975 earnings totaling \$775.28 have been paid to the School District Treasurer under the terms of the bequest.

The trustees have spent much more time and effort in our duties this year with regard to the trust created under the terms of the Will of Dan D. Burditt for the Benefit of the Town of Pittsford and its School Districts. With the written direction from all of our school directors and selectmen on February 28, 1975 (a copy of which is attached) we proceeded with an investment plan, with our management counsel, the Proctor Trust Company. There was an additional decree of distribution by the Probate Court at the end of August in the amount of \$58,-975.05, and there is still pending approximately \$2,000. from the Estate. The following is a summary to date:

Balance on hand 1/17/75 (1st Distribution Date)		
Securities (market value)	\$236,885.00	
Savings Account	21,000.00	
		<u>\$257,885.00</u>
Additional Distribution 8/28/75	\$ 58,975.05	
Total		<u>\$316,860.05</u>
Income:		
Dividends and Interest from		
Securities and Bonds	\$ 12,736.11	
Certificates of Deposit	2,316.96	
Savings Account	1,096.70	
Total		<u>\$ 16,149.77</u>
Expenses:		
Accrued interest on Federal Land		
Bank bonds purchased	\$194.53	
Probate Court fee	47.00	
Trustees Bond Cost (Wimett		
Insurance Agency)	152.00	
Transfer Tax on securities	30.78	
Agent's fee (Proctor Trust Co.)	991.00	
		<u>\$ 1,416.31</u>
NET INCOME		<u>\$ 14,733.46</u>

At time of 'turn-over' of estate funds our average percentage of yield was 5.23%. As of 12/31/75 the average yield is 6.13%.

Present Market Value of Trust:

Bonds	\$ 55,412.00
Common Stock	211,730.00
CD (Rutland Savings Bank)	30,886.09
CD (Rutland Savings Bank)	63,430.87
Savings Account (Rutland Savings Bank)	<u>4,993.69</u>

\$366,452.65

January 15, 1975

From: Pittsford School Directors and Selectmen
 To: Pittsford Trustees of Public Funds
 Subject: Trust Created Under the Terms of the Will of Dan Burditt

The undersigned School Directors and Selectmen of Pittsford wish to communicate to the Trustees of Public Funds their present resolve to permit the principal and interest of the Dan Burditt Trust to accumulate until such time as a substantial project worthy of these funds evolves. We would like to protect the principal amount in so far as possible and fund future projects from accumulated interest. There being no immediate plan for the use of interest accumulated to date nor any plan for the ensuing fiscal year, you may establish your investment plan accordingly.

SELECTMEN

Ronald Moran
 George Eugair
 John Barnard, Jr.

Dated February 28, 1975

TOWN AGENT'S REPORT

1975

The case of Peter Markowski VS the Town and Town Board of Adjustment has been completed. The Action of the Board of Adjustment in denying the application of Peter Markowski, dated September 21, 1970, for a special exception to the provisions of the Pittsford Zoning Ordinance which would permit him to establish a Landfill operation upon his property in the Florence section of said Town, was upheld by the Superior Court.

The Civil Action of the Town VS Dennis and Linda Gallagher, for failure to secure a Zoning Permit to erect a garage on their property on U.S. Route 7 has been completed. The Town was awarded damages sufficient to cover all its costs in pursuing this action, including Attorney's fees.

LEWIS F. LATUCH

Town Agent

BOWEN WALKER FUND**Period Ending December 31, 1975**

During the past year 12 payments from the Fund was made for fuel, to buy clothes for needy children, to help send one child to the Kindergarten, to needy boys and girls in the Scout Troops and at Otter Valley.

Paul W. Wheeler

Treasurer

RUTLAND OPPORTUNITY COUNCIL

The Rutland Opportunity Council meets the needs of low-income and elderly people. The Council provides services and programs for people who need help in solving their problems.

During 1975 R.O.C. worked with a total of 47 Pittsford families, providing an average of 92 direct services each quarter for these families. These services meet such needs as transportation, help with forms, social service information, counselling and personal needs. The Council assisted 12 families with their energy problems, including \$277 for winterization materials.

The Council appreciates the financial support which the Town of Pittsford has provided in the past. We invite suggestions from Pittsford citizens; our worker in the area, Tom Johnston, is always interested to hear about family or community needs where we might be able to help.

ZONING

The proposed revision of the Town of Pittsford Zoning Regulation was approved by the voters at Town Meeting, March 1975.

The following information is furnished for the benefit of all concerned.

A copy of the Revised Regulations is available for reference in the Town Clerk's Office.

Copies of the Revised Regulations are also available from the Town Clerk on loan. A deposit is required. The deposit is refunded upon the return of the copy in good condition. Copies may also be purchased from the Town Clerk.

The Vermont Statutes define "Land Development" as follows: "Land Development" means the division of a parcel into two or more parcels, the construction, reconstruction or enlargement of any building or other structure, or of any mining, excavation or landfill, or land, or extension of use of land.

The Statutes provide, further, that any land development requires an approved permit from the Administrative Officer.

Any individual planning any activity which might come within the scope of the above definition should study the Pittsford Zoning Regulations.

The Pittsford Zoning Regulations interpret the Statutes as **not** requiring a permit under the following conditions:

1. The sale of an entire parcel as recorded in the Town Records **does not** require a permit. The sale of a portion of a parcel **does** require a permit.
2. The lease of all or a portion of a parcel of land which **does not change its use**, **does not** require a permit.
3. The interior alteration of a building or structure which **does not change its use** and which does not change the exterior walls except for the addition or removal of doors or windows or both, shall not require a permit.
4. Any change in the number of dwelling units in a building or structure is a change in use and does require a permit.

In all other cases coming within the scope of the definition of "Land Development" consult the Regulations and the Administrative Officer.

The Village of Pittsford has now adopted Zoning Regulations. The general provisions of the Village Regulations closely parallel those of the Town.

The Administrative Officer acts for both the Village and the Town.

Copies of the Village Regulations are also available at the Town Clerk's Office.

Certain uses require the approval of the Board of Adjustment as well as a permit from the Administrative Officer.

Under exceptional circumstances the Board of Adjustment is authorized to grant variances from strict interpretation of the Regulations.

86 Zoning Permits have been issued during the year 1975.

The following cases have been acted upon by the Board of Adjustment:

Merle Macomber, application for conditional use to erect a saw mill on State Route 3 approximately one half mile south of Pittsford Mills — Approved.

Kit Hudson, application for variance to authorize construction on a substandard residential lot on Pine Wood Road — Approved.

Harry Hartwell, application for variance to authorize placing of a Mobile Home on his property on U.S. Route 7 approximately one half mile southeast of Pittsford Mills. Applicant withdrew his application at the opening of the Public Hearing.

Robert N. Frett
Administrative Officer

James K. Mitchell
Chairman, Board of Adjustment

PITTSFORD TOWN SCHOOL DISTRICT PITTSFORD, VERMONT

We hereby submit the report of the School Directors and the Superintendent of Schools for the 1975-76 academic year.

FINANCES

Every two years the Vermont Commissioner of Taxes has been required to establish an Equalized Grand List for every school district eligible to receive State Education Aid. A new Equalized Grand List is to be used for the first time with the aid distributed for the 1976-77 School Fiscal Year. This Equalized Grand List is determined through a sampling process of various types of property. The new determination would indicate that Pittsford properties have increased in value by thirty-seven percent since that last determination while property values in the State as a whole have increased approximately twenty-seven percent. This would indicate that the Pittsford Town School District has more taxable wealth per child than previously and is entitled to less State Education Aid as a result. The Listers, Selectmen and School Directors are appealing this determination.

A number of other factors are involved in determining the dollar amount that Pittsford will receive in State Education Aid. These include the size of the State Appropriation, the number of students that were enrolled in Pittsford for the first thirty days this year, and our Current Operating Expenses for last year. Our best estimate at this writing is that the Pittsford Town School District will receive \$43,497 less in State Education Aid next year. This means that State support for our local budget will drop from 33.8% to approximately 22%. This assumes that the legislature retains substantially the same distribution formula and continues a level appropriation of 33.8 million dollars. Neither of these assumptions is safe.

The budget presented has been carefully scrutinized by the Board of School Directors and Superintendent. Only those expenditures required to maintain existing programs have been included. Further reductions would require a reduction in staff and deletions of programs such as Physical Education, Music and Art. You are well aware of escalating costs of energy, supplies and equipment. We face these same pressures in our schools.

The budget has been held to a 5.8% increase. This represents an increase in gross budget of \$16,724.14. However, the \$42,151.17 increase in taxes required to support the budget represents a 24.4% increase. The major increases come in Instruction, Transportation, Operation of Plant, Employee Insurance and Tuition we pay others. Decreases are forecast for Administration, Maintenance of Plant, Capital Outlay and Debt Service. Other expenditure categories are for all intents and purposes, level funded.

SCHOOL STAFF

The school staff remained quite stable. Mr. Larry Waters replaced Mrs. Sue Wilcox at a fifth grade level. Mr. Waters has also helped out

a great deal with our co-curricular sports program. Mr. David Hasbrouck has become our head custodian replacing Richard Platt.

At a Supervisory Union level, Mrs. Carol Cesaro replaced Mr. Paul Kerns as Elementary Guidance Director. Mr. Alan Carmasin became Guidance Counselor for the upper grades. Mrs. Ruth Colburn became full time in Pittsford as a tutor of the Learning Disabled.

Negotiations with our professional staff have been long and arduous. There are three stages to the process: collective bargaining, mediation and fact finding. None of these three steps produced an agreement although the process took over a year and well in excess of one hundred hours at the bargaining table by the teachers, school directors and the Superintendent. Once the process is complete the Board is free to settle issues in dispute and its decision will be final. As a result, the Board settled on a salary and fringe benefit package almost identical to that at Otter Valley. The balance of the agreement covering related conditions of employment is far more detailed and precise than that of the past and will be of assistance to the Board of School Directors in administering the school. The final agreement is a matter of public record and is available for inspection at the Town Clerk's Office, the Office of the Superintendent of Schools, and the Office of the Principal of Lothrop Elementary School.

SCHOOL PLANT

We are fortunate that other than for last Spring's problem with one of our oil burners the plant has not required any extensive repairs. Normal maintenance programs have been continued.

The enrollment has leveled off after declining slightly. Based upon the number of proposed housing developments in Pittsford, growing enrollments in our surrounding communities, and evidence that the birth rate is now beginning to increase slightly, we must continue to plan for the future. Our school plant is not totally adequate for the current enrollment. The housing problem of our high school students is increasingly critical.

We have given considerable attention to various alternatives involving the return of grades seven and eight, including sixth grade and possibly fifth in an area middle school and coping with our problems as we are currently organized. Regardless of what happens, it is increasingly apparent that for present and future needs additional land would be required. We have made some very tentative inquiries regarding potential school sites. The Rutland Northeast Supervisory Union is conducting a site feasibility study for a single middle school on the Otter Valley site.

CURRICULUM

We continue to strengthen our instructional program. A new Reading series was adopted. The stories included in the Reading series are of high interest for children. The stories are organized in such a fashion as to promote a greater individualization of instruction. Reports from teachers indicates that skills are developed earlier and student

achievement is better. Contrary to what some would have us believe, more students are reading better than ever before.

A new Social Studies series was adopted. It is conceptually oriented with major units on Agriculture, Industry, Government, Economic Systems and People. The series forms a framework for the instructional program but requires teachers to go beyond and supplement the basic material. Pittsford and Vermont history are strongly emphasized. Community resource people have been used extensively.

We look upon the lack of a public kindergarten uniformly available to all of Pittsford's children as a serious deficit in our educational program. Our first grade teachers have children from the private kindergarten, the Barstow kindergarten, other area kindergartens, and many who have had no kindergarten experience. None of these programs are designed to fit closely with our first grade program. The skills developed in kindergarten are important to the educational development of children. A great deal of readiness work for reading, science and math is accomplished along with developing social skills in kindergarten.

The economics of the situation is that the increased number of students decreases Pittsford wealth per child under the State Aid distribution formula so that after the first year the increased State Aid exceeds the cost of the kindergarten program. The Board has been considering using some of the income from the Dan Burditt fund to create a kindergarten facility and absorb the first year operating cost. This requires the concurrence of the selectmen.

GENERAL

An article has been included in the warning to change the term of office for the two additional directors from one to two years. We recommend a favorable vote on the article. Favorable action would result in electing two elementary school directors each year instead of three following the 1977 annual meeting. It takes a new school director a year to fully appreciate his responsibilities. In this sense a two year term makes more sense. Consistency of planning and direction is more likely to occur if there is less opportunity for a majority of the Board to change in a particular year.

Many of our fellow citizens have contributed in one way or another to the success of our school program. Without your support we could not maintain the fine school that we have. Please accept our thanks for your efforts and contributions to our school.

Respectfully submitted,

Mr. Lance Meade, Chairman

Mrs. Linda Punderson, Clerk

Mr. Norman Harvey

Dr. Edward Holmes

Mr. Robert Weaver

Mr. Lloyd A. Kelley, Jr.,

Superintendent

PRINCIPAL'S REPORT

If we can single out a specific theme for our school for this Bicentennial period it is strengthening the link between the school and community. In our fondly remembered rural schools the philosophical difference between school and town was indistinct. Today, by virtue of our economic structure and migratory population, we have to work at establishing a bond between us. We have achieved some success and hope to continue our efforts in this direction.

One of the things about which we are most pleased is how the school and community have joined in celebration of our nation's 200th birthday. Last May, the entire school, 300 strong, marched to the center of town and joined townspeople to commemorate Major Beach's historic run through Pittsford. A few weeks later, the Pittsford Historical Society and our town's Bicentennial committee were invited to attend an all-day Bicentennial program for the teachers of the Rutland Northeast District which was hosted by our school. And as recently as last October, we were privileged to have our local Senior Citizens and other community members as our guests when Vermont's Bicentennial Bandwagon visited our school. We owe a particular debt of gratitude to the Historical Society and Bicentennial Committee for working with us on these affairs.

We have also had some success in breaking down the physical barriers between our school and our town by moving out from the classrooms and using Pittsford as a laboratory for learning. Teachers' in-service training in the use of our immediate environment for ecological study has greatly increased our use of the Pittsford Recreation Area. More and more our students and parent-chaperones can be seen there, during science class, studying birds and trees, taking soil samples and searching the waters for animal life. Similarly, our physical education classes moved to the recreation area when, thanks to some members of the recreation committee and our local Jaycees, we added ice skating to our curriculum.

Our Parent Teachers Organization has, over the years, helped us move closer to the community by serving as a vital link of communication between town and school. As the P.T.O.'s membership expands and becomes more active, it performs an increasing service to all of us.

There has always been, of course, a bond between our local school and Otter Valley but perhaps our relationship deserves comment. Increasingly, we are sharing resources to our mutual benefit. We have shared our gymnasium and field facilities. They have let us use science equipment and had both their band and gymnastics team perform for us. Perhaps of greater benefit to both elementary and high school pupils, is the use of Otter Valley students as tutors. As many as two dozen Junior and Senior high students in a year's time have re-

turned to Lothrop to spend time with our pupils. Under supervision of our teachers, they have been of inestimable value to us.

We have barely made a start in removing the barriers that have grown around all schools during this century. Let us all hope during these Bicentennial years we can dedicate ourselves to re-establishing the school and community ties that once existed in America.

Respectfully submitted,

MR. ALF RYLANDER

Principal

OTTER VALLEY ASSESSMENT

The Otter Valley Union High School Board of School Directors is submitting to the voters of the Otter Valley Union High School District a budget in the amount of \$1,210,615.00 of which \$1,113,598.40 is to be raised by assessment upon the member districts. Pittsford's assessment would be \$364,318.17. This is determined by the fact that on November 15, 1975 the enrollment at Otter Valley from Pittsford was 300 out of 917 enrolled from member districts. This represents 32.7154% of the total. Comparable figures are as follows:

	1975-76	Proposed 1976-77
Total Assessed	\$1,009,386.00	\$1,113,598.40
Pittsford's Share	x.339817	x.327154
Pittsford's Assessment	\$ 343,006.52	\$ 364,318.17
Less State Aid	93,529.00	79,140.00

**PITTSFORD TOWN SCHOOL DISTRICT
PITTSFORD, VERMONT**

PROPOSED BUDGET 1976-1977

INCOME BUDGET:

	1975-1976	1976-1977
TAXES:	\$172,669.40	\$214,820.57

This includes the local tax requirements for the Lothrop School and Pittsford's share of Barstow. It does not include tax requirements for Pittsford's share of Otter Valley.

STATE AID:	\$ 97,672.00	\$ 68,564.00
-------------------	--------------	--------------

This represents an allotment of the total estimated State Aid reserved for elementary education. An additional estimated allotment of \$79,140.00 is reserved for a share of Pittsford's Otter Valley Assessment.

RENTAL OF BUILDING:	\$ 4,290.00	\$ 5,300.00
----------------------------	-------------	-------------

Pittsford School District is paid this amount of money for the use of their facilities for special education classes. Increase is due to the use of an additional classroom.

INTEREST ON INVESTMENTS:	\$ 1,000.00	\$ 1,000.00
---------------------------------	-------------	-------------

Any funds not immediately needed for the operation of the school are invested in Savings Accounts. Certificates of Deposit and Treasury Bills to the best advantage of the school district.

PINNEY FUND:	\$ 600.00	\$ 700.00
---------------------	-----------	-----------

Income from the Emma Burditt Pinney Trust Fund is used for support of the school.

STATE AID ON DEBT SERVICE:	\$1,238.00	\$ 1,238.00
-----------------------------------	------------	-------------

The State pays 20% of the school district's payments on principal and interest.

HOT LUNCH REFUND:	\$ 10,629.45	\$ 10,755.42
--------------------------	--------------	--------------

Salaries of Hot Lunch employees are paid by the school district and refunded by the Hot Lunch Fund including the employer's share of Social Security.

	1975-1976	1976-1977
CASH BALANCE:	0.00	\$ 2,445.00
Projected expenses at this time provide for a small cash balance for 1976-77.		
MISCELLANEOUS INCOME:	\$ 600.00	\$ 600.00
Each year through a variety of sources the district receives small amounts of income.		
TOTAL INCOME	\$288,698.85	\$305,422.99

DISBURSEMENT BUDGET

ADMINISTRATION:		
Salaries	\$9,887.42	\$7,502.49
Contracted Services	315.00	1,000.00
Other	<u>4,146.95</u>	<u>4,371.14</u>
	\$14,349.37	\$12,873.63

This account covers the direct expenses of the Board of School Directors and the Office of Superintendent of Schools. Salaries of School Officials such as directors, treasurer, clerk and Superintendent as well as employees such as the Administrative Assist. and clerical help in the Superintendent's office are paid from this account.

INSTRUCTION:

Salaries	\$152,071.42	\$155,011.79
Supplies	<u>15,292.66</u>	<u>15,098.26</u>
	\$167,364.08	\$170,110.05

Included in this account are the salaries of all teachers, principals, secretaries and instructional aides as well as supplies required for instruction such as textbooks, paper, pencils, magazines, audio-visual aids and library books.

ATTEND SERVICES

Expenses for	\$ 50.00	\$ 50.00
truant officers		
HEALTH SERVICES	\$ 1,281.13	\$ 1,372.13 \$ 1,372.13

Salary of Nurse - Expenses of Nurse's travel and supplies for health Program. Physical exams for staff .

PUPIL TRANSPORTATION SERVICES

Salaries	\$ 4,201.55	\$ 4,348.41	
Contracted Services	6,260.00	8,204.00	
Expenses	<u>3,500.00</u>	<u>4,075.00</u>	
	\$ 13,961.55		\$ 16,627.41

This account reflects an increase in salaries, contracted services, and normal maintenance cost.

OPERATION OF PLANT

Salaries	\$ 13,670.40	\$ 14,408.80	
Contracted Services	200.00	200.00	
Utilities & Supplies	<u>16,555.00</u>	<u>20,885.00</u>	
	\$ 30,425.40		\$ 35,493.80

The costs in this Account other than salaries, reflects the costs of heating fuel, electricity, water and sewer rent, and supplies.

MAINTENANCE OF PLANT

Contracted Services	\$ 4,300.00	\$ 3,800.00	
Replacement of Equip.	1,065.00	475.00	
Other	<u>200.00</u>	<u>200.00</u>	
	\$ 5,565.00		\$ 4,475.00

Costs of painters, plumbers, electricians, carpenters and other journeymen are charged to this account.

FIXED CHARGES	\$ <u>10,464.59</u>	\$ <u>12,077.90</u>	
	\$ 10,464.59		\$ 12,077.90

This account allows for the payment of employees retirement, Social Security and Property Insurance. This account also reflects interest on borrowing on anticipation of taxes.

FOOD SERVICES	\$ <u>10,042.00</u>	\$ <u>10,161.00</u>
	\$ 10,042.00	\$ 10,161.00

This Account provides for salaries of the Hot Lunch Workers. The increased costs are due to increase in salaries.

CAPITAL OUTLAY	\$ <u>1,050.00</u>	\$ <u>465.00</u>
	\$ 1,050.00	\$ 465.00

Remodeling & equipment are charged to this Account.

DEBT SERVICE	\$ <u>7,833.49</u>	\$ <u>7,643.97</u>
	\$ 7,833.49	\$ 7,643.97

Principal and interest payment on the Lothrop addition are charged to this Account. This year an additional amount of \$1,800.00 has been added in order to partially pay off the current debt, over a five year period, incurred by the purchase of a new school bus and a reduction in State Aid.

OUTGOING TRANSFER ACCOUNT	\$ <u>26,312.24</u>	\$ <u>34,073.10</u>
	\$ 26,312.24	\$ 34,073.10

Charges to educate Pittsford children elsewhere. Barstow Assessment and State of Vermont Special Education.

TOTAL EXPENDITURES	\$288,698.85	\$305,422.99
--------------------	--------------	--------------

P. F. JURGS & COMPANY
PUBLIC ACCOUNTANTS

September 4, 1975

To the Board of Directors of
Pittsford Town School District

We have examined the Receipts and Disbursements of the General, Hot Lunch and Title I - Project No. 73-014 EAF "B" Funds of the Pittsford Town School District for the year ended June 30, 1975. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary under the circumstances.

The scope of our examination did not include the audit of the Balance Sheets as of June 30, 1975 and, therefore, the Balance Sheets and Analysis of Changes in Fund Balance Statements for the aforementioned funds are not included in our report. The following statements have been prepared on the Cash Receipts and Disbursements method of accounting rather than the more generally accepted modified accrual basis of accounting.

In our opinion, the accompanying statements fairly present the Receipts and Disbursements of the aforementioned funds for the year ended June 30, 1975.

BOOTH MEMORIAL FUND

A trust bequest by Georgia B. Booth to produce income and interest arising therefrom used and expended towards the payment of the proper expenses of such worthy poor student or students, preferable residing in Pittsford, who may desire to obtain a business or normal school education in schools or institutions located in Vermont, and who would not otherwise be able to obtain such education, such student and students to be selected and designated from time to time by the Principal of the High School and Chairman of the Board of School Directors of the Town of Pittsford. Upon disillusion of Pittsford High School, the Superintendent of Schools of the Rutland Northeast Supervisory Union School District is designated in place of the principal.

PITTSFORD SANITARY LAND FILL

Rules

1. An attendant will be on duty during the hours the Sanitary Land Fill is open. His instructions must be followed in placing refuse and in all other matters governing the use of the Sanitary Land Fill.

2. The following will not be accepted:

A. Junk Cars.

B. Dead animals, or dead animal waste.

C. Trees and Brush.

D. Cesspool sludge.

E. Loose paper. Papers must be in a secure container, or securely tied in bundles to be acceptable.

F. All Vehicles, traveling through Pittsford Town or Village, carrying junk or garbage must be covered with a tarp or canvas of some kind.

3. Entry to the Sanitary Land Fill, except during regular hours is prohibited. Use of the Sanitary Land Fill is limited to residents of Pittsford. Entry permit may be obtained from the Town Clerk without charge.

4. See inside front cover for Hours of Operation.

**TOWN OF PITTSFORD
WARNING**

The legal voters in the Town Meeting of the Town of Pittsford are hereby notified and warned to meet at the Lothrop School Gymnasium (formerly Town Hall) in said Town on February 28, 1977 at 7:30 o'clock in the afternoon to transact any business not involving voting by Australian Ballot or voting required by law to be by ballot and to be held on the first Tuesday in March. This meeting shall be adjourned to the following day, in order to vote on all matters required to be voted on by Australian Ballot, or to be voted by ballot and to be held on the first Tuesday in March.

The following matters will come before the meeting to wit:

1. To hear the reports of the Town Officers and take appropriate action thereon.
2. To see if the Town will authorize the expenditure of the amounts set forth in the General Account Budget for the support of the General Departments and services of the Town.
3. To see if the Town will authorize to be raised by taxation the sum of ONE HUNDRED FOURTEEN THOUSAND FOUR HUNDRED FORTY - FOUR DOLLARS (\$114,444.00) to provide funds for the support of the General Departments and Services of the Town for the period from January 1, 1977 to December 31, 1977.
4. To see if the Town will authorize the expenditure of the amounts set forth in the Highway Account Budget for the support of the highways.
5. To see if the Town will authorize to be raised by taxation the sum of ONE HUNDRED FIFTEEN THOUSAND THREE HUNDRED DOLLARS (\$115,300.00) to provide funds for the highway needs of the Town for the period from January 1, 1977 to December 31, 1977.
6. To see if the Town will vote to collect taxes on real estate and personal property in installments, 1/3 on July 10, 1/3 on September 10, and 1/3 on November 10. (Sect. 4773 Title 32 VSA)
7. To see if the Town will vote for the collection of taxes by the Treasurer. (Sect. 4791 Title 32 VSA)
8. To see if the Town will authorize the Selectmen to borrow money for the temporary use of the Town. (Sect. 1786, Title 24, VSA)
9. To transact such other business as legally may come before said meeting at this time.

10. To adjourn this meeting until 12:00 Noon, March 1, 1977 to vote on the following matters only, to wit: To vote on articles 11 thru 17 by Ballot. Polls open for all articles to be voted on by ballot at 12 o'clock Noon and close at 6:00 P.M.

11. To elect all necessary Town Officers for the ensuing term of office.

12. To see if the Town will appropriate the sum of \$3,000.00 for the Pittsford Historical Society to help cover the cost of preparing a new History of Pittsford covering the century since Dr. Caverly's 1872, HISTORY OF PITTSFORD: and the cost of cataloguing and preserving Pittsford's Historical materials. (Based on the Grand List of April 1, 1976, a favorable vote will increase the Tax Rate by approximately \$0.046.)

13. To see if the Town will vote to establish a Reserve Fund under the provisions of Section 2804, Title 24, VSA and transfer thereto the sum of \$14,329.44 (Proceeds from sale of the Osborne House plus accrued interest.) (Based on the Grand List of April 1, 1976, a favorable vote will increase the Tax Rate by approximately \$0.22.)

14. To see if the Town will appropriate the sum of \$4,000.00 for the Recreation Area, which sum is approximately fifteen per cent of the fund needed to qualify for reimbursement for Federal and State matching aid of Twenty-Two Thousand Dollars (\$22,000.00) for improvement of the swimming area in the Town Recreation Area. (Based on the Grand List of April 1, 1976, a favorable vote will increase the Tax Rate by approximately \$0.061).

15. To see if the Town will appropriate the sum of \$500.00 for the support of the Rutland County Nutrition Project. (See Page 130 for a report on this activity.) (Based on the Grand List of April 1, 1976, a favorable vote will increase the Tax Rate by \$0.009.)

16. To see if the Town will vote to exclude construction and operation of commercial nuclear reactors, or any other nuclear facility, and the transportation, storage and disposal of radioactive waste from such reactors in the land, air or water of the Town of Pittsford. (included by petition)

17. To see if the Town will authorize the Selectmen to borrow, not to exceed TWENTY THOUSAND DOLLARS (\$20,000.00) plus interest, to be paid back over a period of two years, to pay for paving the portions of Class II and Class III highways which were reconstructed during 1976. (Based on the Grand List of April 1, 1976 approval of this Article will raise the Tax Rate of approximately \$0.18 in the year 1977 and \$0.16 in the year 1978.)

Selectmen:

John H. Barnard, Jr.

George A. Eugair

Ronald D. Moran

PITTSFORD TOWN SCHOOL DISTRICT

WARNING

The legal voters of the Pittsford Town School District are hereby notified and warned to meet at the Lothrop School Gymnasium on Monday, February 28, 1977 at 7:30 o'clock in the afternoon to transact any business not involving voting by Australian Ballot. This meeting shall be adjourned to the following day in order to vote on all matters required to be voted on by Australian Ballot. The Polls will be open from 12:00 o'clock Noon until 6:00 P.M. to vote for the School District Officers.

- Article I. To hear and act upon the reports of the Town School District Officers.
- Article II. To have presented by the Board of School Directors of the Pittsford Town School District their estimate of expenses for the ensuing year and to appropriate such sum as it, the Pittsford Town School District, deems necessary for said expenses together with the amount required to pay any balance left unpaid from the preceeding year, expressing said sum in dollars in its vote.
- Article III. To authorize the Board of School Directors to borrow money in anticipation of taxes to meet the necessary expenses of the Pittsford Town School District.
- Article IV. To see if the voters of the Pittsford Town School District will appropriate the sum of four thousand five hundred dollars (\$4,500) for renovations to the entrance of the Lothrop School Gymnasium so that it may be more accessible to the physically handicapped.
- Article V. To transact any other business proper to be done when met.
- Article VI. To adjourn to Tuesday, March 1, 1977 between the hours of 12:00 o'clock Noon and 6:00 P.M. to elect by Australian Ballot the following officers:
 - a) A school director for a term of one year.
 - b) A school director for a term of three years.
 - c) A school director for a term of two years.
 - d) A school director for a term of one year.
 - e) A school director to the Otter Valley Union High School District No. 8 for a term of three years.

Received and Recorded January 21, 1977

MR. GORDON DELONG
Town School District Clerk

Board of School Directors
MR. NORMAN HARVEY, Chairman
MRS. KRISTINA CADY, Clerk
DR. EDGAR HOLMES, III
MR. C. BAIRD MORGAN, JR.
MR EDWARD WHEELER, JR.

AUDITORS REPORT

In accord with Sub Chapter 5, Chapter 51, Title 24 of Vermont Statutes Annotated, we have examined the Records and Accounts of the Town and Town School District as shown in Auditors Exhibits 1 through 13.

We have verified the existence of Stated Cash Balances and examined all Securities in the hands of the Town Treasurer.

To the best of our knowledge, Exhibits 1 through 13 represent the Financial Transactions of the Town for the Fiscal Year ending December 31, 1976 and Town School District for the Fiscal Year ending June 31, 1976.

ACCOUNTING SYSTEM: The Auditors did not achieve their objective last year as set forth under "BALANCE SHEETS" in our last year's report. As a result of the error which occurred in the estimate of taxes to be raised for the General Fund last year, we fully intend to develop a system of accounting which will be comprehensive enough to accurately and in detail, record all financial transactions of the Town and Town School District; and will continuously reflect the changes in Assets and Liabilities throughout the year. We think we can do it.

Estimate of Taxation Based on Grand List of \$66,045.56 as of April 1, 1976

	1976		1977	
	Amount Assessed	Tax Rate	Amount Budgeted	Tax Rate
TOWN:				
General Fund	\$ 58,275.00	.89	\$114,444.00	1.73
Highway Fund	98,983.00	1.50	115,300.00	1.75
	<hr/> 157,258.00	<hr/> 2.39	<hr/> \$229,744.00	<hr/> 3.48
TOWN SCHOOL DISTRICT:				
Lothrop Grade School	231,024.57	3.49	230,722.00	3.49
Otter Valley Union	304,153.10	4.60	332,524.00	5.04
High School	<hr/> 535,177.67	<hr/> 8.09	<hr/> 563,246.00	<hr/> 8.53
TOTAL TOWN AND TOWN SCHOOL DISTRICT BUDGETS	692,435.67	10.49	792,990.00	12.01

Notes:—

1976 Town: If the required amount for the General Fund had been raised by Taxation, the General Fund Assessment would have been \$98,186. and the General Fund Tax would have been \$1.43. See General Fund Balance Sheet Auditors' Notes.

1976 Town School District. The figures shown for the School District are the amounts actually assessed. They differ from the sums shown in the School District Budget last year due to a slight increase in State Aid, the addition of a Kindergarten locally and the approval of additions to the Otter Valley Budget at the Otter Valley Annual Meeting.

FOOD STAMP PROGRAM

The Food Stamp Program begun in 1967 continued at this office for the year 1976. During the year \$22,134.50 was paid by recipients and they were issued stamps to the value of \$47,004.00. There were 1,270 individual transactions. Fifty reports were made to the Social Welfare Department in Montpelier.

PROPERTY TRANSFER TAX

A total of \$7,154.33 was remitted to the State Tax Department on the Property Transfer Tax collected by this office. This represents real estate sales of approximately \$1,369,590.00 in Pittsford during 1976.

AUDITOR'S NOTES:

The Food Stamp Account of the Town Clerk has been audited and found correct. This audit covered verification of the stamp books on hand at the beginning of the year, plus those received during the year, those sold during the year and balance of books on hand at the end of the year; also verification of cash transactions during the year.

	<hr/>	<hr/>
SUB-TOTAL LIABILITIES	\$80,475.00	\$100,000.00
FUND BALANCE: (Deficit)	<hr/> (2,627.30)	<hr/> (\$18,581.91)
TOTAL LIABILITIES AND FUND BALANCE	\$77,847.70	\$ 81,418.09

Auditors' Notes: General Fund

The Deficit of \$18,581.91 is the result of an error in calculating the amount of Taxation necessary to operate the General Fund in 1976. The following comparison shows the error:

	Erroneous Budget	Correct Budget
Balance, 1 January (Deficit)	16,399.38	(\$2,634.20)
Estimated Receipts:		
From Highway Fund 1975 deficit	11,848.14	none
From Sewer Fund 1976 deficit	6,029.63	none
Permits & Licenses	1,400.00	1,400.00
Inter governmental transfer	800.00	800.00
Town Clerk's Fees	2,200.00	2,200.00
	<hr/>	<hr/>
TOTAL ESTIMATED RECEIPTS	22,277.77	4,400.00
TOTAL ESTIMATED RECEIPTS & BALANCE	38,677.15	1,765.80

Exhibit 4

Thus the Tax Bill should have been higher by \$36,911.35 (\$38,677.15 - 1,765.80). This would have required an increased Tax rate of \$0.55 making the correct tax rate for 1976 \$1.43 instead of the \$0.88 actually assessed.

This error was unfortunate but understandable considering the brief time available to compile the Town Report and get the copy to the printer in sufficient time to insure that the Report reaches the voters as required by Statute.

Note:

The following information has been extracted from "General Information Antirecession Fiscal Assistance" published by the Department of the Treasury, Office of Revenue Sharing, October 1976.

This is a temporary fund established by the Federal Government for emergency assistance to State and Local units of General Government. The Program will last for five calendar quarters, maximum.

The amount to be received by a unit of government is determined by formula and may vary from quarter to quarter as determined by the variables in the formula.

Funds must be obligated to disbursed within six months of receipt.

The money must be used to maintain basic services.

Funds are **NOT** to be used for construction or to acquire supplies and equipment unless necessary to **CONTINUE** to provide basic services. Construction will be limited to structural repairs.

DELINQUENT TAX REPORT

	POLLS	PROPERTY	TOTALS
Delinquent as of December 31, 1975	5,572.14	22,423.42	27,995.56
Received from Treasurer for Collection during 1976	5,000.75	38,182.13	43,182.88
Sub-Total	10,572.89	60,605.55	71,178.44
Collected or Abated during 1976	2,795.12	31,627.30	34,422.42
Delinquent as of December 31, 1976	\$7,777.77	\$28,978.25	\$36,756.02

Auditors' Note: Concern has often been expressed about the magnitude of Delinquent Taxes as shown in the Town Report as of December 31st. Property taxes do not become delinquent until November 10th. Consequently the amount shown in the Town Report is close to the maximum amount delinquent at any time during the Town fiscal year. During 1976 the minimum of Delinquent Polls, \$4,089. in round numbers, was reached in July. The minimum in Delinquent Property Taxes, \$2,677. in round numbers, was reached in October. This is the lowest amount of Delinquent Property Taxes that has been reached in a number of years.

BOWEN WALKER FUND

The Principal of the Fund is in the Custody of the Proctor Trust Co. as follows:—

	Book Value
\$5,000.00 State Street Boston Financial Corp. Notes 9% due 2/15/83	\$5,050.00
100 Shares Crocker Nat'l Corp. \$3. CV PFD	5,000.00
Proctor Trust Co. Savings Account	130.00
Income transferred to Bowen Walker Checking Account:	
7/15/76	\$383.12
1/15/77	348.94

This Fund has not been audited due to the hospitalization of the Treasurer of the Fund. It will be audited at a later date.

Exhibit 10

PUBLIC FUNDS

The Public Funds in the hands of the Trustees consist of the Pinney Fund and the Dan D. Burditt Fund, so called.

The Pinney Fund consists of two Certificates of Deposit of the Rutland Savings Bank in the amounts of \$2,600.00 and \$7,500.00 each drawing interest at the rate of 7 ½% per year. The income from the Fund has been turned over to the Town School District in accord with the terms of the Trust.

The Assets of the Dan D. Burditt Fund are in the custody of the Proctor Trust Co. which has certified that they hold such Assets. The only disbursement has been the Agent Fee of the Proctor Trust Co. See Report of the Trustees, Page 127.

SELECTMEN'S REPORT

1976

SANITARY LAND FILL

Sanitary Landfill permits may be obtained at the Town Clerk's Office at no cost. All trucks carrying trash to the Landfill must be covered. Due to the continued escalating cost of operating the landfill we will not increase the hours the landfill will be open.

SEWAGE DISPOSAL PLANT

It will be necessary to raise the Sewer Rates by \$20.00 in 1977. This will make a total sewer rate of \$75.00 per unit. This increased rate is necessary due to the escalating cost of general operation, including employee fringe benefits and increased utility rates. It was also necessary to borrow \$16,000.00 to cover the cost of construction of the Arch Street sewer project this past summer. This construction was required by the state to correct the high water infiltration into our sewer system, particularly during heavy rain storms.

The Town has a Sewer Ordinance whose regulations must be followed. A copy of the Sewer Ordinance is available at the Town Clerk's Office.)

DELINQUENT TAXES

Mr. William Valentine is still assisting the Selectmen in the collection of delinquent taxes. If necessary Mr. Valentine will once again conduct tax sales in order to close several delinquent tax accounts.

REVENUE SHARING

The expenditure of Revenue Sharing Funds will be discussed and voted at special warned hearings after March 1. It is the hope of the Selectmen that these funds will be allocated for highway use.

HIGHWAYS

We are requesting, by ballot, the authorization to borrow \$20,000.00 to finance the paving of portions of Class II and Class III highways which were reconstructed in 1976. This will be paid back in a two year period. The highway deficit of \$460.05 is due to the severe December weather resulting in extra man hours, salt and sand.

WATER DEPARTMENT

The Board of Selectmen has contracted with the Engineering Firm of Dufresne-Henry to conduct a study of the Town Water System. The purpose of the study is to

inventory the systems facilities and determine the needs of the system to improve water service. It is expected that improvements will be necessary to conform to State and Federal regulations regarding drinking water. We expect the study, which is being financed thru the State Agency of Environmental Conservation, to be completed in the fall of 1977.

IN MEMORIAM

The Board of Selectmen extends deepest sympathy to the family of Mr. Edward Pomainville. Mr. Pomainville served the Town of Pittsford as a Selectman for several years.

Respectfully submitted:

John Barnard, Jr.
George A. Eugair
Ronald D. Moran

Selectmen

PITTSFORD FIRE DEPARTMENT

We were called out 58 times this year for the following types of calls:

16 oxygen and emergency	2 mutual aid calls
13 chimney fires	2 house fires
7 false alarms	1 shed fire
5 vehicle fires	1 barn fire
5 grass fires	1 flooded oil burner
4 school alarms	1 forest fire

Chimney fires have continued to increase in number. The major cause of these fires is the use of wood combined with a lack of proper maintenance. Chimneys should be cleaned several times each heating season, depending upon the type of wood you are burning. Wood heating units should be properly installed and maintained at all times. We have found many dirty chimneys, improperly installed heating units, and poorly maintained stove pipes in the past year. Most unlined and older chimneys are not safe, especially if you are burning wood.

This Fall the members of the Nickwackett Hose Company purchased a used fuel oil truck with a capacity of 2500 gallons. The men are now converting this truck for use as a fire department tanker. They have also purchased a new 610 G.P.M. Pump, which is being installed on this tanker. The cost to the Nickwackett Hose Co. will be approximately \$5,500. It is expected to be in service sometime in February. The old 700 gallon tanker will be sold as soon as this truck is ready for use. This piece of equipment will be donated to the Town by the members of the hose company at no cost to the taxpayers. The funds are being raised through our booster club, beef barbeque, and other fund raising activities of the hose company.

During 1976 Bruce Babcock, Odell Johnston, Raymond Bushey, and Arland Phillips joined the fire department. During the same time Steven Greeno, Allen Hooker, David Hasbrouck and Don Peach left the department for personal reasons.

Seventeen men from our department and surrounding communities attended a basic 45 hour firemanship course, held at our station. This course was taught by Lt. Charles Taylor of the Rutland City Fire Department.

We would recommend the installation of any approved fire detection device. Early detection of a fire would lower the amount of damage to property and reduce the possibility of injury or death. Approved alarms are available at a very reasonable price through local retail outlets. Information can be obtained from the State Fire Marshall's office as to which brand names are approved by the State of Vermont.

We were able to end the year with a surplus of \$41.49 in our operating budget. Our proposed budget for 1977 will not be increased.

I would like to thank all of the people who helped the fire department in the past year through their services, donations and support of our fund raising activities. I'd also like to thank the members of the fire department for their many hours of service and cooperation.

In Case of fire or emergency — 483-2823
Non-emergency firehouse — 483-2821

Harry McKinlay
Fire Chief
Vernon Guyette, President
Nickwackett Hose Co.

Auditors Notes Schools

As a result of suggestions from several sources, the Report of the Town School District has been placed immediately following the Selectmen's Report in order to consolidate all financial considerations at the front of the Report. We hope that these arrangements will make the Report more convenient for the voters.

The Auditors Exhibits pertaining to the School District, Exhibits 11 and 12 follow immediately behind these notes.

The Debt Schedule as shown in the School District Report has been audited and found correct.

The Articles from the Town School District Warning are repeated below for the convenience of the voters.

- Article I. To hear and act upon the reports of the Town School District Officers.
- Article II. To have presented by the Board of School Directors of the Pittsford Town School District their estimate of expenses for the ensuing year and to appropriate such sum as it, the Pittsford Town School District, deems necessary for said expenses together with the amount required to pay any balance left unpaid from the preceeding year, expressing said sum in dollars in its vote.
- Article III. To authorize the Board of School Directors to borrow money in anticipation of taxes to meet the necessary expenses of the Pittsford Town School District.
- Article IV. To see if the voters of the Pittsford Town School District will appropriate the sum of four thousand five hundred dollars (\$4,500) for renovations to the entrance of the Lothrop School Gymnasium so that it may be more accessible to the physically handicapped.
- Article V. To transact any other business proper to be done when met.
- Article VI. To adjourn to Tuesday, March 1, 1977 between the hours of 12:00 o'clock Noon and 6:00 P.M. to elect by Australian Ballot the following officers:
 - a) A school director for a term of one year.
 - b) A school director for a term of three years.
 - c) A school director for a term of two years.
 - d) A school director for a term of one year.
 - e) A school director to the Otter Valley Union High School District No. 8 for a term of three years.

AUDITORS' NOTES: — RECEIPTS

Note

(1) Budget Voted at Town Meeting March 1975

(2) Budget voted at Town Meeting March 1976, the figure revised from 1975 Town Report to included additional taxation for Kindergarten.

(3) Budget to be acted upon at Town Meeting March 1977

(4) This figure does not include the Otter Valley Assessment. After the Otter Valley Union District has approved its Budget the Pittsford share of the Otter Valley Assessment becomes an obligation of the Pittsford Town School District and the School Directors must submit to the Selectmen for inclusion in the Tax Bill.

The additional taxation necessary is as follows:

Budget 1975 -76	\$343,006.53	
1976-77	384,274.56	
		Revised to include additional assessments as voted under special Articles at the Annual Meeting
1977 -78	420,244.53	Estimated

(5) The figures shown in the Budget Columns for Hot Lunch is the estimated cost of the salaries and other expenses of the Lunch Program paid by the School District. The Hot Lunch Account reimburses the District for the salaries of the Hot Lunch people at the end of the school year.

(6) Voided Checks — This figure represents two checks which have been carried for several years and are still outstanding — consequently payment was stopped to clear the books.

The 1976 -77 Budget figures have been revised from last year's town report in order to reflect the additional monies approved for the Kindergarten Program in Pittsford. The Articles approving the program and the additional \$21,000.00 was approved at a special meeting on June 1, 1976.

The foregoing is the Accounting of the First Vermont Bank, Trustee of the Fund, to the Rutland District Probate Court.

PITTSFORD TOWN SCHOOL DISTRICT**PITTSFORD, VERMONT**

We hereby submit the report of the School Directors and the Superintendent of Schools for the 1976-77 academic year.

SCHOOL STAFF

There were several new faces on our staff this year. Mrs. Diane Pawlusiak replaced Mrs. Susan Johnson at sixth grade. Mrs. Gloria Montague replaced Mrs. Frances Hudson at third grade. Mrs. Melanie Clerihew moved to first grade. Mrs. Joan Smiel replaced Mrs. Cecelia Belisle. Mrs. Deborah Scranton was hired to replace Mrs. Clerihew at fourth grade. Miss Carol Hall was hired for the new Kindergarten position.

Mr. Marvin Dodge has been hired to replace Mr. David Hasbrouck as head custodian. Mr. David Fox replaced Mr. John Bissette as custodian. Mr. Chester Wells replaced Mr. David Hasbrouck as bus driver. Mr. Robert Jackson replaced Mrs. Barbara Poro as bus driver.

At a Supervisory Union level, Mr. Alan Carmasin has become Elementary Guidance Director replacing Mrs. Carol Cesaro. His counseling duties were shifted from the upper grades to the primary grades. Mr. Bert Friedman was hired to handle counseling at the upper grades. Mrs. Judith Hawley became the full time Learning Disabilities Tutor for the Lothrop School as Mrs. Ruth Colburn became a full time Tutor at Barstow. Mrs. Carolyn Goss was added as a half time secretary for the Mobile Library program.

We are now in the process of negotiating a new Master Contract with our teachers. The first contract was for a two year period with a provision to reopen at the end of one year for salary schedule only. The first contract has worked well and relations between staff, administration and the Board have been good. The Otter Valley Teachers' Association and the Rutland Northeast Education Association have joined together for purposes of negotiating the new contract.

CURRICULUM

The most notable change to our school program was the addition of Kindergarten. We currently have forty students enrolled, approximately twenty in each of two half day sessions. For ease of transportation the two sessions cover different geographic sections of the community with those in the morning session having the farthest to travel. The program begins with a focus on developing self help skills, motor coordination, socialization and perceptual skills. In the last half of the year emphasis will be given to more formal readiness activities in Reading, Math, Social Studies and Science. Physical health and nutrition are very much a part of the program. Our school program is much better off because of the presence of Kindergarten.

Beginning next year, each student will have to be evaluated at least annually in terms of Basic Competencies established by the Vermont State Board of Education. We have been preparing for this. For several years our educational program has been becoming increasingly individualized and competency based. Through parent-teacher conferences we have been reporting on competencies

appropriate for grade levels and individual students; a practice which goes beyond that prescribed by the State.

SCHOOL PLANT

The increasing concern for energy conservation has caused us to look at our school plant in a different way. When our present schools were constructed energy was cheap and readily available. We are insulating both the Lothrop School and Gymnasium with a cap this year. We are budgeting to install storm window and screen units for next year. The storm window units are expected to reduce the maintenance required on exterior windows as well as reducing heat loss. The cost of these two projects should be recovered in three to four years.

Our school facilities continue to be inadequate for our school program. Following defeat at the special Pittsford Town School District meeting of the site acquisition, we have waited to see what the public reaction will be to the Otter Valley proposal this Spring. It is expected that their proposal would provide adequately for grades seven through twelve. If it is accepted, we would then present a proposal for grades K through six.

FINANCES

The budget which we are preparing of \$340,256.65 is an increase of \$13,833.66 or 4.24 per cent. Increased General State Aid resulting from the addition of the Kindergarten and a conservative estimate of an increased appropriation by the Vermont State Legislature prompts us to ask for \$230,722.00 in local tax support. This is a decrease of \$5,098.57 in taxes or 2.2 per cent.

A special Article has been provided for improvements to the entrance of the Gymnasium (Town Hall). A number of public meetings are held there each year. It is difficult for some of our older citizens and physically handicapped to negotiate the stairs and the doors. The project involves raising the pad under the portecochere and providing an exterior porch at door level. The number of steps is reduced. Through regrading, a ramp is provided to the new level of the entrance pad. While the solution is not ideal, it is a vast improvement. We recommend a favorable vote.

TRANSPORTATION

For a variety of reasons it has become necessary for us to discontinue the previous arrangement which we had with Miss Elizabeth Hendee. New Federal and State regulations would require Miss Hendee to secure a new bus. With improved roads we have been able to cover some areas previously covered by Miss Hendee with a larger bus. It would appear that we can provide the service ourselves at a saving of about \$3,000 per year. A decision has not been reached on the type of vehicle or service to be provided.

We have been very pleased with the service provided by Miss Hendee. The Pittsford Town School District owes her a deep debt of gratitude for all she has done. We hope that she will continue with us as a bus driver.

GENERAL

The Lothrop School Parent-Teachers Organization has been reactivated. We appreciate their many projects on behalf of our students. The playground is a major project which they have undertaken.

The efforts and support of many others is necessary for Pittsford to have the fine elementary school program which it enjoys. To all we say, thank you.

Respectfully submitted,
 Mr. Norman Harvey, Chairman
 Mrs. Kristina Cady, Clerk
 Dr. Edgar Holmes, III
 Mr. C. Baird Morgan, Jr.
 Mr. Edward Wheeler, Jr.
 Mr. Lloyd A. Kelley, Jr.
 Superintendent of Schools

THE PRINCIPAL'S REPORT

Several changes have taken place at the Lothrop School during the past year. The most important, naturally, is the addition of a much needed Kindergarten. In the past, about one-half of the children entering our first grade would have had prior school experience. These fortunate children would have had training in fine motor control tasks such as cutting, coloring and printing, tasks that are prerequisites to learning to read. These children would also have had training in concept development (imagine trying to instruct 20 first graders when half do not understand concepts such as: above, behind, over, under). And, of course, all of next year's first graders will have had what is probably their most important experience: learning that they are members of a group who have to share and cooperate with others. Our new Kindergarten will not and cannot solve all our educational problems but we are confident that it will minimize many of them.

Another conspicuous change at Lothrop is the number of changes in our faculty. With the retirement of Mrs. Frances Hudson and Mrs. Cecelia Belisle and the loss of Mrs. Susan Johnson, we were concerned about maintaining the quality of our educational program. While these teachers have been missed, we have had the very good fortune to find some very adequate replacements. To avoid repetition, let me say they are all young, experienced and highly proficient. Mrs. Diane Pawlusiak, Mrs. Deborah Scranton, Mrs. Gloria Montague and Miss Carol Hall have filled the vacancies in grades 6, 4, 3 and Kindergarten respectively.

Some things haven't changed at Lothrop: the quality of education. Every year we test several of our classes with a nationally standardized achievement test. Results indicate that an average of 82 to 88 per cent of our students read on a level of average to above when compared with similarly-aged students throughout the country, and 75 to 78 per cent of our students are average or above in mathematics, again compared on a national basis.

Speaking as a citizen of Pittsford for a moment, let me say how proud I am of the performance of our children. Also let me pay tribute to those responsible for our educational achievement: our teachers. Never have I worked with so dedicated or cooperative a group of professionals.

OTTER VALLEY ASSESSMENT

The Otter Valley Union High School Board of School Directors is submitting to the voters of the Otter Valley Union High School District a budget in the amount of \$1,433,274.00 of which \$1,348,658.00 is to be raised by assessment upon the member districts. Pittsford's assessment would be \$420,244.53. This is determined by the fact that on November 15, 1976 the enrollment at Otter Valley from Pittsford was 282 out of 905 enrolled from member districts. This represents 31.1602 per cent of the total. Comparable figures are as follows:

	1967-77	Proposed 1977-78
Total Assessed	\$1,174,598.40	\$1,348,658.00
Pittsford's Share	x.327154	x.311602
Pittsford's Assessment	\$ 384,274.56	\$ 420,244.53
Less State Aid	93,529.00	87,721.00
To Be Raised by Taxes	\$ 290,745.56	\$ 332,523.53

PITTSFORD TOWN SCHOOL DISTRICT

PITTSFORD, VERMONT

PROPOSED BUDGET 1977-1978

INCOME BUDGET:	1976-77	1977-1978
TAXES:	\$235,820.57	\$230,722.00
This includes the local tax requirements for the Lothrop School and Pittsford's share of Barstow. It does not include tax requirements for Pittsford's share of Otter Valley.		
STATE AID:	\$ 68,564.00	\$ 89,742.50
This represents an allotment of the total estimated State Aid reserved for elementary education. An additional estimated allotment of \$87,721.00 is reserved for a share of Pittsford's Otter Valley Assessment.		
RENTAL OF BUILDING:	\$ 5,300.00	\$ 4,500.00
Pittsford School District is paid this amount of money for the use of their facilities for special education classes. Increase is due to the use of an additional classroom.		
INTEREST ON INVESTMENTS:	\$ 1,000.00	\$ 800.00
Any funds not immediately needed for the operation of the school are invested in Savings Accounts. Certificates of Deposit and Treasury Bills to the best advantage of the school district.		
PINNEY FUND:	\$ 700.00	\$ 700.00
Income from the Emma Burditt Pinney Trust Fund is used for support of the school.		
STATE AID ON DEBT SERVICE:	\$ 1,238.00	\$ 1,170.00
The State pays 20 per cent of the school district's payments on principal and interest.		
HOT LUNCH REFUND:	\$ 10,755.42	\$ 11,422.00
Salaries of Hot Lunch employees are paid by the school district and refunded by the Hot Lunch Fund including the employer's share of Social Security.		

	1976-1977	1977-1978
CASH BALANCE:	\$ 2,445.00	\$ 1,000.00
Projected expenses at this time provide for a small cash balance for 1977 -1978		
MISCELLANEOUS INCOME:	\$ 600.00	\$ 200.15
Each year through a variety of sources the district receives small amounts of income.		
TOTAL INCOME	\$326,422.99	\$340,256.65

DISBURSEMENT BUDGET:

	1976-1977	1977-1978
ADMINISTRATION:		
Salaries	\$ 7,775.77	\$ 8,764.73
Contracted Services	1,000.00	425.25
Other	4,634.10	5,313.21
	<hr/>	<hr/>
	\$ 13,409.87	\$ 14,503.19

This account covers the direct expenses of the Board of School Directors and the Office of Superintendent of Schools. Salaries of School Officials such as directors, treasurer, clerk and Superintendent as well as employees such as the Administrative Assist. and clerical help in the Superintendent's office are paid from this account.

INSTRUCTION:

Salaries	\$164,500.17	\$170,447.37
Supplies	16,530.37	18,241.28
	<hr/>	<hr/>
	\$181,030.54	\$188,688.65

Included in this account are the salaries of all teachers, principals, secretaries and instructional aides as well as supplies required for instruction such as textbooks, paper, pencils, magazines, audio-visual aids and library books.

ATTENDANCE SERVICES:	\$ 50.00	\$ 50.00
Expenses for truant officers.		

HEALTH SERVICES:	\$ 1,433.83	\$ 1,742.01
Salary of Nurse — expenses of Nurse's travel and supplies for health program. Physical exams for staff.		

	1976-1977	1977-1978
PUPIL TRANSPORTATION SERVICES:		
Salaries	\$ 6,460.61	\$ 9,004.00
Contracted Services	8,204.00	0.00
Expenses	4,875.00	9,500.00
	<hr/>	<hr/>
	\$ 19,539.61	\$ 18,504.00

This account reflects an increase in salaries and normal maintenance costs. Also reflected here is the replacement of the contracted services and hiring an additional driver to drive a new bus. The cost of the new bus is reflected under Debt Service.

OPERATION OF PLANT:		
Salaries	\$ 15,058.80	\$ 17,066.00
Contracted Services	200.00	800.00
Utilities & Supplies	22,765.00	21,342.20
	<hr/>	<hr/>
	\$ 38,023.80	\$ 39,208.20

The costs in this account other than salaries, reflect the costs of heating fuel, electricity, water and sewer rent and supplies.

MAINTENANCE OF PLANT:		
Contracted Services	\$ 4,020.00	\$ 3,900.00
Replacement of Equipment	525.00	700.00
Other	200.00	300.00
	<hr/>	<hr/>
	\$ 4,745.00	\$ 4,900.00

Costs of painters, plumbers, electricians, carpenters, and other journeymen are charged to this account.

FIXED CHARGES:	\$ 12,366.53	\$ 12,737.28
----------------	--------------	--------------

This account allows for the payment of employees' retirement, Social Security, and property insurance. This account also reflects interest on borrowing in anticipation of taxes. This includes unemployment comp., a new item for school districts.

FOOD SERVICES:	\$ 10,161.00	\$ 10,791.00
----------------	--------------	--------------

This account provides for salaries of the Hot Lunch workers. The increased costs are due to increase in salaries.

	1976 -1977	1977 -1978
CAPITAL OUTLAY:	\$ 3,835.00	\$ 5,266.00
Remodeling and new equipment is charged to this account. Also reflected here is the installation of storm windows on the Lothrop School.		
DEBT SERVICE:	\$ 7,643.97	\$ 8,755.00
Principal and interest payments on the Lothrop addition are charged to this account. This year, an additional amount of \$3,000. has been added in order to partially pay off the current debt over a five year period, incurred by the purchase of a new school bus.		
OUTGOING TRANSFER ACCOUNT	\$ 33,964.91	\$ 25,776.50
Charges to educate Pittsford children elsewhere. Barstow Assessment and State of Vermont Special Education.		
TOTAL EXPENDITURES	\$326,422.99	\$340,256.65

The 1976 -1977 budget figures have been revised from last year's town report in order to reflect the additional monies approved for the Kindergarten Program in Pittsford. The articles approving the program and the additional \$21,000.00 were approved at a special meeting on June 1, 1976.

TOWN CONSTABLES' REPORT**1976**

During the year 1976 all the usual types of complaints were handled. The past year burglaries have been our greatest problem. Since fall we have under surveillance homes of those who reported being absent. Please report anything of a suspicious nature. Your concern is greatly appreciated.

All Village and Town Roads patrolled Cabbage Night and Halloween Night. Traffic Duty for Memorial Day Parade. Also Traffic and Police Protection for the 4th of July Parade and Celebration at Recreation Area.

Crime is not caused by any single factor, and it will not be eliminated by any single program. One of the greatest mistakes we could make in fighting it is to expect an overnight solution to a problem not yet even accurately identified. But through the involvement of our citizens of Pittsford and the nation can substantially reduce the crime problem just as surely as America has overcome so many unsurmountable problems in the past, with the indignation of American citizens marshalled into action, who knows what the result might be?

Thank you for your cooperation.

Respectfully submitted,
Harold A. Haviland,
1st Constable
James E. Parker,
2nd Constable

REPORT OF FOREST FIRE WARDEN

There was 1 minor forest fire this year. The State reimburses the Town for a certain percent of the cost.

72 permits to burn were issued in 1976. "Permits to Burn" are required at all times, except when snow is on the ground, at all locations which are within 200 feet of inflammable plant material which touches or adjoins woodlands.

I wish to thank Mr. Emil Hammond, Assistant Fire Warden, for all his help this past year.

To obtain permits for burning, please telephone:

483-2866

483-6751

Respectfully submitted
Raymond Parker,
Fire Warden

ANNUAL REPORT — 1976**Fuel Coordinator — Town of Pittsford**

For the past three years, I have served as Fuel Coordinator of the town of Pittsford. This position, which exists under the authority of the State Department of Public Safety (Civil Defense Division), was created three winters ago in response to the "fuel crisis." In this capacity, my responsibility is to act on behalf of persons with emergency fuel needs, who because of financial difficulties, are unable to meet them.

As of early January, when this Report is being written, three fuel emergencies have been called to my attention. This is not many. Yet, the greater part of the winter remains before us, and if the long-range forecasters are right, it may be a hard one. So the strong likelihood remains that more emergencies will arise. Nor is it to be forgotten, regardless of the numbers, that each emergency is a genuine crisis for the people involved, and requires immediate and decisive action.

With severe cut-backs at the State level, the task of obtaining needed funds to cover emergencies has been more difficult this year than it has in the past. Funds gleaned from paper recycling (terminated as of December), are practically gone. And the Bowen Walker Fund is limited. Were it not for an unexpected grant to the Rutland Opportunity Council, funds available to me in the performance of this position would be virtually nonexistent.

In order to meet this situation next winter, I intend to ask that an article be submitted to the Town Meeting this year, making at least minimal funding available at the Town level. Such funds would be reserved for absolute "last resort" use, if or when all other avenues had been exhausted. With luck, such a fund would never have to be used. Yet, it would be helpful to the Fuel Coordinator to know that, should all other sources be exhausted, there is at least one final resort available, before he begins dipping into his own pocket. A Fuel Coordinator with no funds available to him would be of little help to the community.

Respectfully submitted,
Rev. Robert W. Gardiner

**RUTLAND AREA VISITING NURSE
ASSOCIATION, INC.**

**ANNUAL REPORT
TO THE
TOWN OF PITTSFORD**

As the Director of the Rutland Area Visiting Nurse Association, Inc., it is my pleasure to present our Annual Report for the year 1976.

The home health care demand continues to grow and we are striving to provide the best possible quality and quantity of care to the people in your area. Our program still includes Skilled Nursing, Physical Therapy, Speech Therapy, Occupational Therapy and Homemaker Home Health Aide Service. We provide preventive health clinics to Senior Citizens and supply nursing staff to Well Child Conference Clinics. We now have a home dialysis nurse to provide service in the home and we also do contract school nursing.

The Agency continues to work with all agencies in the county to coordinate and try to bring the best possible continuity of care to all people in need. We work closely with the hospital and extended care facilities for better discharge planning. We provide pre-natal classes for expectant parents with follow-up care in the home for the new born and mother if there is a need.

Total direct services into the home that have been provided in your area are as follows:

Skilled Nursing Visits	672
Physical Therapy Visits	36
Speech Therapy Visits	20
Occupational Therapy Visits	4
Homemaker -Home Health Aide Visits	308

We are a certified Home Health Agency, meeting all federal requirements under the Medicare Program.

We do many evaluation visits in the home for physicians to determine patients needs and report back, possibly preventing hospitalization. This continues to be a very worthwhile part of our program even though it is not a chargeable visit.

I would like to express our appreciation for the interest and the support given by your town for the past years and also for the future. We are always happy to provide all the health services that we can. If your town has special needs and requests, let us hear from you.

We are looking forward to continued growth in the coming year.

Respectfully submitted,
Evelyn Morgan
Director

ANNUAL REPORT RUTLAND COUNTY HUMANE SOCIETY

During last year, we cared for about 3250 animals at our Shelter on Stevens Road, an increase of 200 over the previous year. Of these, 115 dogs and 126 cats were from Pittsford. Our Agent, Ed Wheeler, checked out complaints throughout the County, answering 17 calls in Pittsford.

Our operating expenses were over \$20,000.00 — not including the cost of building a new stable. Our average cost per animal handled is about \$6.00.

Income is derived from membership dues, fund-raising activities and donations from individuals, Rutland City and Towns in the County.

The Shelter is open to the public Saturdays, 9-11; Sundays, 1-5; other days, 10-5. We welcome visits from anyone interested in our work, especially groups of young people.

We are indeed very grateful for the support we have always received from the officials and other citizens of Pittsford.

January 21, 1977

RUTLAND MENTAL HEALTH SERVICE, INC.

Town of Pittsford
Pittsford
Vermont

January 6, 1977

Dear Selectmen:

On Town Meeting Day in 1976, the residents of Pittsford approved an allocation of \$750.00 for Rutland Mental Health Service to help support services provided to your townspeople of all ages and incomes. This year, Rutland Mental Health Service is requesting an allocation of \$1,730 from your town. This request is based upon the population of your town and will help defray the rising cost of services. While this amount is higher than last year's request, we hope you can increase the appropriation so that it approaches this request.

Last year, your town was one of 23 out of 27 towns which voted to support us. Your allocation helped support a variety of programs and services. Outpatient counseling, Day Hospital services, Big Brother -Big Sister and the Retired Senior Volunteer program have operated at capacity. The Youth and Family Activities, 24-hour Emergency Service, alcohol education (CRASH) programs, and the consultations to schools, social agencies and physicians filled important needs.

Services to the developmentally disabled (the retarded, cerebral palsied, epileptic and others) expanded through the opening of a work-oriented Opportunity Center. The Vermont Department of Special Education began to support our preschool

program financially. A Community Education program, directed toward the every day mental health concerns of the community, was also developed. Actual services provided during 1976 to Pittsford are summarized on the page attached. As always, we would be most happy to come to your town to show our slide show and give you any further information that you may want. We count on your continued support in the coming year, and thank you for your support during the past year.

Very sincerely,

Gilbert D. Aliber
Executive Director

PITTSFORD HISTORICAL SOCIETY

ANNUAL REPORT, for 1976

The Society has had a particularly active year in recognition of the country's Bicentennial and Vermont's Bicentennial in 1977. Programs have included a discussion of genealogical research and recollections of some of the town's Old Timers. Recordings of these recollections are now part of the Society's library and are available on loan.

A float entered in the 4th of July parade, depicting the split rock, Betsey Cox and the Indians won first prize, and the same float appeared at the Rutland Fair as part of the Bicentennial celebration.

Working with the Nature Conservancy the Society has taken steps to preserve the Ice Cave and surrounding area.

With the help of \$3,500 borrowed from the Library Association the Society republished Dr. Caverly's long out-of-print History of Pittsford, together with a new, comprehensive Index and a copy of the village map included in Dr. Caverly's book. Three hundred of the five hundred volumes have been sold, as well as about half of the Indexes and maps, putting us ahead of schedule on payments on the loan.

The Society has now begun work on Pittsford's Second Century, to supplement Dr. Caverly's work. After cataloguing and cross-indexing historical materials owned by the Society or available on loan, we will be soliciting information on all families, homes, organizations, etc., for these are what make history. We are applying for a grant from the Vermont Historical Society to help cover costs, and one of the stipulations of the grant is that it be matched by the community. We are thus asking the Town of Pittsford for \$3,000, half of a \$6,000 budget.

The budget appears below:

Tape recorders and tapes	\$ 400.00
Typing, etc.	1,200.00
Postage, office expenses, etc.	500.00
Photography, photocopying	800.00
Travel	500.00
Advertising	500.00
Employment of demographer, 4 wks., \$250/wk	1,000.00
Improvement of museum, storage facilities, etc.	1,100.00
	<hr/>
Total	6,000.00
	<hr/>

Amount requested from Town of Pittsford 3,000.00

Respectfully submitted,
Rachel Mills, Secretary
Patrick J. Candon, President

THE PITTSFORD JAYCEES

The Jaycees observed the Bicentennial Year by expanding their involvement in traditional projects and by initiating a public meeting series. The three public forums held during 1976 included one on 19th Century Country Architecture in Western Vermont, another on Life in Saudi Arabia, and the third on Energy Use and Conservation. The Jaycees will be continuing their public meeting series and are hopeful that all Pittsford residents will enjoy the series during 1977.

Sales of Bicentennial registration plates were concluded, with funds being set aside for the construction of Welcome to Pittsford signs at the north and south ends of town. During the past year, footings were set for the southern sign and building materials assembled.

The Jaycees continued their involvement in the July 4 activities — adding a fishing derby and a junior olympics for young people to the traditional games and hay ride. We have also continued our Shooting Education program, this year for fifth and sixth grade students.

Our work with area retarded citizens broadened in scope as we continued the Special Olympics program at the area and state level, sponsored forty women residents of the Brandon Training School to the Ice Capades at the R.P.I. Fieldhouse, assisted young residents of the Training School in work activities including the construction of flower boxes, and coordinated county efforts at fund-raising for Special Olympics by Roll -A -Thon support.

At the Recreation Area, we contributed to the brush-cutting efforts and to the ice rink maintenance. At the conclusion of the year during Christmas vacation, we used the well-maintained ice rink for a town skating party where we provided music and free hot dogs with cocoa.

Other activities of our year have included our food concession at the State Fair, our participation in the Halloween Haunted House held at the old State Police barracks across from Howard Johnson's, and our own physical fitness program. This year we have also recognized the outstanding contributions of three area residents: John Cowans, who was awarded the Jaycees' highest service award; Thomas Browe, who received the Outstanding Young Educator Award; and Roger Rowe, whom we recognized as the area's Outstanding Young Farmer.

We have enjoyed our year and have appreciated the friendship and support of the residents of Pittsford. We thank everyone for their cooperation and look forward to another year of service in 1977.

Richard Burke, Secretary

MACLURE LIBRARY REPORT

Librarian Report for 1976

As Librarian for the MacLure Library I submit the following report summarizing the service furnished to the town during the year of 1976.

The library is grateful for gifts and its collection has been enriched greatly by many fine donations of books, periodicals and other materials.

The library gratefully acknowledges gifts of books and magazines from the following:

Mrs. Rose Keith	Mrs. Cassie Sweet
Mrs. Robert Smith	Mr. Sidney Gilbert
Mrs. H. Palmer	Margaret Pike Memorial Fund
Mrs. Jenkins	Mrs. Jean Davies
Mrs. Iris Ferraro	Mrs. Caroline O'Handley
Mrs. Dorothy Terwilliger	Michael Pelkey
Housekeepers Fund	Minnie Cadwell Memorial Fund
Mrs. Joseph Sposta	Mrs. Albert Belisle
Mr. & Mrs. E. F. Phillips	Mrs. Raymond Fallon
Mr. & Mrs. Emil Hammond	Ms. Nancy Gilbert
Mr. & Mrs. Fred Rathjen	Mrs. Sarah Bastick
Miss Louise Willis Memorial Fund	Mrs. William Kengott
Mrs. A. L. Dunphy	Mrs. James Kerney
Pittsford, Historical Society	Mr. Richard Burke
Mrs. Kathryn Marnell	Mrs. Frances Stoddard
Colburn Fund	Miss Alice Wimet
Dan Burditt Memorial Fund	Mrs. Gordon DeLong
Miss Elinor Pike	P. Francis Carrigan Memorial Fund
Mrs. Ruby Moore	Mrs. Rachel Mills

Total circulation for the year was 7,408 books and 1,038 periodicals, pamphlets and phonograph records.

In March the library was completely redecorated in pretty pastel colors that make it a cheerful and pleasant place to work and visit.

We celebrated National Library Week in April with an Open House. We invited our Town Representative and school board members both Lothrop and Otter Valley to come and visit with the people. Refreshments were served.

I received my certificate of Librarianship from the State of Vermont in May at the Annual Vermont Library Association Conference held in Poultney.

This summer we held a reading program for children ages 8-13. The children had to read a certain number of books to meet the requirements to receive a reading badge. Twelve children participated in this program. Story Time is held each week on Wednesday afternoons at 3:00 p.m. for children 4 and 5 years of age. It is held every week except during the months of July and August. It is a very good program and well attended.

We held our Craft Sale again on Columbus Day Weekend. It was well attended on both days. Eleven craftsman participated.

The cub scouts are using one of the rooms in the basement to hold their meetings on Monday nights. The Historical Society, Jaycees and the Recreational Committee still meet regularly in our meeting room. This is in accord with our policy of using our library to the fullest.

We have weeded from the library a number of old books from upstairs and have sold them. We are also in the process of weeding our present fiction collection. We hope to finish this by Spring so we can start on the non-fiction.

I would like to express my appreciation to the book committee and to all who have rendered assistance to the library this past year.

Any resident of the community is eligible for Life Membership upon payment of a one time fee of \$5.00. Your support is essential for the success of the library.

Respectfully submitted,
Julia Reynolds
Librarian

Paul W. Wheeler, Treasurer

To Whom It May Concern:

I have audited the Accounts of the Treasurer of the Maclure Library Association to the best of my ability and find them correct as stated.

Dan Adams

LISTERS' REPORT **1976**

GRAND LIST

Determined as follows:

Real Property	\$6,007,553.00		
Personal Property	412,203.00		

	<hr/>		
	\$6,419,756.00	x 1%	\$64,197.56

			<hr/>
Polls, 1232 at \$1.50			1,848.00

Total, GRAND LIST			<hr/>
			\$66,045.56

Notes:

Grand List: The Grand List consists of the sum of the Property List and the Poll List as shown above.

Property List: The Property List which follows, represents 50 per cent of the Fair Market Value of the Property as determined by the Listers, as of April 1, 1976.

Property Tax: The Property Tax of owners listed is the amount shown in the Grand List multiplied by the Tax Rate.

Poll List: Each individual of voting age, who has taken the Freeman's Oath, except for those exempt by law, is entered on the Poll List and the Grand List at \$1.50.

Poll Tax: The Poll Tax thus amounts to 1½ times the Tax Rate plus the State old Age Assistance Tax of \$5.00 assessed on each Poll.

TAX RATE: The tax rate is determined by dividing the total amount appropriated for the support of all the activities of the Town and Town School District by the Grand List.

The Listers must have the full name and date of birth of each person 18 years of age or over.

All persons 65 years of age or over by April 1, 1977 are exempt from Poll Tax.

Property Tax relief schedules for Vermont senior citizens age 65 or over are available.

Charles P. Cecot, Jr. (1977)
Harold Phillips (1978)
Paul Wheeler (1979)

TOWN REPORT — 1976**

America's Bicentennial Year for the Pittsford Lions Club was one of growth and continued service to the local community. The town's 4th of July celebration was sponsored by the club and was a fitting observance of the Nation's 200th Birthday. All participants in the parade and afternoon activities seemed to enjoy themselves and the evening fireworks display was greeted by the children with obvious delight.

Club sponsorship was extended again in 1976 to the Recreation Area and to Boy Scout Troop No. 10. Under club presidents Peter Cady and Robert Frett, over \$300 in payments was disbursed to individuals and physicians for sight conservation; Lions primary goal. The annual Halloween Party for area youngsters was continued this year by the club. Spooky hobgoblins played games, broke balloons and trick or treated their way to candy, cider and doughnuts.

New members in 1976 include Fred Rathjen, Ed Autenreith, Dr. William Dall, Lewis Latuch and Bill Anderson. Charter member Paul Wheeler was instrumental in 1976 in moving the club's meeting place to the Pittsford Congregational Church where members meet on the 2nd and 4th Thursday of each month.

PITTSFORD JOINT PLANNING COMMISSION REPORT

The Joint Town and Village Planning Commission was set up several years ago under the authority of Chapter 117 VSA Vermont Municipal and Regional Planning and Development Act. The primary purpose of this Act was to establish a group of citizens to prepare a comprehensive town plan and continually review and revise it to keep it up to date. According to the Act the plan must be reviewed and re-adopted every five years. The Plan for Pittsford must be reviewed and amendments made, if needed, this year.

At the present we have started re-working to develop Sub-Division Regulations from suggested rules and regulations received from the Vermont Agency of Development and Community Affairs.

The Commission held one local meeting and hearing this past year with George Munger, the purchaser and developer of the former Royce Mandigo property on Route 7 in Pittsford, and with other interested parties. Information from this meeting was then taken to the final hearing on the ACT 250 permit of Mr. Munger by the Commission. It was felt that this type of meeting was helpful in the work of planning by the Commission.

We welcome two new members: Ed Autenrieth and Lillian Hier.

The Commission meets the 4th Wednesday of every month at the Town Clerk's Office at 7:30 P.M. All meetings are open to the public.

STATE OF THE REGION ANNUAL REPORT OF THE RUTLAND REGIONAL PLANNING COMMISSION

The format of the following report is changed from previous years. Rather than presenting a listing of RRPC activities it was felt that it would be more useful to give the State of the Region Report outlining the problems and opportunities facing residents of the Rutland Region. The overall picture painted by the report is somewhat gloomy however, history indicates, and we would like to believe, that a cooperative effort among all communities is the key to improving that picture. On the one hand no one enjoys reading about problems; on the other hand, the following report offers a challenge to all of us in the coming year.

THE ECONOMY — Unemployment in Rutland County has risen dramatically in the last five years. In January 1970 the rate was 3.4 per cent and in December 1976 it was over 8.5 per cent with about 2000 persons collecting benefits. The actual rate of unemployment is far above 8.5 per cent when unemployed workers not eligible for benefits are counted. Personal income in Vermont is relatively low. Vermont's personal income is the second lowest in New England and 11th lowest in the U.S. This is serious noting the high cost of living. Based on job offerings and wages in recent months, wages are not expected to increase significantly over the near future. It was estimated that an annual income of \$7000 was required to support a family of four (not owning a home) during 1975. At least 21 per cent of the families in this region fell below this income figure. By 1977 a family of four will need an annual income of \$8050 and it is estimated that over 25 per cent of the region's families will fall below this figure. The cost of living is increasing much more rapidly than family incomes, resulting in lower purchasing power and a lower standard of living for the region's residents.

The recent formation of the Economic Development Council of Southwest Vermont — an effort of the RRPC, private industry, local and state officials and the federal government — is a strong indication that people from all over the region can work together to solve a common problem. The long term goal of the council is to improve wages, employment opportunities and family incomes. We now have an organization to deal with the lack of basic sewer and water services and the lack of industrial sites — two problems which have hampered regional development efforts to date.

HOUSING — With only one exception, every community in the region has a need for acceptable housing that exceeds the current supply. Presently, there is a large number of households for which no housing is available at a reasonable cost forcing families to live in unsafe and unhealthy conditions or forcing them to pay more for housing than they can really afford. It has been estimated that over 1,000 households pay an excessive amount of income for purchase of a home and many pay more than 25 per cent of their income for rent. The elderly are particularly hard hit by rising housing costs with many paying 50 per cent of their incomes for shelter. It has been estimated that there will be over 350 new elderly households by 1980. By 1980 the region will need 2800 new housing units to keep pace with population trends and the need for better housing. It is reasonable to expect that over 500 of these units will have to be publicly subsidized for the elderly, handicapped, and low-income families to live in healthy conditions.

Recent efforts by some communities to provide better housing for their residents is encouraging.

PUBLIC TRANSPORTATION — The lack of public transportation poses some serious problems for low-income families, the young and the elderly particularly when one notes it is these groups which have a real need for personal services not usually located near their homes. The rural character of the region, its dispersed population and the concentration of services in the Rutland City area pose a significant transportation problem for many individuals. The region's new bus system is a big step in the right direction however, it has a limited service area and a questionable financial future. With a larger portion of our population falling into the elderly category and fuel prices likely to increase, public transportation will become increasingly important.

FINANCING LOCAL GOVERNMENT — The ability of taxpayers to pay for increasing government costs is questionable and local governments are not starting or participating in new programs . . . some are cutting back in critical areas. With the prospect of raising local taxes not much of a prospect at all, many local officials are stabilizing town budgets. Expenditures, now being postponed, are going to come back in the future with much higher price tags. The "belt tightening" efforts of some communities have led them to look for ways to budget and plan for future expenditures. The RRPC is helping several communities do this and it does result in cost savings. However, it appears that the real question facing us is "do we accept less for our tax dollars or agree to pay more for the same level of service?"

PITTSFORD RECREATION CENTER

Last Spring a new storage area was added to our present building. Also, work was done on the present dressing rooms. Work was done on the inlet pipe to the swimming area and this was put back into operation.

New gates were donated by the Pittsford Lions Club, and installed by the Recreation Committee.

The Septic system was checked and cleaned. All buildings were painted. A second-hand lawn mower was purchased for trimming around the ball field and buildings.

The following materials were purchased for the Swim project:

New floats and rope

New Swim mask and rescue buoy

New town-owned lights were installed so the skating program will be able to run at night.

New sides were installed on the skating warming hut and a new stove was installed.

A skating program will be run through the Pittsford Jaycees.

The ball fields were kept busy all summer with Mighty Mites and Little League ball teams.

The Committee would like to thank those who made gifts of material and money to the area. We also want to thank the people of Pittsford for supporting their area. We would like to thank the girls for doing a good job running the Swimming program and lifeguarding. Also the summer help for keeping the grounds and buildings in fine shape.

This coming year we are in hopes of improving our swimming area. As you people know that use the swim area, we have had a problem of the water getting very muddy after a few weeks. This is at a point now where we the Recreation Committee feel should be corrected because of the danger of someone needing help and the lifeguards unable to find them in the muddy water. With this in mind we have decided to apply to the Bureau of Outdoor Recreation for funds to complete this project.

As part of the long-range planning of the Recreation Area, a project has been submitted to the State Agency of Environmental Conservation for funding through the Bureau of Outdoor Recreation for improvement of the swimming area. This will involve the placement of approximately 600 feet of rock-filled gabions (heavy wire mesh boxes) along the north, east, and south edges of the pond to prevent bank erosion, silting, and clouding of the water during the summer swimming season.

The total cost of the project is estimated to be \$26,000, which, if approved will involve 50 per cent Federal, 35 per cent State, and 15 per cent (\$4000) Town funds. This item is included as an Article in the Warning.

The Recreation Committee urges the support of the Town for this proposal as a needed safety item due to the condition of the water during the summer.

Thank you to the Recreation Committee for their time and help.

Respectfully Submitted:
Pittsford Recreation Area Committee
by Rodney G. Drown

REPORT OF PITTSFORD SWIMMING LESSON PROGRAM

Pittsford Swimming lessons consisted of a three week program running from July 12 through July 30. American Red Cross courses including Beginners, Advanced Beginners, Intermediates, Swimmers, Advanced Swimmers, Basic Rescue and Water Safety and Advanced Life Saving were taught daily from 10:00 A.M. to 5:30 P.M. by Red Cross certified water safety instructors. One hundred fifty-three (153) children became involved in the program. Ninety-nine (99) of the children were involved for the entire three weeks. Fifty-six of these children successfully completed Red Cross courses.

Sandy Conway

PITTSFORD CHILDREN'S SWIMMING COMMITTEE

FINANCIAL REPORT

The following is a financial report of the Pittsford Children's Swimming Committee for 1976:

Balance on hand January 1, 1976	\$ 247.65
Received from Town Treasurer, Tax voted	1500.00
	<hr/>
	\$ 1747.65
EXPENDITURES:

TOWN AGENT REPORT

The following legal actions against the Town of Pittsford are still pending:

A. Trustees of Vermont Wildlife Foundation — Plaintiffs

vs

Town of Pittsford, Town School District of Pittsford and Village of Pittsford.
This is an action to determine whether the real estate of the Vermont Wildlife Foundation is exempt from property taxes under Vermont Law.

B. Jerome F. Tennien of Pittsford, in the County of Rutland — Plaintiff

vs

Town of Pittsford, a Municipal Corporation located in the County of Rutland,
State of Vermont — Defendant.

This is an Action to clarify the terms of an agreement between Jerome F. Tennien and the Pittsford Aqueduct Co. The Town of Pittsford is the successor to the Pittsford Aqueduct Company.

C. Elizabeth N. Illinski and Michael Illinski, Sr.

vs

Board of Selectmen, Town of Pittsford, Vermont and Ronald D. Moran,
George A. Eugair and John H. Barnard, Jr. Individually.

This is an Action to have set aside the order of the Board of Selectmen that the dog called "Blackie", owned or kept by Michael and Elizabeth Illinski of the Florence Section of the Town, be killed because the dog is vicious.

D. Town of Pittsford, Plaintiff

vs

Russell R. Burton, Defendant

This is an action on the part of the Town to require the defendant to abate a violation of the Zoning Regulations.

James K. Mitchell
Town Agent

RUTLAND OPPORTUNITY COUNCIL

The Rutland Opportunity Council meets the needs of low-income and elderly people. The Council provides services and programs for people who need help in solving their problems.

During 1976 R.O.C. provided 262 direct services for the families. These services meet such needs as transportation, help with forms, social service information, counselling and personal needs. We assisted a number of Pittsford families with their energy needs: 2 cords of wood to 2 homes, 4 stoves (\$579), 8 fuel loans (\$381), winterized 15 homes (\$385).

The Council appreciates the financial support which the Town of Pittsford has provided in the past (\$500) and we hope we can count on this support for the coming year. We invite suggestions from Pittsford citizens; our worker in the area, Marge Wells, is always interested to hear about family or community needs where we might be able to help.

Bob Green
R.O.C. Director

RUTLAND COUNTY NUTRITION PROJECT

The Board of Selectmen
Town of Pittsford
Pittsford, Vermont 05763

Gentlemen:

This project is for the purpose of providing nutritious hot meals and supportive social services to people 60 years of age and older at various congregate sites and to deliver meals to eligible home-bound participants.

Our funding is principally from Federal funds and anonymous contributions of the participants. Besides cash we also receive approximately 37,644 hours of volunteer time by 180 different people during one year. Site facilities are free of rent but we pay our share of the utilities at most locations.

Pittsford serves meals on Tuesday and Thursday of each week at the Methodist Church on Route 7. Based on the first quarter of F.Y. '77 we served an average of 291 meals per month at an average cost of \$710.04 or \$2.44 per meal (including food, labor, transportation of food, utilities and consumable supplies). This projects to a total cost of approximately \$8520.48 per year meal cost at Pittsford.

The average donation per meal at Pittsford is 88 cents which would be \$3072.96 for the year. During the first quarter we served a total of 67 different people at Pittsford.

Besides the hot meals we provide transportation on a limited basis, health clinics, legal aid services, recreation and nutrition education.

Our present total cash budget (not including volunteer time and donated facilities) for the period October 1, 1976 to September 30, 1977 is \$188,593. of this \$140,000. is from Federal Funds, \$37,397 estimated donations for meals, and \$11,196. anticipated from towns where we have meal sites.

Please consider this our request for \$500. in Town funds. A new ruling allows us to use Revenue Sharing Funds as match in our project so we have no choice as to the origin of the funds.

Respectfully,
Charles M. Sherman
Director

ZONING

The Town of Pittsford operates under the 1975 Revision of Zoning Regulations originally enacted in 1966.

The Village of Pittsford operates under Zoning Regulations enacted in 1975.

The Regulations of the Town and the Village are closely parallel.

The Administrative Officer acts for both the Town and the Village.

The Vermont Statutes define "LAND DEVELOPMENT" as follows: "Land Development means the division of a parcel into two or more parcels, the construction, reconstruction or enlargement of any building or other structure, or of any mining, excavation or land fill, or land, or the extension of use of land."

ANY LAND DEVELOPMENT, with certain exceptions, REQUIRES A PERMIT FROM THE ADMINISTRATIVE OFFICER.

THE PERMIT FORMS CONTAIN DETAILED INSTRUCTIONS CONCERNING THE CONDITIONS GOVERNING THE PERMIT. FAILURE TO COMPLY WITH THE INSTRUCTIONS RENDERS THE PERMIT NULL AND VOID. THEREFORE EVERY APPLICANT SHOULD READ CAREFULLY ALL THE INSTRUCTIONS.

The initial approval of the Administrative Officer merely indicates that the application complies with the requirements of the Regulations and authorizes only the layout. Further development cannot legally be initiated until AFTER the layout inspection and approval of the Administrative Officer. Occupancy of a structure is illegal until after the compliance inspection and approval of the Administrative Officer.

In any case coming within the scope of the definition of "LAND DEVELOPMENT" consult the Administrative Officer.

Copies of both Town and Village Zoning Regulations are on loan from the Town Clerk. A deposit is required. Copies are also on sale.

64 Zoning Permits have been issued.

The following cases have been acted on by the Board of Adjustment:

T&T Tractor Co. — Extension of Building, Approved.

Russell Burton — Meadow Lane — Erection of attached shed. Approved with conditions.

James K. Mitchell
Chairman, Town Zoning Board
of Adjustment
Robert Frett,
Zoning Administrative Officer

TOWN OF PITTSFORD, VERMONT

WARNING

The legal voters in the Town Meeting of the Town of Pittsford are hereby notified and warned to meet at the Lothrop School Gymnasium (former Town Hall) in said Town on March 6, 1978 at 7:30 o'clock in the afternoon to transact any business not involving voting by Australian Ballot or voting required by law to be by ballot and to be held on the first Tuesday in March. This meeting shall be adjourned to the following day, in order to vote on all matters required to be voted on by Australian Ballot, or to be voted by ballot and to be held on the first Tuesday in March.

The following matters will come before the meeting to wit:

1. To hear the reports of the Town Officers and take appropriate action thereon.

2. To see if the Town will authorize the expenditure of the amounts set forth in the General Account Budget for the support of the General Departments and services of the Town.

3. To see if the Town will authorize to be raised by taxation the sum of NINETY-EIGHT THOUSAND THREE HUNDRED THIRTEEN DOLLARS (\$98,313.00) to provide funds for the support of the General Departments and Services of the Town for the period from January 1, 1978 to December 31, 1978.

4. To see if the Town will authorize the expenditure of the amounts set forth in the Highway Account Budget for the support of the highways.

5. To see if the Town will authorize to be raised by taxation the sum of ONE HUNDRED SEVENTEEN THOUSAND FIVE HUNDRED SIXTY TWO DOLLARS (117,562.00) to provide funds for the highway needs of the Town for the period from January 1, 1978 to December 31, 1978.

6. To see if the Town will vote to collect taxes on real estate and personal property in installments, 1/3 on July 10, 1/3 on September 10, and 1/3 on November 10. (Sect. 4773 Title 32 VSA)

7. To see if the Town will vote for the collection of taxes by the Treasurer. (Sect. 4791 Title 32 VSA)

8. To see if the Town will authorize the Selectmen to borrow money for the temporary use of the Town. (Sect. 1786, Title 24, VSA)

9. To transact such other business as legally may come before said meeting at this time.

10. To adjourn this meeting until 12:00 noon, March 7, 1978 to vote on the following matters only, to wit: To vote on Articles 11 thru 15 by Ballot. Polls open for all Articles to be voted on by ballot 12 o'clock Noon and close at 6:00 P.M.

11. To elect all necessary Town Officers for the ensuing term of office.
12. To see if the Town shall direct the Listers to set the polls of all inhabitants of the Town, citizens and aliens, between 18 and 65 years of age inclusive, in the grand list at \$0.00.
13. To see if the Town will authorize the Selectmen to borrow the sum of \$30,000.00 for a complete re-appraisal of all real property in the Town, payable over a period of 3 years. (Based on the Grand List of April 1, 1977, a favorable vote will increase the Tax Rate by \$.16 in 1979, \$.15 in 1980 and \$.15 in 1981).
14. Shall the bonds of the Town of Pittsford in an amount not to exceed \$55,000.00 be issued for the purpose of raising sufficient funds to enable the Town of Pittsford to purchase a new fire truck; said bonds to be payable not later than 5 years from date of issuance with payments on said bonds to be made first from available Revenue Sharing Funds.
15. To see if the Town will authorize the Selectmen to appropriate the sum of \$500.00 for the support of the Vermont Dental Care Program, Inc. (Based on the Grand List of April 1, 1977, a favorable vote will increase the Tax Rate by \$.008).

**PITTSFORD TOWN SCHOOL DISTRICT
WARNING**

The legal voters of the Pittsford Town School District are hereby notified and warned to meet at the Lothrop School Gymnasium on Monday, March 6, 1978 at 7:30 o'clock in the afternoon to transact any business not involving voting by Australian Ballot. This meeting shall be adjourned to the following day in order to vote on all matters required to be voted on by Australian Ballot. The Polls will be open from 12:00 o'clock Noon until 6:00 P.M. to vote for the School District Officers.

- Article I. To hear and act upon the reports of the Town School District Officers.
- Article II. To have presented by the Board of School Directors of the Pittsford Town School District their estimate of expenses for the ensuing year and to appropriate such sum as it deems necessary for said expenses together with the amount required to pay any balance left unpaid from the preceeding year, expressing said sum in dollars in its vote.
- Article III. To authorize the Board of School Directors to borrow money in anticipation of taxes to meet the necessary expenses of the Pittsford Town School District.
- Article IV. To authorize the Board of School Directors in the name of the Pittsford Town School District to borrow \$65,000.00 (Sixty-five thousand dollars) in order to refinance the purchase of the Caverly Child Health Center Property, from funds obtained from the DAN D. BURDITT TRUST, such method of repayment having been personally agreed to by the School Directors and the Selectmen of the Town School District and Town of Pittsford.
- Article V. To transact any other business proper to be done when met.
- Article VI. To adjourn to Tuesday, March 7, 1978 between the hours of 12:00 o'clock Noon and 6:00 P.M. to elect by Australian Ballot the following officers:

- a) A school director for a term of two years
- b) A school director for a term of three years
- c) Two school directors to the Otter Valley Union High School District No. 8 for terms of three years each.

AUDITORS REPORT

In accord with Sub Chapter 5, Chapter 51, Title 24 of Vermont Statutes Annotated, we have examined the Records and Accounts of the Town and Town School District as shown in Auditors Exhibit 1 through 13.

We have verified the existence of State Cash Balances and examined all Securities in the hands of the Town Treasurer.

To the best of our knowledge, Exhibit 1 through 13 represent the Financial Transactions of the Town for the Fiscal Year ending December 31, 1977 and Town School District for the Fiscal Year ending June 30, 1977.

SPECIAL NOTE:

As a result of the Break-In and Theft from the Town Municipal Building in August, some records of Tax Payments were lost. Therefore, some names appear on the Delinquent Tax List in spite of the fact that the Taxpayer has actually made the payment. If your name appears on the Delinquent List and you have, in fact, paid your Taxes, please present your Receipt or Cancelled Check to the Tax Collector, so that you may be given credit for the payment and appropriate claim may be filed with our Insurer.

BOOKKEEPING, ACCOUNTING & CLERICAL

The Bookkeeping necessary to account properly for the Fiscal Operation of the Town and Town School District continues to grow. The regulations governing the expenditure of Federal Revenue Sharing Funds and Anti Recession Funds continue to grow with alarming rapidity. The existing Municipal Staff is swamped. If Local Government is to continue to exist in Vermont, voters must recognize the existence of the problem and take steps to provide the means to overcome it.

The auditors will submit a recommendation in the next annual report.

TOWN OFFICE BUILDING

The Town Office Building is OVERCROWDED. The Vault to protect from Fire, the Land Records and other important Documents is now practically full. The Town School District Records which belong in the custody of the Town Clerk, with the exception of the Treasurers Receipt and Disbursement accounts, are stored elsewhere because there is no place for them in the Town Office Building. This situation could have serious consequences in case of fire.

The Break-In and Theft which occurred last August demonstrated the need for a smaller substantial money vault within the larger fireproof vault in order to protect adequately, cash and other negotiable securities. There is no room in the existing vault for such a Strong Box.

The Selectmen discovered that some Federal Assistance in this area might be forthcoming and engaged the services of an Architect to

prepare necessary plans and do the preliminary paperwork necessary to apply for funds. The Plans have been made and some local requirements have been met. Such a Building is ABSOLUTELY ESSENTIAL if the Town is to discharge properly its Municipal Responsibilities.

FEDERAL FUNDS:

The Town and Town School District should approach with caution the use of Federal Funds and examine carefully the effect of the Federal Control which accompanies such Funds.

When Federal Revenue Sharing was first proposed, the publicity indicated that there would be, "No Strings Attached." With the first Check came a flood of Regulations as to how the money was to be spent. The Checks have been getting smaller and the Regulations have been getting much more voluminous. Audit requirements may now cause the Town to hire and pay for the services of private accounting firms every three years — at what price no one knows.

Auditors Notes: Schools — See Page 53.

PROPERTY TRANSFER TAX

A total of \$8,059.20 was remitted to the State Tax Department on the Property Transfer Tax collected by this office. This represents real estate sales of approximately \$1,771,407.00 in Pittsford during 1977.

FOOD STAMP PROGRAM

The Food Stamp Program begun in 1967 continued at this office for the year 1977. During the year \$14,208.50 was paid by recipients and they were issued stamps to the value of \$34,195.00. There were 871 individual transactions. Forty-three reports were made to the Social Welfare Department in Montpelier.

AUDITOR'S NOTES:

The Food Stamp Account of the Town Clerk has been audited and found correct. This audit covered verification of the stamp books on hand at the beginning of the year, plus those received during the year, those sold during the year and balance of books on hand at the end of the year; also verification of cash transactions during the year.

NOTE:

The following information has been extracted from "General Information Anti-recession Fiscal Assistance" published by the Dept. of the Treasury, Office of Revenue Sharing, Oct. 1976.

This is a temporary fund established by the Federal Government for emergency assistance to State and Local units of General Government. The Program will last for five calendar quarters, maximum.

The amount to be received by a unit of government is determined by formula and may vary from quarter to quarter as determined by the variables in the formula.

Funds must be obligated to disbursed within six months of receipt.

Funds are NOT to be used for construction or to acquire supplies and equipment unless necessary to CONTINUE to provide basic services. Construction will be limited to structural repairs.

Exhibit 9

BOWEN WALKER FUND — 1976-1977

This fund was not audited last year due to the hospitalization of the Treasurer. This fund has now been audited for both years and found to be correct as shown on Page 108. Principal of the fund is in the custody of the Proctor Trust Co. See Page 35 of 1975 Town Report.

Exhibit 10

PUBLIC FUNDS

The Public Funds in the hands of the Trustees consist of the Pinney Fund and the Dan D. Burditt Fund, so called.

The Pinney Fund consists of two Certificates of Deposit of the Rutland Savings Bank in the amounts of \$2,600.00 and \$7,500.00 each drawing interest at the rate of 7½% per year. The income from the Fund has been turned over to the Town School District in accord with the terms of the Trust.

The Assets of the Dan D. Burditt Fund are in the custody of the Proctor Trust Co. which has certified that they hold such Assets. The only disbursement has been the Agent Fee of the Proctor Trust Co. See Report of the Trustees, Page 118.

SELECTMEN'S REPORT 1978

SANITARY LAND FILL

All vehicles entering the Landfill must have a permit. The permits can be obtained at the Town Clerk's Office at no charge. All trucks carrying trash to the Landfill must be covered. The cost of operating the Landfill continues to go up every year and we do not contemplate increasing the hours the landfill will be open for this reason.

SEWAGE DISPOSAL PLANT

It will not be necessary to raise the Sewer rates this year. There were no major breakdowns at the plant this past year. One major expense was the repair of one of the pumps which exceeded \$800.00. A Sewer Ordinance is in effect in the Town and copies are available in the Town Clerk's Office.

DELINQUENT TAXES:

Mr. William Valentine is still assisting the Selectmen in the collection of delinquent taxes. If necessary he will again conduct tax sales in order to close several delinquent tax accounts.

HIGHWAY

We have completed the new construction paving program as was voted on the Warning last year. We are not contemplating major construction programs this year but a maintenance program. We have budgeted about \$17,000. less this year for summer betterment as the Revenue Sharing monies are in the Warning for a new Fire Truck.

WATER DEPARTMENT

The Engineering Firm of Dufresne-Henry has completed the Survey of the Pittsford Water Works which includes inventories of the system facilities and has determined the needs of the system. We are in the process of applying for Federal monies to up date the system. It is now in the hands of the Town Attorney who is negotiating to obtain a needed right of way before the application can be sent.

FLORENCE WATER SYSTEM

As voted by the Town of Pittsford a water study will be conducted of the Florence Water System. We have contacted the Firm of Donnelly, Conklin, Phipps & Buzzell, Inc. They have contacted the Water Resources Board and are now awaiting approval for this project.

GENERAL FUND

The Board of Selectmen feel that there is a need for a re-appraisal in the Town. We feel we are loosing Federal monies due to the Grand List of our Community. We are anticipating a change from the Calendar year to a fiscal year accounting system sometime in the future. The last re-

appraisal was ten years ago. We do agree with many tax payers that there are inconsistencies within the existing listed values in the Grand List. Due to a new Legislative law the Grand List goes to 100% listed value starting April 1, 1978 and feel the time has come for a re-appraisal and urge your support.

Pittsford has been fortunate in obtaining the Vermarco Ground Products new plant and the new VELCO Sub Station in Florence which will increase our Tax Base for Pittsford making Pittsford one of the lower tax communities in Rutland County.

The Board of Selectmen would like to thank the Vermont Marble Company and their representatives for the many hours they have worked with us in obtaining these much needed Tax Revenues and for constructing their Industrial sites of our Town.

We expended about \$1300. this year for a survey and architectural fees for a new Municipal building. This was done in order for the Town to apply for federal funds for construction of a new building.

We would like to thank Shirley Latuch who was our Secretary for several years for the time and hours she put in in our behalf.

Our thanks to Lois Blittersdorf, who has resigned from the Planning Commission, for her hours and time spent on this Board.

Also thanks to Matt Didriksen for the time he spent as our Representative to the Rutland Regional Planning Commission. Matt has resigned and will now serve on the Town Planning Commission. Bob Sird will now serve as our Representative to the Rutland Commission.

IN MEMORIAM

The Board of Selectmen extends deepest sympathy to the family of E. Franklin Phillips. Mr. Phillips, not only served the Town as District Representative to Legislature, but as a member of the Town Zoning Board of Adjustment for several years.

Respectfully submitted:

Ronald D. Moran
George Eugair
Mary C. Crahan

ADMINISTRATION:			
Indexing Salaries	1,656.12	1,656.12	
Indexing Supplies	173.12	173.12	
Restoration of Land Record Books	6,199.00	6,199.00	
	<hr/> 8,028.24	<hr/> 8,028.24	
REVENUE SHARING:			
For Repairs to Fire House	1,800.00		
(Amount spent is included in the Fire Dept. Expenses above and in the Fire Department Budget and Report)			
TOTAL ESTIMATED EXPENSES FOR 1978			\$120,408.28

Notes:-

1. New Vault Door and Expenses. We received \$1,920.55 from our Insurance Carrier.
2. The Fire Dept. expenses exceeded the amount budgeted because of necessary **repairs** to No. 1 Pumper which exceeded 12,000. A new furnace and chimney was purchased with Revenue Sharing Funds and the amount is included in the Expenses.
3. A bill is pending in Legislature to do away with the Towns paying Old Age Assistance and if this happens this year this amount will be deleted from the Budget.
4. The Recreation Area received outside donations and even though the Budget shows an over expenditure in this Account there is a Balance remaining in the Recreation Area Checking Account.
5. No provision has been made in the Fire Dept. Budget for purchase of the new fire truck until this is approved by the voters. Upon approval the Budget will include \$18,333.33 for the principal payment plus \$2,000 estimated interest. Thus the fire truck will be paid for over a period of three years which is within the extension of the Revenue Sharing Program approved in 1976.

FIRE DEPARTMENT REPORT

1977 was a very busy year for your Fire Department. We answered 102 calls, compared to 58 calls during 1976. This increase in calls, plus the need to replace the heating system and the temporary repairs made to our nineteen year old fire truck, resulted in an overdraft of \$2910.83.

Following is a breakdown of the types and number of calls:

- 26 Oxygen and emergency calls
- 14 house fires
- 13 chimney fires
- 12 miscellaneous building fires
- 11 false alarms

- 9 vehicle fires
- 6 mutual aid fires
- 4 grass fires
- 2 house trailers
- 1 school fire
- 1 flooded oil burner
- 1 dump fire

Jack Barnard has completed thirty years of active service with the Fire Department in December of this year. He has been a dedicated fireman and leader in the department and is the last of the Charter Members remaining as an active fireman. We would like to thank Jack for his dedicated years of service to the Town and the Fire Department.

The tank truck which was purchased by the Nickwackett Hose Co. and converted over for use as a Fire Department tanker, was completed and donated to the Town by the men of the Fire Department. This truck is a very valuable piece of equipment to our fire fighting effort, especially in those areas of Town not covered by a hydrant system.

The Hose Co. voted this past year to increase its active firemen from 30 members to 35 members. This became necessary because of the increase in calls, and the availability of present men, especially during daytime fires.

During the year our nineteen year old truck had a major breakdown and temporary repairs were made. Some repairs could not be done because parts were no longer available. This truck will also need other repairs in order to bring it into good shape, including body work, replacing all tires, replacing most of the plumbing from the pump and the tank. In the event this is done, we will still end up with a nineteen year old truck for which many parts are no longer available, and a badly rusted water tank, which would be a major job to replace or repair. Failure of this truck at a fire could result in serious injury or even death to a fireman or a citizen of the Town. The growing number of new homes and apartments in Town, with quite a few proposed housing developments and multi-

family dwellings, plus a new multi-million dollar commercial building in Florence, are additional reasons why we should replace this truck. This was also the recommendation of the truck repair service which, incidentally, does not sell fire trucks. We have been given an approximate cost of \$55,000 to replace this truck. Our recommendation to you would be to replace this truck and pay for it from Revenue Sharing Funds over the next five years, similar to the method used in financing the construction of the Town garage. This would enable the Town to maintain its fire equipment without the burden of a tax increase.

Vernon Guyette, President
Nickwackett Hose Company

Harry McKinlay, Chief
Pittsford Fire Department

TOWN SCHOOL YEAR
ending June 30, 1977
AUDITORS' REPORT

We are continuing the practice initiated in 1976 of inserting the Auditors' Exhibits pertaining to the Town School District and the Town School District Report immediately following the Selectmen's Report in order to consolidate all financial matters in the front of the Report.

Auditors Note: From time to time your Auditors have questioned the adequacy of the computer printout as used by the School District as a management tool. The printout as published in the School District Report is the printout AFTER the professional Auditors have audited the Account. It bears little resemblance to the June 30, 1977 printout from which the professional Auditor starts. That printout shows a cash balance of \$32,372.36 whereas the audited adjusted printout reduces this to \$3,498.34, a difference of almost \$29,000.00. Long range solutions for this problem would be to either re-program the computer or to return the school accounts to the Treasurer's office in the Town Clerk's office. The only quick partial solution, as we see it, will be for the school board to exercise special care in those areas where mistakes have been found in the computer printouts.

Attention is invited to the letter of transmittal for the report of P.F. Jurgs and Co. particularly the last two paragraphs and the note.

The School Board makes no attempt to maintain Balance Sheet Accounts. The cash balance alone is a meaningless figure without a balance sheet showing Assets, Liabilities and Fund Balances.

The Debt Schedule accompanying the School Report shows a payment of the interest due Nov. 1, 1977. This amount had not been paid as of June 30, 1977. Otherwise the Debt Schedule is correct.

The School Directors have never included the Otter Valley estimated assessment in their Budget. The assessment must be paid by the local School District. Taxes must be levied to pay the difference between Secondary State Aid to the Total Assessment. Without the Otter Valley Assessment, the School District Budget presents an unrealistic picture of the cost of schooling.

There are differences between the Town Auditors Report and the Jurgs Audit in the breakdown of the total Receipts and Disbursements. The Jurgs Report washes out of the breakdown balancing Receipts and Disbursements, for example the borrowing and repayment of a \$50,000 Tax Anticipation Note. Heretofore your Town Auditors have followed a similar practice in order to make both Reports agree. However we now feel that our Report should reflect the actual cash flow in and out of the Fund so we have discontinued the practice.

Town Auditors:
James K. Mitchell
Lawrence Smith
John O'Handley

The Articles from the Warning pertaining to the Schools are repeated here for the convenience of the voters.

- Article I. To hear and act upon the reports of the Town School District Officers.
- Article II. To have presented by the Board of School Directors of the Pittsford Town School District their estimate of expenses for the ensuing year and to appropriate such sum as it deems necessary for said expenses together with the amount required to pay any balance left unpaid from the preceeding year, expressing said sum in dollars in its vote.
- Article III. To authorize the Board of School Directors to borrow money in anticipation of taxes to meet the necessary expenses of the Pittsford Town School District.
- Article IV. To authorize the Board of School Directors in the name of the Pittsford Town School District to borrow \$65,000.00 (Sixty-five thousand dollars) in order to refinance the purchase of the Caverly Child Health Center Property, from funds obtained from the DAN D. BURDITT TRUST, such method of repayment having been personally agreed to by the School Directors and the Selectmen of the Town School District and Town of Pittsford.
- Article V. To transact any other business proper to be done when met.
- Article VI. To adjourn to Tuesday, March 7, 1978 between the hours of 12:00 o'clock Noon and 6:00 P.M. to elect by Australian Ballot the following officers:
 - a) A school director for a term of two years
 - b) A school director for a term of three years
 - c) Two school directors to the Otter Valley Union High School District No. 8 for terms of three years each.

BOOTH MEMORIAL SCHOOL FUND

We have audited the Booth Memorial Fund and find the figures as shown in the school report on Page 71 to be correct. The Principal of \$14,202.48 is invested in the First Vermont Bank and Trust Company.

PITTSFORD TOWN SCHOOL DISTRICT

PITTSFORD, VERMONT

We herewith submit the report of the School Directors and the Superintendent of Schools for the 1977-78 academic year.

SCHOOL STAFF

We were extremely pleased to have all of our staff return with the exception of our Art teacher, Miss Laurie Binder, who was replaced by Miss Rachel Goldenberg. There were several additions to our staff. The Rutland Northeast Supervisory Union added a full time Learning Disabilities position to our staff through the hiring of Miss Judith Hawley. The Supervisory Union added a Level II program for the Trainably Retarded with Michael DeLalla as the teacher. Mrs. Joyce Meade was hired as a bus driver. Due to a particularly large first grade Mrs. Thomsen was hired to work with a transitional group who had finished Kindergarten but were not quite ready to do first grade work. With a smaller group of students with whom to work, it is hoped that the need for the position will end at the close of the year as the students will be sufficiently well prepared to compete in regular classroom settings.

CURRICULUM

The Principal has alluded to several changes in our instructional program. We would like to point to the fact that our program still stresses the "basics" but through some different educational approaches. Teaching techniques are more child oriented and involve the children more actively in the learning process. Our children are doing at least as well and perhaps better than when more traditional approaches were being used. Going to school is certainly a far more interesting and enjoyable experience for them.

Each year in the fourth and sixth grades we give standardized achievement tests which test a wide variety of skills in Reading, Language Arts and Mathematics. The Pittsford fourth grade exceeded the National norms in each of the nine areas tested. The sixth grade tested above average in five of the eight tests, average in two and slightly below average in one. These tests do test basic skills.

We have begun to test basic competencies as required by the Vermont State Board of Education. The tests were developed locally but the competencies to be tested were prescribed by the State Board of Education. Preliminary results indicate that our students are doing well. Certainly, we have students who cannot achieve proficiency in the basic competencies and we will work long and hard with them to help them measure up. All too often attention is focused on them and not on the vast majority who are learning extremely well.

We are proud of the achievement levels being attained by our students but we are not complacent. We are appreciative of the fine service being provided by our staff but we are supportive of their efforts to improve and enrich our educational program.

FINANCES

We have attested to the quality of the educational program as measured through objective testing. Another dimension of equal importance is the cost of that quality. Elsewhere in this report you will find a chart comparing our unit cost to that of the State average. In every single year our unit cost is less. If you multiply the number of units (students in average daily membership) by the difference in cost between Pittsford and the average or typical cost in the State, you inescapably come to the conclusion that Pittsford is getting a great deal for its money.

This year's budget represents an increase of \$53,117.72 or 15.61%. We consider this to be a maintenance level budget since no new programs are contemplated and no new staff positions are being created. The increase can be explained in part as follows:

Teachers' Salary Increases	\$11,310.00
This provides a 7.7% increase	
Principal's Secretary	1,369.90
Provides additional time and increase in hourly rate	
Teaching Supplies	1,941.47
Penmanship was reemphasized and workbooks for our Reading program are increasingly used	
Learning Resource Materials	2,072.17
Provision is being made for new Language Arts materials and materials to enrich the educational program for gifted and talented students	
Transportation	5,935.66
Two additional bus drivers and operational costs of the buses are included as a result of the improved service being provided	
Unemployment Insurance	4,182.11
This is the first budget year where the full impact of the mandatory coverage is being felt. It is included in the employee insurance category.	
Transfer Accounts	17,385.96
The number of students in Special Education and at Barstow are up	
	<hr/>
	\$44,197.27

The remaining \$8,920.45 of the increase is scattered through the budget and largely reflects inflationary costs for goods and services.

The Caverly property has been purchased for \$90,000.00. Due to the stock market and the long term nature of the investment program, it appeared wise to ask the Vermont Heart and Lung Association to take a mortgage in the amount of \$65,000.00 repayable over no more than four years from interest earned on the Dan Burditt Trust. The interest rate on the \$65,000.00 is 7½ percent. The Pittsford Town School District can borrow at a more favorable rate. Therefore, we are asking you for authority to borrow in the name of the school district, retiring the indebtedness from the current income of the Burditt Trust. This will save money for the Trust and, thereby, for the district.

We extend our appreciation to those who have offered their assistance, support and counsel over the past year. We invite you to attend our meetings on the second and fourth Tuesdays of each month at 7:30 P.M. in the cafeteria of the Lothrop School.

Respectfully submitted,
 Kristina Cady, Chairperson
 Dr. Edgar Holmes, Clerk
 C. Baird Morgan, Jr.
 Mrs. Lynne Washburn
 Edward Wheeler, Jr.

BOARD OF SCHOOL DIRECTORS

Lloyd A. Kelley, Jr.
 SUPERINTENDENT OF SCHOOLS

PRINCIPAL'S REPORT — 1977

One of the major tasks of a school system, and one that usually escapes the public's awareness, is the on-going process of keeping abreast of the constant growth of knowledge, both in subject content areas and in the techniques of transmitting what we know to the students. It has been speculated that more knowledge has been uncovered during the past quarter century or so than had been in the entire span of human experience preceding it. And for your school to properly do the task it has been assigned, the staff must keep a constant eye upon the most recent changes in knowledge and theory.

If new meant better, we would have only the job of assimilating this new knowledge. But obviously it isn't necessarily so. We have to carefully evaluate new ideas, compare them to what we think we already know, and make our decision. This is an on-going process in our schools.

When we decide to select a new text or plan a program change, we utilize the talents of our staff members who have particular knowledge in that specific area. These teachers are asked to serve on a district study group and, with the area principals and superintendent, conduct a thorough investigation of the latest developments in content and theory. We recently concluded two such investigations which have resulted in program changes at our school.

We have, this year introduced the Elementary Science Study program in our fifth and sixth grades. A departure from the textbook-teachers demonstration approach to the teaching of science, it involves all children in experimental activity and is designed to exploit children's natural curiosity. Scientific concepts are more effectively developed through the process of self discovery upon which this program is based.

Our school recently adopted the Palmer handwriting program. Somewhat revised, it is essentially the same method of teaching penmanship that was used in our parent's day.

When we speak of the recent knowledge explosion, one immediately thinks of the almost fantastic achievements in the physical sciences during the past few decades. But equally significant if less dramatic changes and discoveries have been made in the area of psychology and education. To keep up with recent developments, each of our staff members must constantly undergo a formal program of in-service training. Individually, they regularly enroll in graduate college courses. As a group, and this is usually done on a district wide basis, they attend periodic workshops offered to meet our local and individual needs.

Educating children has never been an easy task. In today's rapidly changing world with its almost incredible proliferation of knowledge, it becomes more difficult than ever. Everyone of us at Lothrop is committed to maintaining an educational program of which the community can be proud.

Respectfully submitted,
Alf T. Rylander, Jr.

OTTER VALLEY ASSESSMENT

The Otter Valley Union High School Board of School Directors is submitting to the voters of the Otter Valley Union High School District a budget in the amount of \$1,525,015.62 of which \$1,334,026.00 is to be raised by assessment upon the member districts. Pittsford's assessment would be \$395,096.00. This is determined by the fact that on November 15, 1977 the enrollment at Otter Valley from Pittsford was 255 out of 861 enrolled from member districts. This represents 29.6168 percent of the total. Comparable figures are as follows:

	<u>1977-1978</u>	<u>1978-1979</u>
Total Assessed	\$1,351,658.20	\$1,334,026.65
Pittsford's Share	x.311602	x.296168
	<hr/>	<hr/>
Pittsford's Assessment	\$ 419,606.40	\$ 395,096.00
Less State Aid	87,721.00	94,347.00
	<hr/>	<hr/>
To be raised by taxes	\$ 331,885.40	\$ 300,749.00

PITTSFORD TOWN SCHOOL DISTRICT

PITTSFORD, VERMONT

PROPOSED BUDGET 1978-1979

INCOME BUDGET:	1977-1978	1978-1979
TAXES:	\$230,722.00	\$267,870.00
This includes the local tax requirements for the Lothrop School and Pittsford's share of Barstow. It does not include tax requirements for Pittsford's share of Otter Valley.		
STATE AID:	\$ 89,742.50	101,477.00
This represents an allotment of the total estimated State Aid reserved for elementary education. An additional estimated allotment of \$94,347.00 is reserved for a share of Pittsford's Otter Valley Assessment.		
RENTAL OF BUILDING:	\$ 4,500.00	6,000.00
Pittsford School District is paid this amount of money for the use of their facilities for special education classes. Increase is due to the use of an additional classroom.		
INTEREST ON INVESTMENTS:	\$ 800.00	800.00
Any funds not immediately needed for the operation of the school are invested in Savings Accounts, Certificates of Deposit and Treasury Bills to the best advantage of the school district		
PINNEY FUND:	\$ 700.00	900.00
Income from the Emma Burditt Pinney Trust Fund is used for support of the school		
STATE AID ON DEBT SERVICE:	\$ 1,170.00	1,170.00
The State pays 20 per cent of the school district's payments on principal and interest.		
HOT LUNCH REFUND:	\$ 11,422.00	11,157.37
Salaries of Hot Lunch employees are paid by the school district and refunded by the Hot Lunch Fund including the employer's share of Social Security.		

	1977-1978	1978-1979
CASH BALANCE:	\$ 1,000.00	4,000.00
Projected expenses at this time provide for a small cash balance for 1978-1979.		

MISCELLANEOUS INCOME:	\$ 200.50	—0—
Each year through a variety of sources the district receives small amounts of income.		

TOTAL INCOME	\$340,256.65	\$393,374.37
--------------	--------------	--------------

DISBURSEMENT BUDGET:	1977-1978	1978-1979
ADMINISTRATION:	\$ 8,764.73	\$ 11,481.25
Salaries	425.25	1,238.49
Contracted Services	5,313.21	5,075.30
Other		
	\$ 14,503.19	\$ 17,795.04

This account covers the direct expenses of the Board of School Directors and the Office of Superintendent of Schools, Salaries of School Officials such as directors, treasurer, clerk and Superintendent as well as employees such as the Business Manager and clerical help in the Superintendent's office are paid from this account

INSTRUCTION	\$183,453.07	\$193,369.93
Salaries	18,241.28	22,352.09
Supplies		
	\$201,695.15	\$215,722.02

Included in this account are the salaries of all teachers, principals, secretaries and instructional aides as well as supplies required for instruction such as textbooks, paper, pencils, magazines, audio visual aids and library books.

ATTENDANCE SERVICES:	\$ 50.00	\$ 50.00
Expenses for truant officers.		

HEALTH SERVICES:	\$ 1,742.01	\$ 1,897.75
Salary of Nurse — expenses of Nurse's travel and supplies for health program. Physical exams for staff.		

	1977-1978	1978-1979
PUPIL TRANSPORTATION SERVICES:		
Salaries	\$ 9,004.00	\$ 13,189.66
Contracted Services	0.00	—0—
Expenses	9,500.00	11,250.00
	<hr/>	<hr/>
	\$ 18,504.00	\$ 24,439.66

This account reflects an increase in salaries and normal maintenance costs. Provision is made for the operational costs of two additional buses.

OPERATION OF PLANT:		
Salaries	\$ 17,066.00	\$ 18,528.80
Contracted Services	800.00	800.00
Utilities & Supplies	21,342.20	26,713.00
	<hr/>	<hr/>
	\$ 39,208.20	\$ 46,041.80

The cost in this account other than salaries, reflect the costs of heating fuel, electricity, water and sewer rent and supplies.

MAINTENANCE OF PLANT:		
Contracted Services	\$ 3,900.00	\$ 4,475.00
Replacement of Equipment	700.00	740.00

	<hr/>	<hr/>
	\$ 4,900.00	\$ 6,165.00

Costs of painters, plumbers, electricians, carpenters, and other journeymen are charged to this account.

FIXED CHARGES:	\$ 12,737.28	\$ 19,675.56
-----------------------	--------------	--------------

This account allows for the payment of employees' retirement, Social Security, and property insurance. This account also reflects interest on borrowing in anticipation of taxes. This includes unemployment comp., a new item for school districts.

FOOD SERVICES:	\$ 10,791.00	\$ 9,666.00
-----------------------	--------------	-------------

This account provides for salaries of the Hot Lunch workers. Declining enrollment is causing us to reduce staff time.

CAPITAL OUTLAY:	\$ 5,266.60	\$ 661.45
------------------------	-------------	-----------

Remodeling and new equipment is charged to this account. Also reflected here is the installation of storm windows on the Lothrop School.

	1976-1977	1978-1979
DEBT SERVICE:	\$ 8,755.00	\$ 8,536.70
Principal and interest payments on the Lothrop addition are charged to this account. An additional amount of \$3,000, has been added in order to partially pay off the current debt over a five year period, incurred by the purchase of a new school bus. The second bus was purchased with unanticipated income.		
OUTGOING TRANSFER ACCOUNT:	\$ 25,776.50	\$ 43,162.46
Charges to educate Pittsford children elsewhere, Barstow Assessment and State of Vermont Special Education.		
CONTINGENCY ACCOUNT	\$ 1,020.82	—0—
TOTAL EXPENDITURES	\$340,256.65	\$393,374.37

PITTSFORD TOWN SCHOOL DISTRICT
NOTE TO FINANCIAL STATEMENTS

June 30, 1977

To the Board of Directors
Pittsford Town School District
Pittsford, Vermont

We have examined the statement of cash receipts and disbursements and cash balance from cash transactions of the General Fund and Hot Lunch Program of Pittsford Town School District for the year ended June 30, 1977. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the School's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present financial position or results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statement referred to above presents fairly the cash receipts and disbursements and cash balance from cash transactions of the General Fund and Hot Lunch Program of Pittsford Town School District for the year ended June 30, 1977 on the basis of accounting described in Note 1 which basis has been applied in a manner consistent with that of the preceding year.

P. F. JURGS & COMPANY
Public Accountants

Burlington, Vermont
August 26, 1977

Note 1 Accounting Method

The School has adopted the cash basis of accounting which does not recognize revenues or expenditures until the cash has actually been received or disbursed.

TOWN CONSTABLES' REPORT 1977

The past year 1977 has been as usual a busy one providing police protection and assistance to the needs of a growing community. We have added two Special Constables to the force — Thomas Hooker and Kenneth Haviland.

All the usual types of complaints have been handled and we are pleased to report that the number of Breaking and Entering Burglary cases have decreased.

All Village and Town Roads patrolled Cabbage Night and Halloween Night, total mileage 683 miles. Traffic Duty for Memorial Day Parade also Traffic and Police Protection for the 4th of July Parade and Celebration at the Recreation Area.

Law Enforcement Officers all deal with basically the same problems and challenges and indeed they must be dedicated men. Throughout the year they work regardless of clock or calendar really never off duty.

Community cooperation in the past and future will assure that Pittsford continues to be a pleasant place to live.

Thank you for your cooperation.

Respectfully submitted,
Harold A. Haviland
1st Constable
James E. Parker
2nd Constable

REPORT OF FOREST FIRE WARDEN

96 Permits to burn were issued in 1977. "Permits to Burn" are required at all times, except when snow is on the ground, at all locations which are within 200 feet of inflammable plant material which touches or adjoins woodlands.

I wish to thank Mr. Emil Hammond, Assistant Fire Warden, for all his help this past year.

To obtain permits for burning, please telephone:

483-2866

483-6751

Respectfully submitted
Raymond Parker,
Fire Warden

ANNUAL REPORT — 1977

Fuel Coordinator — Town of Pittsford

For the past four years, I have served as fuel coordinator of the town of Pittsford. This position which exists under the authority of the State Department of Public Safety (Civil Defense Division), was created initially in response to the "fuel crisis." In this capacity, my responsibility is to act on behalf of persons with emergency fuel needs, who, because of financial difficulties, are unable to meet them.

My duties in this office are, to say the least, not burdensome: so far, I seem to have averaged not more than six or eight calls per year. This might mean that emergencies occur, but do not come to my attention; hopefully, it means that emergencies are simply not occurring in any great numbers. Whatever the case may be, I want it known that I stand ready, in any way I can, to assist those who might otherwise be faced with an empty fuel tank and a cold house. It is a moral outrage that any person or family, regardless of financial means, should have to freeze.

I should make it clear, if I have not done so in the past, that this is not a funded position. I receive no official funds, either from the State or from the Town. My basic strategy is, and has been, to assist people in obtaining fuel shipments through the good offices of the Rutland Opportunity Council, or similar agencies. In a few instances, this has been impossible, usually because the persons involved have fallen above the income-standards imposed by the State (which, incidentally, are very low indeed); in such cases, I have as a last resort dipped into funds gleaned from the recycling of newspapers and magazines. Unfortunately, paper recycling is now defunct, and all such funds are gone. I have, in consequence, met the situation by establishing a "Fuel Fund" at one of the Rutland banks, and am now in the process of approaching local organizations requesting donations to it. As of this writing (January), I have approached the Pittsford Jaycess and the Pittsford Lions Club, both of whom have responded with donations to the Fund. My sincere thanks to both of these groups for their invaluable assistance. While I hope, of course, not to have to make use of such a Fund, it is essential to have it available in case of need. A Fuel Coordinator without access to funds is about as helpful as a fifth wheel.

Respectfully submitted,
Rev. Robert Gardiner

RUTLAND AREA VISITING NURSES
ASSOCIATION, INC.
ANNUAL REPORT
1977

To: Town of Pittsford

It is my pleasure as the Executive Director of the Rutland Area Visiting Nurse Association, Inc. to submit our Annual Report for the year ending December 31, 1977.

The Agency has continued to provide the total health programs to your town. It has been a very busy year with increased services in all areas. The total direct services provided into the home for the year are as follows:

Skilled Nursing	620	Visits
Homemaker-Home Health Aide	122	Visits
Physical Therapy	30	Visits
Speech Therapy	0	Visits
Occupational Therapy	0	Visits
Social Worker	8	Visits
Evaluation	18	Visits

We have also provided Prenatal Classes to many couples in your town. We have continued to coordinate services with the State Public Health and also provided Preventive Senior Citizen Clinics at nutritional sites.

Our Agency tries to work closely with all other community Agencies to coordinate services to everyone in need.

The Agency has tried with fair success to keep the cost within reason. The VNA always strives to give quality care as well as increased quantity. If your community has health needs that are not being met, please let us know.

We appreciate your past help and encourage your continued support so we may continue to provide our total health programs to your community. I would like to express my thanks to all of the many people that have helped our Agency over the past year.

Respectfully submitted,
Evelyn Morgan
Executive Director

RUTLAND COUNTY NUTRITION PROJECT REPORT

Mr. Ronald Moran
Board of Selectmen
Pittsford, Vermont 05763

Dear Mr. Moran,

The following is a request from the Pittsford Senior Dinners Program for an allocation of five hundred dollars (\$500.00) of revenue sharing funds. The money would be used to continue the operation of the meals program for the elderly of Pittsford.

In addition to serving over 2496 meals last year to senior citizens, the meals program provides various other supportive services. These include transportation to the meal site, stores and physician offices, recreation, and home delivered meals to elderly inflicted with physical or mental impairment. The meals program has also become a centralized location for senior citizens to socialize and receive information concerning programs of benefit and interest to their daily lives.

We are hopeful the Selectmen of Pittsford recognize the value of our program and will show their support by approving the requested amount of revenue sharing funds. The effectiveness of the Program needs this assistance to maintain a proper level of performance.

If any additional information is required, please contact me or Dottie Bridges, our Advisory Council representative for the Pittsford program.

Sincerely,
Gordon Walker
Director

Burlington, Vermont

VERMONT DEPARTMENT OF HEALTH
Annual Report to the Citizens of Pittsford

It is the goal of the Health Department to protect and improve the health of all Vermonters by providing services to the residents of each town without charge. During the past year we have provided the following services to the people of Pittsford.

306 elementary school children were examined by a dental hygienist and received personal oral hygiene instruction twice during the school year.

Your elementary school participated in the weekly fluoride rinse program.

Treatment for 279 children was approved and paid for in total or in part by the Tooth Fairy and Denticaid Programs.

Public Health Nurses made 33 individual public health visits to 25 persons.

14 persons received instruction in childbirth and parenting in group classes.

105 children received preventive health examinations and counselling at Well Child Conferences.

32 immunizations were given in Health Department clinics.

In a special program, 368 persons were immunized against swine flu.

Through the Handicapped Children's Program, diagnosis and treatment services for orthopedic, hearing, cardiac, and other conditions were provided to 26 children in an effort to reduce their handicaps.

Through the Child Development Clinic 2 children received diagnostic and intensive followup services for suspected physical and/or mental retardation.

Your elementary and high school were inspected for the presence of asbestos.

12 persons received chest X-rays for early detection of lung disease from the Barre, Rutland or other Health Department chest clinics.

The following services were provided by the Health Department Laboratory in Burlington:

23 blood tests to identify women needing immunization against German measles (Rubella) to prevent birth defects,

112 other diagnostic blood tests,

8 bacteriological and viral cultures,

111 tests of individual and municipal water systems to monitor drinking water quality.

Through the Emergency Medical Services Program, the Health Department provided funds to help with the purchase of equipment for the Aldous Ambulance Service.

95 people received nutritional education and food supplements through the Special Supplemental Food Program for Women, Infants and Children (WIC).

Through the Early Periodic Screening Detection and Treatment Program (EPSDT) 23 children underwent medical evaluation and treatment.

8 women were examined for cervical and breast cancer.

Statewide, 400 emergency medical technicians were trained; 142,600 doses of vaccine were distributed to private physicians; 20 hospitals and 48 nursing homes were inspected and licensed; 3475 blood and breath samples were tested for alcohol content; 1951 restaurants were inspected; 2144 venereal disease treatments were paid for and 778 contacts were traced; material to test 38,825 persons for tuberculosis was distributed to private physicians, public clinics, and schools; 150 industrial inspections affecting 13,174 workers were done; and 55 X-ray machines were inspected.

Technical assistance was provided through the office of Local Health Services to your Town Health Officer Mr. Harold Haviland.

Your Town Clerk Gordon R. Delong received support and instruction in the handling of vital records from the Division of Public Health Statistics.

We encourage your participation in those programs which may meet your needs. Information about our services may be obtained by calling our toll free number 1-800-642-5148.

A. Marshall McBean, M.D.
Commissioner of Health

TOWN HEALTH OFFICERS REPORT

1977

As Health Officer for Pittsford I have complied with all local and state requirements for 1977.

In recent years people have become more aware of the new requirements and regulations concerning health hazards therefore public awareness makes fewer problems.

Type complaints handled-

- 2 Complaints on Rental Housing — Taken care of by owner.
- 3 Complaints on Dead Animals — Buried by owner.
- 2 Complaints Sewage on ground — Issued order on one.
Owner took care of one within the week.
- 1 Case of Chicken Pox reported.

Your continued cooperation will be greatly appreciated.

Respectfully submitted,

Harold A. Haviland
Health Officer

ANNUAL REPORT
RUTLAND COUNTY HUMANE SOCIETY

During our last fiscal year, we cared for 3,115 animals at our Shelter on Stevens Road, a slight decrease from the previous year. We hope this is because more people are neutering their pets. Of this number, 95 dogs and 100 cats were from Pittsford. Some were picked up by our Agent, Edward Wheeler, and the rest brought in by owners or concerned citizens. Mr. Wheeler also checked out 12 cases of cruelty or neglect in the Town.

Our operating expenses for the period were \$20,705.54, making the average cost per animal \$6.60. We received \$200.00 from Pittsford plus tax abatement on our property. The balance of our income came from the City of Rutland, other Towns in the County, memberships, fund-raising activities and individual donations.

The Shelter is open to the public on Saturdays from 9 A.M. to 1 P.M., Sundays from 1 to 5 P.M., other days from 10 A.M. to 5 P.M. However, our Attendant there and Mr. Wheeler provide emergency service at all times. Groups and individuals are welcome to visit the Shelter, which complies with Federal regulations concerning the handicapped.

We are most grateful for the support and cooperation we have always received from the Police, other officials and the citizens of Pittsford.

Respectfully submitted,
Ellen Porter, Treasurer

PITTSFORD HISTORICAL SOCIETY

ANNUAL REPORT, for 1977

During 1977 the Pittsford Historical Society, as usual, provided programs of local historical interest, highlighted by Mr. and Mrs. Rouleau's history of Corn Hill and Mr. Warren Dexter's "Prehistoric Vermont and Celtic Ruins." A new series of programs now in progress and initiated in October, 1977, concerns the histories of Pittsford houses, described by their present owners.

Representatives of the Society attended the Bicentennial Reenactment of the Battle of Hubbardton, and the Society prepared a float for the 4th of July parade.

Attention has been concentrated throughout the year on the problem of providing better storage and display facilities for the wealth of museum materials now owned by the Society, as well as working space for members and visiting historians and genealogists. The materials include artifacts, scrapbooks, diaries, newspapers, clippings, record books, deeds, documents, letters, paintings, photographs and taped interviews, all related to Pittsford's history. The present museum in the library's basement provides good protection against fire, theft and vandalism; poor protection against damage from humidity; poor lighting for display and poor storage space; work space is non-existent. With a constantly expanding collection, the need to make materials available to the public, and the necessity for work space the Society desperately needs new quarters.

Outside of regular meetings the major effort of the past year, a part of our Bicentennial observance, has been related to "Pittsford's Second Century," the projected history which will pick up the town's history from 1873 when Dr. Caverly's "History of Pittsford" was published. As a result of generous contributions from numerous residents of the town and other friends we were qualified early in 1977 to receive a grant of \$1,000 from the Vermont Historical Society. Work on the new history has consisted, to date, of cataloguing museum materials, building up files on Pittsford families, individuals, houses, trade and industry, events, civic organizations, schools, churches, etc. We have also begun to accumulate genealogical data on Pittsford families by sending questionnaires to all current families and many who have moved away. We have not as yet had to draw heavily on funds which have been raised for the new history, but a period of heavier expenses approaches when we will by taping and transcribing interviews, typing, photographing, duplicating borrowed materials, etc.

In view of costs related to preparing a new history and also securing new museum quarters we will soon be seeking funds again, both from outside sources and from the community.

Patrick J. Candon, President

THE PITTSFORD JAYCEES

The Pittsford Jaycees are a group of young men from the area who try to help in community affairs. We hold meetings on the first and third Tuesday of each month at the Maclure Library. Membership is open to young men between the ages of 18 and 36. We would welcome any interested people who wish to attend a meeting.

The Jaycees are proud to announce that Richard Burke, a local member, was elected to the office of State President.

The Pittsford Jaycees sponsored a baby sitting course for area students. Such things as proper care of children, how to handle situations and what to do in case of an emergency were some of the topics. Many qualified people participated in making this project a success — a doctor, nurse, fireman, clergy and a member of the Emergency Squad. At the conclusion, the participants were given a certificate of Achievement.

The Jaycees have continued their involvement with area retarded citizens. We help with the Special Olympics program at the area and state level.

At the Recreation Area, we contributed to the underground telephone cable project and worked on the landscaping. We continued our involvement in the July 4th activities by sponsoring a fishing derby, traditional games and a hay ride. The Jaycees enjoyed helping Pittsford celebrate, also, by entering a float in the parade entitled "Playing Hookey," which won first prize.

The Pittsford Jaycees had a Christmas Fund this year and also contributed to the Fuel Fund.

Other activities of our year have included our food concession at the State Fair, our participation in the Halloween Haunted House and a raffle.

We look forward to another year of service in 1978 and thank everyone for their cooperation. We have enjoyed our year and have appreciated the friendship and support of the residents of Pittsford.

Michael Blaisdell, President
Peter Senator, Vice President
Richard Beriau, Secretary
Robert Hession, Treasurer

MACLURE LIBRARY

Following is a report summarizing the services furnished to the town during the year 1977 by the Maclure Library:

Total circulation for the year was 5,801 books and 931 periodicals, pamphlets and phonograph records.

This summer we held "Story — Time" at the library from July 6 through August 10, with Mr. David Philipson of the Northeast Supervisory Union reading stories, showing films and furnishing cassettes for the children's listening pleasure. Mr. Philipson also drove the Bookmobile into the rural areas and lent books to those who would not be reached otherwise. The program was much enjoyed by the children which was reflected in a sizeable increase in the juvenile circulation during that time.

We have weeded from up stairs many old books and are now in the process of weeding non-fiction downstairs. The discard count will appear large because it includes those books discarded from upstairs. We are selling the discarded books and have used some of the proceeds to up-date our holdings in the field of science which becomes obsolete so quickly.

The Historical Society and Jaycees continues to meet regularly in our meeting room.

We would like to bring to the attention of the public that there are many books in the library you would enjoy reading and many more available upon request from the Regional Library and Inter-library loan. Why don't you visit us and see what a fine selection of books are awaiting you.

Mrs. Rose Keith, under the auspices of Retired Seniors Volunteer Program (R.S.V.P.) is donating her time one afternoon a week to help at the desk.

We are extremely grateful for the many fine gifts of books and periodicals that have been donated to the library from:

Mrs. Fred Zimmer	Dept. of Libraries
Mrs. Robert Valco	Julius Zauchinger
Miss Margaret Sawyer	Mr. Frank Phillips
Michael Dickerman	Howard & Shelly Papineau
Christopher Morgan	Jan Powsner
Ms. Marsha Keith	Mrs. Cassie Sweet
Mr. Sidney Gilbert	Mr. Paul Wheeler
Mr. Harold Walker	Mrs. E.H. Candon
Patricia Morrill	Mrs. Lawrence Arnold
Mrs. Richard Beriau	Ms. Nancy Gilbert
Miss Andrea Cady	Mr. Fred Rathjen
Mrs. Carl Linden	Mrs. Nancy Dickerman
Miss Mabel Wingate	Mrs. Frederick C. Reynolds
Mrs. Shirley Latuch	Mrs. Bastick
Larry Smith	Mrs. Jane Keith
Miss Alice Wimett	Mrs. Jessie Starrett
Col. & Mrs. Mitchell	Kelley & Tracy Holden
Mrs. Clayton Smith	Mr. Harold Blaisdell

We have also been recipient of memorial funds with which we have purchased much-needed reference works: as follows:

Colburn Memorial Fund

Margaret Pike Memorial Fund

Louise Willis Memorial Fund

Minnie Cadwell Memorial Fund

Miss Elinor Pike — in Memory of Harry Pike

Miss Elinor Pike — in Memory of Margaret Pike

Mrs. Heman Hooker — in Memory of Heman Hooker

I would like to express my appreciation to the book committee for their help in selecting the books for the library also my thanks to Mary Rantanen, for working so patiently beside me all year.

Any resident of the community is eligible for Life membership in the Maclure Library Association upon payment of a lifetime fee of \$5. We solicit your membership.

The library board of trustees meets the second Monday of each month at 7:30 p.m. at the library.

**Annual Report — 1977
Pittsford Lions Club
Serving Pittsford & Proctor**

The Pittsford Lions Club, ten years old in January of this year, celebrates the conclusion of its first decade of service to the community. During this time, the Club has become known especially for its sponsorship of the Town's annual Fourth of July celebration (a bigger than ever success this year, under the Chairmanship of Ed Autenrieth), the yearly Halloween party and spook parade at the Town Hall for the local kids, and its continuing concern with sight conservation. But these are merely some of the more obvious things; a more complete list of Club projects, for 1977, would include the following:

— In its concern for sight conservation, the Club purchased eyeglasses, and bore the cost of eye examinations for several people.

— On July 26, the Lions Club Sight and Hearing Van rolled into Pittsford, parked for the day at the Congregational Church, and, with the assistance of a number of members, and several nurses, gave sight and hearing examinations to 47 people.

— When the Institute of Cultural Affairs, from Hartford, Conn., came into Town to initiate and help moderate a special "Citizens' Day" Town Meeting on November 5, the Lions Club publicized it, helped set it up, and donated about \$160 to help defray some of the cost.

— In the tradition of some other years, the Club provided tuition to send five youngsters to Conservation Camp, as well as one youngster to Downer 4-H Camp.

— During the fall, the Club sponsored a hunter safety course for 45 boys and girls, under the leadership of Rod Drown.

— Club sponsorship, and financial support, was again extended to Boy Scout Troop No. 107.

— A financial donation was made to TMR (Trainable Mentally Retarded) for their Christmas party.

— The Club also made a \$50 donation to Lion member Bob Gardiner to assist him in his work as Fuel Coordinator for the Town. Further forms of assistance are planned for the future.

The Club pauses to remember Fran Lavene, brother Lion and fellow worker, who died in June 1977. In his spirit, and the spirit of many others like him, we continue to maintain and expand our heritage of public involvement, seeking as best we can to exemplify the motto of Lions Clubs everywhere: "We serve."

LISTER'S REPORT 1977

GRAND LIST

Determined as follows:

Real Property	\$6,023,648.00	
Personal Property	351,928.00	
	<hr/>	
	\$6,375,576.00 x 1%	\$63,755.76
Polls, 1231 at \$1.50		<hr/> 1,846.50
Total, GRAND LIST		<hr/> \$65,602.26

Notes:

Grand List: The Grand List consists of the sum of the Property List and the Poll List as shown above.

Property List: The Property List which follows, represents 50 per cent of the Fair Market Value of the Property as determined by the Listers, as of April 1, 1977. As of January 1, 1978, all Properties will be listed at 100% Fair Market Value.

Property Tax: The Property Tax of owners listed is the amount shown in the Grand List multiplied by the Tax Rate.

TAX RATE: The tax rate is determined by dividing the total amount appropriated for the support of all the activities of the Town and Town School District by the Grand List.

Property Tax relief schedules for Vermont senior citizens age 65 or over are available.

Harold S. Phillips	1978
Paul Wheeler	1979

**TOWN AND VILLAGE JOINT PLANNING COMMISSION REPORT
1978**

At the time of writing this report, the existing Comprehensive Town Plan for Pittsford has been amended and the first Public Hearing was held pursuant to being adopted by the Legislative Board.

The Sub-Division Regulations have been written up and adopted by the Commission. A Hearing as required by Vermont Statutes will be held in the near future.

We will miss Lois Blittersdorf, who has resigned, and welcome Matt Didriksen, a new member.

The Commission meets the 4th Wednesday of every month. For the last several months we have been meeting twice a month. Meetings are held at the Town Clerk's Office at 7:30 P.M. All meetings are open to the public.

Respectfully submitted:

Members:

Vlad Sviatopolk-Mirsky,
Chairman

Linda Weeden, Clerk

REPORT ON REGIONAL PLANNING

The STATE OF THE REGION during 1977 was improved over 1976. A variety of activities on the part of local communities, public and private organizations and individuals, and the Regional Planning Commission have contributed to this improvement. Much, however, remains to be done; many of the problems faced by the Region at the end of 1976 still exist. However, with continued and increasing cooperation among the region's communities, the challenge posed by these problems can continue to be met during the coming year.

THE ECONOMY

While the economic picture of the Rutland Region improved during the past year, unemployment is still almost 7.0 percent of the labor force. The cost of living has continued to rise, affecting every person in the region, particularly those on fixed or limited incomes.

Economic Development activities have been a major priority of the Commission during the past year. Aside from our continued involvement with the Economic Development Council of Southwest Vermont, the Commission was instrumental in aiding regional communities with applications for federal Public Works funds. A number of regional communities eventually received funds under the Local Public Works Act, designed to impact local unemployment patterns.

The Economic Development Council — an effort of the RRPC, private industry, local and state officials and the federal government — showed that people from all over the region can work together to solve common concerns. Through the efforts of the Council, various communities received assistance in their development efforts. They also were given assistance that let them take advantage of federal programs dealing with economic development.

HOUSING

There still remain a large number of households for which no housing is available at a reasonable cost, a situation which forces families to live in unsafe and unhealthy conditions or forces them to pay more for housing than they can really afford.

During the past year, the Regional Planning Commission proposed a Housing Program that suggested a course of action to meet the housing needs of the region's residents. The Program will provide a foundation for the Regional Commission to suggest policies to enable a greater production of housing aimed at the needs of those persons not presently served under current private production.

In some communities steps are already being taken to utilize federal incentives to the private sector to meet local housing needs. Such efforts are most encouraging.

PUBLIC TRANSPORTATION

The lack of public transportation still poses some serious problems for a number of the region's residents. With gas prices on the rise, the need for a transit system to provide basic movement between home and work, or shopping, or health services, may greatly increase.

The region's year-old bus system is a step in meeting this need. Over the past year The Bus carried over 63,000 passengers. Of these nearly 30% were over 60 years of age. The Bus is also meeting the transportation needs of some of the area's human service agencies, thereby providing more coordination and a more effective use of our tax dollars.

The Regional Planning Commission has provided technical information to the managers of The Bus upon which day-to-day operating decisions can be made. Continued work in the public transportation area should place the region in an advantageous position to meet the future transportation needs of the region's residents.

SOLID WASTE

Rutland County has been singled out by the state as having serious solid waste disposal problems. A number of regional communities have been faced with legal action unless specific steps are taken to correct identified deficiencies. Other communities, with approved sanitary landfills, recognize that other solutions must be found and that the landfill is only a temporary solution to an increasingly complex problem.

Through the combined efforts of local communities, the RRPC, state officials, and the federal government, a program was generated to locate an adequate landfill site, or sites, to meet the region's immediate needs. In addition, the RRPC participated in a study to determine politically and economically feasible alternatives to sanitary landfills that could be used in the near future.

LAND USE

Future growth and development in the Region can take a number of courses. One is unguided and unplanned growth which lead to increasing local government costs. Another is a coordinated effort on the part of local communities and the Regional Planning Commission to develop guidelines within which development can take place. Local governments have the ultimate responsibility to plan for the future and adopt the mechanisms to implement local plans. However, in concert with the Regional Commission, broad goals, policies, and objectives can be generated to encourage coordinated growth and development not just within a community but throughout the entire region to the benefit of all the region's residents.

The Land Use Planning program of the Regional Planning Commission, in preparation during the past two years and the results of numerous public meetings, extensive publicity, and creative discussion, is available to local communities to assist them in their planning efforts should they choose to make use of it.

RUTLAND REGION PLANNING COMMISSIONS
RRPC ASSESSMENTS — 1978 - 79

Chairmen, Boards of Selectmen
Town Clerks
Town Managers
RRPC Commissioners
Chairmen, Local Planning Commissions

In accordance with action taken at the December 13 meeting of the Rutland Regional Planning Commission, the schedule of membership assessments will be 0.33 percent on each community's 1976 certified equalized grand list. This is the same as last year and represents no increase in local assessments. For your town the assessment is \$1120.00. We would appreciate your including this amount as a line item in your budget as authorized under Section 4346 of the Vermont Planning and Development Act (Title 24, Chapter 117). As an alternative you may wish to have a vote taken.

If you should have any questions on your community's assessment please do not hesitate to contact either your Regional Commissioner or myself.

John Vihinen

RECREATION REPORT 1977

During the Recreation Season of 1977 over 12,000 persons enjoyed the facilities of the Pittsford Recreation Area. During the summer months the ballfields were kept busy by the Mighty Mites and Little League programs. The picnic area and open spaces were heavily used for family and group gatherings. Over 8,000 swimmers used the pond or received swimming instructions.

In early Spring the swimming pond was drained and cleaned.

Repairs were made to the bridge over Sugar Hollow Brook.

All buildings were repaired and painted as needed.

A new ring buoy was purchased for the swimming area.

The Committee would like to thank those who made gifts of materials and money to the Area. We also want to thank the people of Pittsford for supporting their area. Thanks to the girls for doing a good job of running the Swimming Program and Lifeguarding. Also thanks to the summer help for keeping the grounds and buildings in fine shape.

As of the writing of this report, Phase I, Swimming Area Improvement, has been approved by the State of Vermont. The request now has gone to the Government Bureau of Outdoor Recreation. If it is approved by this Agency we hope to start the project early in the Spring.

Phase II, Expansion of the Vehicular Parking Area, was started through volunteer services and donated equipment. We hope to complete this project in the spring.

Phase III, Construction of a Double Tennis Court, has not been started.

I would like to thank the Recreation Committee for their time and help.

Respectfully submitted

TOWN AGENT'S REPORT

1. Jerome Tennien vs. Town of Pittsford; the Town is presently restrained by order of the Rutland Superior Court from disconnecting or otherwise depriving Mr. Tennien of water to premises on Arch Street, Furnance Road and Route 7 pending final determination of the matter. The dispute is over the extent of the Town's responsibility to provide water without charge to Mr. Tennien pursuant to an agreement between the Town and Mr. Tennien entered into in August of 1965. The matter should be heard within the next year.

2. Town of Pittsford vs. Russell R. Burton; This is a dispute over the issuance of a zoning variance and has been appealed to the Rutland Superior Court. Mr. Burton has, we understand, substantially complied with the order of the Pittsford Zoning Board of Adjustment and has paid the sum of \$200.00 to the Town of Pittsford representing expenses in the matter. The pending Court matter has not been dismissed since Mr. Burton's compliance is "substantial" and not complete.

3. Elizabeth and Michael Illinski vs. Board of Selectman, Town of Pittsford and Ronald Moran, George Eugair and John Barnard: This matter resulted from an alleged bite inflicted upon an employee of Allied Power and Light by a dog owned by Mr. and Mrs. Michael Illinski of Florence. The Town Selectman ordered the dog destroyed and the Illinski's filed suit and obtained a temporary restraining order from the Rutland Superior Court forbidding the dog's destruction. The Town obtained a modification of the temporary restraining order which required the Illinski's to keep the dog penned or inside their house. The matter has remained more or less dormant since January of 1977 and should be appearing on the Court calendar for hearing on the merits within the next six months.

4. Vermont Wild Land Foundation vs. The Town of Pittsford: This matter is still pending and is ripe for hearing in the Rutland Superior Court. The chances of a negotiated settlement appear very slim and the matter will probably be heard within the next six months.

5. Bachand et al vs. Town of Monkton: This is a class action which was brought by several State residents against all Vermont Towns and municipalities concerning the methods used to collect Poll Taxes. The Town has not taken an active part in the suit and is involved only to attempt to keep track of new developments in the area of collection of taxes.

The foregoing report from the Town Attorney's Office presents the current status of litigation in which the Town is involved.

JAMES K. MITCHELL
Town Agent

REPORT OF TRUSTEES OF PUBLIC FUNDS

EMMA BURDITT PINNEY FUND

The \$10,100. fund is deposited in two certificates of deposit with Rutland Savings Bank each earning 7½% per annum and the 1977 earnings totaling \$775.28 have been paid to the school district treasurer under the terms of the bequest.

------------	-------------

On December 29th, 1977 we were instructed in writing in accordance with the terms of the Dan D. Burditt bequest for the disbursement of \$25,000. as down payment and \$4,000. as a share of survey costs and estimated maintenance expense (total \$29,000.) from the Trust for the Purchase of the Caverly Preventorium property consisting of approximately 42 acres of land including all buildings thereon which property is to be used for future educational purposed for Pittsford. The actual transfer of title took place on January 3, 1978.

The above figures for the year 1977 do not reflect the disbursement of the \$29,000. The 1978 report will reflect this disbursement.

We wish to point out that the reduction in market value from 1/1/77 to 12/31/77 is \$14,492. and is primarily due to the constant drop in the stock market during 1977. However, we wish to further point out that we had an increase in total earnings of the fund of \$2,910.

RUTLAND OPPORTUNITY COUNCIL, INC. REPORT

The Rutland Opportunity Council serves as a community based agency designed to implement programs and projects that directly assist low-income and elderly persons with problems of self-sufficiency. We also function as an out-reach and service agency responding to crisis needs; i.e., Emergency Fuel Assistance, Transportation for medical appointments, Winterization and Home Repair.

During 1977 ROC provided 149 direct services for Pittsford area residents. These services include the following: assistance with government forms, social service information, counselling, and transportation. We also coordinated with local churches and groups for Christmas and Thanksgiving baskets.

Programs include: Summer Youth Camp, Meat Co-op, Food Shelf, and Energy Program. ROC's Energy Program provided 53 families with emergency fuel loans — \$5,437.14, Crisis Intervention 21 families — \$3,533.89, Winterized 18 homes — \$6,234.18, and supplied 23 cords of wood to 12 families, 5 stoves to 5 families — \$1,250.00, for a total of \$16,455.21 spent for energy in this area.

ROC appreciates the support which the town of Pittsford has provided in the past (\$500.) and we hope we will be able to count on this support in the coming year. We invite suggestions from Pittsford citizens, especially concerning the needs of elderly and low-income. Marge Wells, our worker in the area is always interested to hear about family or community needs where we might be able to help.

ZONING

The Town of Pittsford operates under the 1975 Revision of Zoning Regulations originally enacted in 1966.

The Village of Pittsford operates under Zoning Regulations enacted in 1975.

The Regulations of the Town and the Village are closely parallel.

The Administrative Officer acts for both the Town and the Village.

The Vermont Statutes define "LAND DEVELOPMENT" as follows: "Land Development means the division of a parcel into two or more parcels, the construction, reconstruction or enlargement of any building or other structure, or of any mining, excavation or land fill, or land, or the extension of use of land."

ANY LAND DEVELOPMENT, with certain exceptions, REQUIRES A PERMIT FROM THE ADMINISTRATIVE OFFICER.

THE PERMIT FORMS CONTAIN DETAILED INSTRUCTIONS CONCERNING THE CONDITIONS GOVERNING THE PERMIT. FAILURE TO COMPLY WITH THE INSTRUCTIONS RENDERS THE PERMIT NULL AND VOID. THEREFORE EVERY APPLICANT SHOULD READ CAREFULLY ALL THE INSTRUCTIONS.

The initial approval of the Administrative Officer merely indicates that the application complies with the requirements of the Regulations and authorizes only the layout. Further development cannot legally be initiated until AFTER the layout inspection and approval of the Administrative Officer. Occupancy of a structure is illegal until after the compliance inspection and approval of the Administrative Officer.

In any case coming within the scope of the definition of "LAND DEVELOPMENT" consult the Administrative Officer.

Copies of both Town and Village Zoning Regulations are on loan from the Town Clerk. A deposit is required. Copies are also on sale.

89 Zoning Permits have been issued.

The following cases have been acted on by the Board of Adjustment:

Application for Amendment to Finding of Fact, Decision and Order in Reference to Application for Variance by Russell R. Burton. Granted

Application of Lawrence A. and Edna Coutermarsh to change their property on U.S. Route #7 (Larry's Diner) from the existing Non Conforming Use to a new Non Conforming Use (Gift Shop and Music Store) (Approved).

Application of Thomas H. Olsen for approval of a Conditional Use to authorize the construction of "New England Maple Museum" on the East Side of U.S. Route #7 North of Village. (Approved)

Application of Raymond J. and David S. Creed for approval of a Conditional Use to authorize the removal of sand and gravel from their property located on the West side of U.S. Route 7 opposite Sangamon Road. (Approved with Conditions)

Application of Vermont Marble Co. for approval of a Conditional Use to authorize the expansion of the existing Ground Products Plant in Florence. (Approved with conditions)

Application of White Pigment Corporation for approval of a Conditional Use to authorize the erection of a storage Warehouse on their leased site in Florence. (Approved)

Application of Lorraine Massores and John W. Sharpe for approval of change from one Non Conforming Use to another of property on East Side of U.S. Route 7, formerly known as "Breezy Maples". (Approved)

Application of Richard and Janice Jewett for approval of a Conditional Use to permit the expansion of their slaughter house and meat market on the Easterly side of U.S. #7, approximately one mile South of Pittsford Village. (Approved)

PITTSFORD SANITARY LAND FILL

Rules

1. An attendant will be on duty during the hours the Sanitary Land Fill is open. His instructions must be followed in placing refuse and in all other matters governing the use of the Sanitary Land Fill.

2. The following will not be accepted:

A. Junk Cars.

B. Dead animals, or dead animal waste.

C. Trees and Brush.

D. Cesspool sludge.

E. Loose paper. Papers must be in a secure container, or securely tied in bundles to be acceptable.

F. All Vehicles, traveling through Pittsford Town or Village, carrying junk or garbage must be covered with a tarp or canvas of some kind.

3. Entry to the Sanitary Land Fill, except during regular hours is prohibited. Use of the Sanitary Land Fill is limited to residents of Pittsford. Entry permit may be obtained from the Town Clerk without charge.

4. See inside front cover for Hours of Operation.
